Note that if the 1% Administration Fee is deductible as a business expense for federal income tax purposes, it is also deductible as an expense for Massachusetts tax purposes.

3.1.1 Quarterly Administration Fee Payment

For each Payment Period, Statewide Contractor shall pay to OSD a fee equal to one percent (1%) of the total payments (adjusted for credits or refunds) received from all Eligible Entities that have purchased from the Statewide Contractor pursuant to this Agreement. All payments will be based on full calendar quarters (Payment Periods) and must be received by OSD on or before 45 days after the last day of the Payment Period (as specified below) or a Contractor will be considered in breach of contract:

Quarter	Payment Period	Quarterly Payment Due Date
First Quarter	January 1st – March 31st	May 15th
Second Quarter	April 1st – June 30th	August 15th
Third Quarter	July 1st – September 30th	November 15th
Fourth Quarter	October 1 – December 31st	February 15th

Quarterly payments will include any periods less than a full calendar quarter if a contract does not start at the first day of a quarter or end on the last day of the quarter.

Payments are to be made through a web-based secure payment center <http://www.osdadminfee.com>., which can be accessed through a link provided to Statewide Contractors by OSD. All Administration Fee payments are to be made directly through the secure payment center. The secure payment center allows payments to be made via Automatic Clearing House (ACH) or by using one of the following credit cards: American Express, Discover, MasterCard and/or Visa. Payment of the Administration Fee by check is not permitted unless a Contractor makes a written request for an exception and demonstrates, to the satisfaction of the OSD Contract Manager, that compliance poses a hardship.

Please note that there is no charge to vendors to use ACH as OSD covers the nominal fee charged by the secure payment center for using the ACH payment method. OSD will NOT cover the convenience fee for selecting to pay by credit card. This is a fee the contractor is responsible for paying and is non-refundable; the fee is over and above the 1% Administration Fee and it is currently calculated at 2.35% of the 1% Administration Fee to be paid. The convenience fee is established by Statewide Contract PRF59A and therefore is subject to change during the term of the contract resulting from this bid. Prior to the due date for the Statewide Contractor's Administration Fee payment, the Statewide Contractor will receive an e-mail communication from OSD that includes all required information the Statewide Contractor must use to submit payments via the secure payment center. 3.1.2 Audit

During the term of this Agreement and for a period of six years thereafter, the Operational Services Division, its auditors, the Office of the Inspector General or other authorized representatives shall be afforded access at reasonable times to Contractor's accounting records, including sales information on any system, reports or files, in order to audit all records relating to goods sold or services performed pursuant to this Agreement. If such an audit indicates that Contractor has materially underpaid OSD, then the Contractor shall remit the underpayment and be responsible for payment of any costs associated with the audit.

3.1.3 Other Terms

Contractors are responsible for compliance with all other contract reporting requirements including, but not limited to, contract detailed spend, Supplier Diversity Program (SDP) and other contract reports, as required by this contract.

All amounts payable by the Contractor to OSD under this Agreement that are not received by the due date specified shall bear simple interest from the date due until paid. The Late Payment Interest Rate is set by the Office of the State Comptroller on an annual basis and can be found by selecting the fiscal year in question on the [Comptroller's Fiscal Year Updates](#) webpage.

In the event of the Contractor's breach of this policy including, but not limited to, non-reporting, non-payment, late reporting/payment, under-reporting/payment, the Commonwealth reserves the right to pursue any and all recourse and penalties available including, but not limited to, contract suspension and contract termination. The Commonwealth is allowed to suspend, terminate or debar pursuant to [Massachusetts General Laws Chapter 29, Section 29F](#), as amended, and pursuant to Section 4 of the [Commonwealth Terms and Conditions](#). In addition, in the event the Contractor fails to make any payment when due, the Contractor shall be liable to the Commonwealth for all expenses, court costs, and attorneys' fees (including inside counsel) incurred in enforcing the terms and conditions of this Agreement.

3.2 Quarterly Sales and SDP Report

OSD has developed a centralized reporting process for collecting sales and SDP data. This data is used by OSD to measure contract progress and compliance from year-to-year. The data also assists with the development of new contracts and/or new categories of services under existing contracts. An Awarded Contractor must submit a Quarterly Sales and SDP Report to OSD each quarter. A report is due each quarter regardless of whether or not sales occurred during the quarter. Contractors are required to submit reports through the Commonwealth's Vendor Report Management System which is accessed online at <https://massosd.gob2g.com>. In the event the Commonwealth adopts an alternate reporting system Contractors will be required to utilize such system as directed by the ITC66 Contract Manager.

3.2.1 Reporting Sales

Contractors may report manually in the Vendor Report Management System website or may upload their report using a spreadsheet. It is advised to use the upload process for convenience. When reporting by spreadsheet Contractors must utilize the downloadable report template from the website. Contractors must fill in all requested columns in the report template. When a sales report is ready to submit the Contractor uploads their report using the "View/Add Sales Details" button and then select "Upload Sales Data." This will prompt the website to review and validate the report at which time you may receive "errors" or "alerts" on your report. An error will generally mean that there is an error in the report itself, such as missing information or a line total not matching the unit price and quantity, and these will require correcting before the website will accept the report. An alert will generally mean that a customer name is not recognized, and you will have the option of changing it or submitting it to the system with a request for a name exception. In most cases for an alert the Contractor should submit their customer names as-is and request an exception and OSD will reply to the Contractor if more information is needed. All reports require the following information:

- A. Purchasing Entity Name (must be specific and not a generic name i.e. "Commonwealth")
- B. Invoice Number
- C. Invoice Date (use "Short Date" format)
- D. Product/Service Description (be as descriptive as possible)
- E. Unit of Measure (i.e. "each" or "hour")
- F. Unit Price
- G. Quantity
- H. Line Total Purchase Amount (must equal Unit Price X Quantity)
- I. Manufacturer SKU Number
- J. Product Manufacturer
- K. Brand Name
- L. Contract Category
- M. Number of Products Per Unit of Measure
- N. Laser Printer Toner
- O. Toner Cartridge Type
- P. Energy Star Certified
- Q. Type of EPEAT Registration
- R. % Recycled Content
- S. Lease/Engagement Start Date
- T. Lease/Engagement End Date

Massachusetts [Executive Order 565](#) reaffirmed and expanded the Commonwealth's policy to promote the award of state contracts in a manner that develops and strengthens diverse businesses. The Commonwealth's [Supplier Diversity Program](#) (SDP) promotes the partnering of Awarded Statewide Contractors with [Supplier Diversity Office](#) (SDO) certified or recognized diverse business partners. All Bidders are required to make a meaningful financial commitment by partnering with one or more SDO certified or recognized business enterprises or non-profits. Bidders must identify their commitment in the form of a specific percentage of sales under the resulting contract which will be spent with an SDP partner/partners on a Massachusetts fiscal year basis. The percentage commitment will extend for the life of any resulting contract. Bidders will not be awarded unless they submit an acceptable SDP plan.
