BY  
ELIGIBLE ENTITIES IN THE STATE OF ARIZONA**

Eligible entities in the State of Arizona interested in participating in NASPO ValuePoint contracts should contact the Arizona State Procurement Office (SPO) to discuss options, including whether an existing Arizona state contract is available that will meet the entity's needs. The SPO has adopted numerous NASPO ValuePoint contracts to complement existing state contracts. If the SPO has not adopted a specific NASPO ValuePoint contract it is likely a state contract exists for the required goods and/or services.
