

**PARTICIPATION IN NASPO VALUEPOINT FIRE APPARATUS MASTER AGREEMENTS
BY
PUBLIC AGENCIES OTHER THAN STATE AGENCIES
IN THE
STATE OF NEBRASKA**

The State Procurement Manager, in the Nebraska Department of Administrative Services, Materiel Division-State Purchasing Bureau (SPB), has notified NASPO ValuePoint that since the State of Nebraska has no need for contracts for Fire Apparatus, the SPB has no objection to local government agencies in Nebraska entering into a direct Participating Addendum with any of the contractors under the NASPO ValuePoint Fire Apparatus (Trucks) contract portfolio.

Local government agencies in Nebraska wishing to execute Participating Addendums with ValuePoint Fire Apparatus contractors must follow their own procurement authority and guidelines when doing so.

Scanned copies of all executed participating addendums are to be sent by email in PDF format to PA@NASPOValuePoint.org.

This authorization does not apply to any state agency or institution in Nebraska and may be rescinded at any time by the Chief Procurement Officer or designee.

Questions regarding this notice may be sent to the NASPO ValuePoint Cooperative Contract Coordinator Team by email at CCC@naspovaluepoint.org.
