- 3) Following the initial twelve (12) month period, any requests for price or rate increases must be for an equal guarantee period, and must be made at least thirty (30) days prior to the requested effective date. Requests for price or rate increases must include sufficient documentation supporting the request. Any adjustment or amendment to the Master Agreement shall not be effective unless approved by the Lead State. No retroactive adjustments to prices or rates will be allowed, unless the pricing is decreased.

The NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum. By way of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g. Purchase Order or Contract) used by the Purchasing Entity to place the Order.
- 2) Use of specific NASPO ValuePoint cooperative Master Agreements by state agencies, political subdivisions and other Participating Entities (including cooperatives) authorized by individual state's statutes to use state Contracts are subject to the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.

- 3) Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. Financial obligations of Participating States are limited to the Orders placed by the departments or other state agencies and institutions having available funds. Participating States incur no financial obligations on behalf of political subdivisions. Contractor shall email a fully executed PDF copy of each Participating Addendum to PA@wsca-naspo.org to support documentation of participation and posting in appropriate data bases.
- 4) NASPO Cooperative Purchasing Organization LLC, doing business as NASPO ValuePoint, is not a party to the Master Agreement. It is a nonprofit cooperative purchasing organization assisting states in administering the NASPO cooperative purchasing program for state government departments, institutions, agencies and political subdivisions (e.g., colleges, school districts, counties, cities, etc.) for all 50 states, the District of Columbia and the territories of the United States.

 - b) Amendments;

 - j) Individual Customers
- 6) Participating Entities who are not states may under some circumstances sign their own Participating Addendum, subject to the approval of participation by the Chief Procurement Official of the state where the Participating Entity is located. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists in the Participating Entity; they must ensure that they have the requisite procurement to execute a Participating Addendum.
- 7) Subject to any specific conditions included in the Solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not Resell Products. Absent any such condition or explicit permission, this limitation does not prohibit the following, however, any sale or transfer must be consistent with license rights granted for use of Intellectual Property:
 - a) Payments by employees of a Purchasing Entity for Products;
 - b) Sales of Products to the general public as surplus property; and
 - c) Fees associated with inventory transactions with other governmental or non-profit entities, and consistent with a Purchasing Entity's laws and regulations.

C. Administrative Fees

Some states may require a fee be paid directly to the state only on purchases made by Purchasing Entities within that state. For all such requests, the fee level, payment method and schedule for such reports and payments will be incorporated into the Participating Addendum that is made a part of the Master Agreement. The Contractor may adjust the Master Agreement pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of the state.

Warranties**

Central Lake Armor Express, is pleased to provide the following response to the RFP for the State of Colorado, for Body Armor Products regarding our warranties per subsection 4.6.13 through 4.6.15.

Warranties

4.6.13 - Armor Express ballistic components will have a 5 year manufacturer warranty.

4.6.14 - Armor Express carriers will have an 18 month manufacturer warranty.

4.5 - The following is our official warranty policy.

LIMITED WARRANTY

Your ARMOR EXPRESS vest has been made in accordance with our quality control standards. This vest is warranted to be free of defects in material and workmanship, subject to the following limitations.

Visit www.armorexpress.com for the latest Warranty information and details.

COVERAGE PERIOD

"The CARRIER is warranted for eighteen (18) months from date of user purchase. The PANELS are warranted* for five (5) years from date of user purchase.

BASE products are warranted for ninety (90) days from date of user purchase."

***LIMITATIONS**

The Limited Warranty begins with the date of purchase of this ARMOR EXPRESS Body Armor unit. If purchased directly from Armor Express, the date begins from the invoiced sale date; if purchased from dealer/distributor, date begins from the date sold to the agency/end user, not to begin later than 12 months of date of manufacture. Proof of purchase MUST be provided with date; if not, default date is five (5) years from date of manufacture of ballistic panel. A valid warranty claim will be honored on a prorated basis. In order to qualify for this warranty, you must complete and mail the attached warranty card or complete the online warranty registration process at

www.armorexpress.com/warranty within thirty (30) days of receipt of vest. This warranty is extended to the original user-purchaser only. This warranty is void if the maintenance care as stated on the protective panel label has not been followed, or if the product has been altered in any matter after delivery to the purchaser, or if the product has been

subjected to abnormal use or abuse. Since coordinated and compatible protective panels and carrier are essential for proper protection, use of a carrier not produced or approved by ARMOR EXPRESS voids the warranty.

In the event a defect is found in either component of your vest (carrier or protective panels) during the applicable warranty periods, return the vest and carrier directly to ARMOR EXPRESS, ATTN: RETURNS, at 7919 Cameron Street, Central Lake, MI 49622, postpaid. ARMOR EXPRESS, at its discretion, without cost to you, will repair or replace the defective part or the entire vest or refund the purchase price on a prorated basis.

TERMS AND CONDITIONS

IMPORTANT NOTICE: Pursuant to Neb. Rev. Stat. § 84-602.04, State contracts in effect as of January 1, 2014, and contracts entered into thereafter, must be posted to a public website. The resulting contract, the ITB, and the successful Bidder's bid or response will be posted to a public website managed by DAS, which can be found at:

<https://statecontracts.nebraska.gov/>

Contractor may request that proprietary information be excluded from the posting. The Contractor must identify the proprietary information, mark the proprietary information according to state law, and submit the proprietary information in a separate container or envelope marked conspicuously in black ink with the words "PROPRIETARY INFORMATION". The Contractor must submit a detailed written document showing that the release of the proprietary information would give a business advantage to named business competitor(s) and explain how the named business competitor(s) will gain an actual business advantage by disclosure of information. The mere assertion that information is proprietary or that a speculative business advantage might be gained is not sufficient. (See Attorney General Opinion No. 92068, April 27, 1992) **THE CONTRACTOR MAY NOT ASSERT THAT THE ENTIRE /PARTICIPATING ADDENDUM IS PROPRIETARY. COSTS WILL NOT BE CONSIDERED PROPRIETARY AND ARE A PUBLIC RECORD IN THE STATE OF NEBRASKA.** The State will then determine, in its discretion, if the interests served by nondisclosure outweighs any public purpose served by disclosure. (See Neb. Rev. Stat. § 84-712.05(3)). The Contractor will be notified of the agency's decision. Absent a State determination that information is proprietary, the State will consider all information a public record subject to release regardless of any assertion that the information is proprietary.

If the agency determines it is required to release proprietary information, the Contractor will be informed. It will be the Contractor's responsibility to defend the Contractor's asserted interest in non-disclosure.

To facilitate such public postings, with the exception of proprietary information, the State of Nebraska reserves a royalty-free, nonexclusive, and irrevocable right to copy, reproduce, publish, post to a website, and authorize others to use the documents, or otherwise use the Participating Addendum or other documents received with regard to the Participating Addendum. Contractor specifically waives any copyright or other protection the Participating Addendum or other documents may have. This reservation and waiver is a prerequisite for entering into this Participating Addendum.

Contractor agrees not to sue, file a claim, or make a demand of any kind, and will indemnify and hold harmless the State and its employees, volunteers, agents, and its elected and appointed officials from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses, sustained or asserted against the State, arising out of, resulting from, or attributable to the posting of the Participating Addendum or documents.

E. AMENDMENT

This Participating Addendum may be amended in writing, within scope, upon the agreement of both parties.

F. CHANGE ORDERS OR SUBSTITUTIONS

The State and the Contractor, upon the written agreement, may make changes to the contract within the general scope of the ITB. Changes may involve specifications, the quantity of work, or such other items as the State may find necessary or desirable. Corrections of any deliverable, service, or work required pursuant to the contract shall not be deemed a change. The Contractor may not claim forfeiture of the contract by reasons of such changes.

No change shall be implemented by the Contractor until approved by the State, and the Contract is amended to reflect the change and associated costs, if any. If there is a dispute regarding the cost, but both parties agree that immediate implementation is necessary, the change may be implemented, and cost negotiations may continue with both Parties retaining all remedies under the contract and law.

G. NOTICE OF POTENTIAL CONTRACTOR BREACH

If Contractor breaches the Participating Addendum or anticipates breaching the Participating Addendum, the Contractor shall immediately give written notice to the State. The notice shall explain the breach or potential breach, a proposed cure, and may include a request for a waiver of the breach if so desired. The State may, in its discretion, temporarily or permanently waive the breach. By granting a waiver, the State does not forfeit any rights or remedies to which the State is entitled by law or equity, or pursuant to the provisions of the Participating Addendum. Failure to give immediate notice, however, may be grounds for denial of any request for a waiver of a breach.

H. BREACH

Either Party may terminate the Participating Addendum, in whole or in part, if the other Party breaches its duty to perform its obligations under the contract in a timely and proper manner. Termination requires written notice of default and a thirty (30) calendar day (or longer at the non-breaching Party's discretion considering the gravity and nature of the default) cure period. Said notice shall be delivered by Certified Mail, Return Receipt Requested, or in person with proof of delivery. Allowing time to cure a failure or breach of contract does not waive the right to immediately terminate the contract for the same or different contract breach which may occur at a different time.

In case of breach by the Contractor, the State may, without unreasonable delay, make a good faith effort to make a reasonable purchase or contract to purchased goods in substitution of those due from the contractor. The State may recover from the Contractor as damages the difference between the costs of covering the breach. Notwithstanding any clause to the contrary, the State may also recover the contract price together with any incidental or consequential damages defined in UCC Section 2-715, but less expenses saved in consequence of Contractor's breach.

The State's failure to make payment shall not be a breach, and the Contractor shall retain all available statutory remedies. (See Indemnity - Self-Insurance and Payment)

I. NON-WAIVER OF BREACH

The acceptance of late performance with or without objection or reservation by a Party shall not waive any rights of the Party nor constitute a waiver of the requirement of timely performance of any obligations remaining to be performed.

J. SEVERABILITY

If any term or condition of the contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and conditions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the contract did not contain the provision held to be invalid or illegal.
