Master Agreement Terms and Conditions:

1. Scope: This addendum covers **Cloud Solutions** led by the State of Utah for use by state agencies and other entities located in the Participating State *[or State Entity]* authorized by that State's statutes to utilize State contracts with the prior approval of the State's Chief Procurement Official.

[Removable Instruction: Participating States should ensure that paragraph 2 properly defines the scope of participation. The model language in paragraph enables participation by all political subdivisions, institutions of higher education, and other entities included in the state's statewide contract program.]

2. Participation: This NASPO ValuePoint Master Agreement may be used by all state agencies, institutions of higher institution, political subdivisions and other entities authorized to use statewide contracts in Guam. Issues of interpretation and eligibility for participation are solely within the authority of the State Chief Procurement Official.
3. Access to Cloud Solutions Services Requires State CIO Approval: Unless otherwise stipulated in this Participating Addendum, specific services accessed through the NASPO ValuePoint cooperative Master Agreements for Cloud Solutions by state executive branch agencies are subject to the authority and prior approval of the State Chief Information Officer's Office. The State Chief Information Officer means the individual designated by the state Governor within the Executive Branch with enterprise-wide responsibilities for leadership and management of information technology resources of a state.
