**RE: Avtec Program Manager Change for Public Safety Communication Equipment
Contract #06913**

Dear Ms. Peckham,

This correspondence is to inform you that the responsibilities for Program Management of the referenced contract at Avtec are changing from myself to:

Daphne Monroe
O: 803-358-3261
M: 434-258-9581
dmonroewade@avtecinc.com

This change is necessitated because I am retiring from Avtec. My last day fulltime with the company was Nov. 1, 2019. In the short term, I am working part-time to help transition my responsibilities. Please include Daphne on all future correspondence to Avtec concerning NASPO.

In addition, ownership of Avtec has changed. Motorola Solutions purchased Avtec earlier this year and has changed the company to a limited liability company. Avtec, Inc. is now Avtec, LLC. This change should not affect the contractual relationship between Avtec and NASPO, as Avtec is operating as a business entity separate from Motorola Solutions.

It has been a pleasure working with you to provide our NASPO offering to State and Local Customers that qualify.

Regards,
