The State shall complete the audit and provide certification of its compliance to Contractor ("Audit Certification") within 120 days following the State's receipt of the Audit Request.
- C.** If upon receipt of the State's Audit Certification, the Parties reasonably determine that: **(i)** the State's use of licenses, use of software, use of programs, or any other use during the audit period exceeded the use restrictions and limitations contained in this Contract ("Overuse") and **(ii)** the State would have been or is then required to purchase additional maintenance and/or services ("Maintenance"), Contractor shall provide written notice to the State in accordance with the notice provisions of the Contract identifying any Overuse or required Maintenance and request that the State bring its use into compliance with such use restrictions and limitations.

**ATTACHMENT B.1 TO EXHIBIT B – IRS PUBLICATION 1075****I. PERFORMANCE**

Disclosure to anyone other than an officer or employee of the contractor will be prohibited.
- 3) All returns and return information will be accounted for upon receipt and properly stored before, during, and after processing. In addition, all related output will be given the same level of protection as required for the source material.
- 4) The contractor certifies that the data processed during the performance of this contract will be completely purged from all data storage components of his or her computer facility, and no output will be retained by the contractor at the time the work is completed. If immediate purging of all data storage components is not possible, the contractor certifies that any IRS data remaining in any storage component will be safeguarded to prevent unauthorized disclosures.
- 5) Any spoilage or any intermediate hard copy printout that may result during the processing of IRS data will be given to the agency or his or her designee. When this is not possible, the contractor will be responsible for the destruction of the spoilage or any intermediate hard copy printouts, and will provide the agency or his or her designee with a statement containing the date of destruction, description of material destroyed, and the method used.
- 6) All computer systems processing, storing, or transmitting Federal tax information must meet the requirements defined in IRS Publication 1075. To meet functional and assurance requirements, the security features of the environment must provide for the managerial, operational, and technical controls. All security features must be available and activated to protect against unauthorized use of and access to Federal tax information.
- 7) No work involving Federal tax information furnished under this contract will be subcontracted without prior written approval of the IRS.
- 8) The contractor will maintain a list of employees authorized access. Such list will be provided to the agency and, upon request, to the IRS reviewing office.
- 9) The agency will have the right to void the contract if the contractor fails to provide the safeguards described above.

**II. CRIMINAL/CIVIL SANCTIONS:**

- 1) Each officer or employee of any person to whom returns or return information is or may be disclosed will be notified in writing by such person that returns or return information disclosed to such officer or employee can be used only for a purpose and to the extent authorized herein, and that further disclosure of any such returns or return information for a purpose or to an extent unauthorized herein constitutes a felony punishable upon conviction by a fine of as much as \$5,000 or imprisonment for as long as 5 years, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized further disclosure of returns or return information may also result in an award of civil damages against the officer or employee in an amount not less than \$1,000 with respect to each instance of

unauthorized disclosure. These penalties are prescribed by IRC sections 7213 and 7431 and set forth at 26 CFR 301.6103(n)-1.

- 2) Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that any return or return information made available in any format shall be used only for the purpose of carrying out the provisions of this contract. Information contained in such material shall be treated as confidential and shall not be divulged or made known in any manner to any person except as may be necessary in the performance of the contract. Inspection by or disclosure to anyone without an official need to know constitutes a criminal misdemeanor punishable upon conviction by a fine of as much as \$1,000 or imprisonment for as long as 1 year, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized inspection or disclosure of returns or return information may also result in an award of civil damages against the officer or employee [United States for Federal employees] in an amount equal to the sum of the greater of \$1,000 for each act of unauthorized inspection or disclosure with respect to which such defendant is found liable or the sum of the actual damages sustained by the plaintiff as a result of such unauthorized inspection or disclosure plus in the case of a willful inspection or disclosure which is the result of gross negligence, punitive damages, plus the costs of the action. These penalties are prescribed by IRC section 7213A and 7431.
- 3) Additionally, it is incumbent upon the contractor to inform its officers and employees of the penalties for improper disclosure imposed by the Privacy Act of 1974, 5 U.S.C. 552a. Specifically, 5 U.S.C. 552a(i)(1), which is made applicable to contractors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of a contractor, who by virtue of his/her employment or official position, has possession of or access to agency records which contain individually identifiable information, the disclosure of which is prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000.

### **III. INSPECTION:**

The IRS and the Agency shall have the right to send its officers and employees into the offices and plants of the contractor for inspection of the facilities and operations provided for the performance of any work under this contract. On the basis of such inspection, specific measures may be required in cases where the contractor is found to be noncompliant with contract safeguards.

## ATTACHMENT B.2 – HIPAA BUSINESS ASSOCIATE ADDENDUM

This **Exhibit B.2 – HIPAA Business Associate Addendum** (“Addendum”) is part of that certain contract, CMS # 163961 (“Contract”), by and between Kyocera Document Solutions America, Inc. (“Contractor”) and the State of Colorado (“State”). In the event of a conflict or inconsistency between the Contract and its Exhibits and attachments, such conflict or inconsistency shall be resolved in the manner specified in §8 of the main body of the Contract. Any references to defined terms that are not specifically defined herein shall have the same meaning as those set forth in the Contract and its Exhibits. For purposes of this Addendum, the State is referred to as “Covered Entity” or “CE” and Contractor is referred to as “Associate.” Unless the context clearly requires a distinction between the Contract document and this Addendum, all references herein to “the Contract” or “this Contract” include this Addendum.

### RECITALS

- A. CE wishes to disclose certain information to Associate pursuant to the terms of the Contract, some of which may constitute Protected Health Information (“PHI”) (denied below).
- B. CE and Associate intend to protect the privacy and provide for the security of PHI disclosed to Associate pursuant to this Contract in compliance with the Health Insurance Portability and Accountability Act of 1996, 42 USC §1320d-1320d-8 (“HIPAA”) as amended by the American Recovery and Reinvestment Act of 2009 (“ARRA”)/HITECH Act (PL 111-005), and its implementing regulations promulgated by the US Department of Health and Human Services, 45 CFR Parts 160, 162, and 164 (the “HIPAA Rules”) and other applicable laws, as amended.
- C. As part of the HIPAA Rules, the CE is required to enter into a written contract containing specific requirements with Associate prior to the disclosure of PHI, as set forth in, but not limited to, Title 45, §§160.103, 164.502(e), and 164.504(e) of the Code of Federal Regulations (“CFR”) and contained in this Addendum.

The parties agree as follows:

#### 1. Definitions.

- a. Except as otherwise defined herein, capitalized terms in this Addendum shall have the definitions set forth in the HIPAA Rules at 45 CFR Parts 160, 162, and 164, as amended. In the event of any conflict between the mandatory provisions of the HIPAA Rules and the provisions of this Contract, the HIPAA Rules shall control. Where the provisions of this Contract differ from those mandated by the HIPAA Rules, but are nonetheless permitted by the HIPAA Rules, the provisions of this Contract shall control.
- b. “Protected Health Information” or “PHI” means any information, whether oral or recorded in any form or medium: **(i)** that relates to the past, present, or future physical or mental condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and **(ii)** that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual, and shall have the meaning given to such term under the HIPAA Rules, including, but not limited to, 45 CFR §164.501.
- c. “Protected Information” shall mean PHI provided by CE to Associate or created, received, maintained, or transmitted by Associate on CE’s behalf. To the extent Associate is a covered entity under HIPAA and creates or obtains its own PHI for treatment, payment, and health

care operations, Protected Information under this Contract does not include any PHI created or obtained by Associate as a covered entity and Associate shall follow its own policies and procedures for accounting, access, and amendment of Associate's PHI.

- d. "Subcontractor" shall mean a third party to whom Associate delegates a function, activity, or service that involves CE's Protected Information, in order to carry out the responsibilities of this Addendum.

2. Obligations of Associate.

- a. Permitted Uses. Associate shall not use Protected Information except for the purpose of performing Associate's obligations under this Contract and as permitted under this Addendum. Further, Associate shall not use Protected Information in any manner that would constitute a violation of the HIPAA Rules if so used by CE, except that Associate may use Protected Information: **(i)** for the proper management and administration of Associate; **(ii)** to carry out the legal responsibilities of Associate; or **(iii)** for Data Aggregation purposes for the Health Care Operations of CE. Additional provisions, if any, governing permitted uses of Protected Information are set forth in **Attachment B.2** to this Addendum. Associate accepts full responsibility for any penalties incurred as a result of Associate's breach of the HIPAA Rules.
- b. Permitted Disclosures. Associate shall not disclose Protected Information in any manner that would constitute a violation of the HIPAA Rules if disclosed by CE, except that Associate may disclose Protected Information: **(i)** in a manner permitted pursuant to this Contract; **(ii)** for the proper management and administration of Associate; **(iii)** as required by law; **(iv)** for Data Aggregation purposes for the Health Care Operations of CE; or **(v)** to report violations of law to appropriate federal or state authorities, consistent with 45 CFR § 164.502(j)(1). To the extent that Associate discloses Protected Information to a third-party Subcontractor, Associate must obtain, prior to making any such disclosure: (i) reasonable assurances through execution of a written agreement with such third party that such Protected Information will be held confidential as provided pursuant to this Addendum and only disclosed as required by law or for the purposes for which it was disclosed to such third party; and that such third party will notify Associate within two (2) business days of any breaches of confidentiality of the Protected Information, to the extent it has obtained knowledge of such breach. Additional provisions, if any, governing permitted disclosures of Protected Information are set forth in **Attachment B.2**.
- c. Appropriate Safeguards. Associate shall implement appropriate safeguards as are necessary to prevent the use or disclosure of Protected Information other than as permitted by this Contract. Associate shall comply with the requirements of the HIPAA Security Rule at 45 CFR §§164.308, 164.310, 164.312, and 164.316. Associate shall maintain a comprehensive written information privacy and security program that includes administrative, technical and physical safeguards appropriate to the size and complexity of the Associate's operations and the nature and scope of its activities. Associate shall review, modify, and update the documentation of, its safeguards as needed to ensure continued provision of reasonable and appropriate protection of Protected Information.
- d. Reporting of Improper Use or Disclosure. Associate shall report to CE in writing any use or disclosure of Protected Information other than as provided for by this Contract within five (5) business days of becoming aware of such use or disclosure.

- e. Associate's Rights. If Associate uses one or more Subcontractors or agents to provide services under the Contract, and such Subcontractors or agents receive or have access to Protected Information, each Subcontractor or agent shall sign an agreement with Associate containing the same provisions as this Addendum and further identifying CE as a third-party beneficiary with rights of enforcement and indemnification from such Subcontractors or agents in the event of any violation of such Subcontractor or agent agreement. The agreement between Associate and the Subcontractor or agent shall ensure that the Subcontractor or agent agrees to at least the same restrictions and conditions that apply to Associate with respect to such Protected Information. Associate shall implement and maintain sanctions against agents and Subcontractors that violate such restrictions and conditions and shall mitigate the effects of any such violation.
- f. Access to Protected Information. If Associate maintains Protected Information contained within CE's Designated Record Set, Associate shall make Protected Information maintained by Associate or its agents or Subcontractors in such Designated Record Sets available to CE for inspection and copying within ten (10) business days of a request by CE to enable CE to fulfill its obligations to permit individual access to PHI under the HIPAA Rules, including, but not limited to, 45 CFR §164.524. If such Protected Information is maintained by Associate in an electronic form or format, Associate must make such Protected Information available to CE in a mutually agreed upon electronic form or format.
- g. Amendment of PHI. If Associate maintains Protected Information contained within CE's Designated Record Set, Associate or its agents or Subcontractors shall make such Protected Information available to CE for amendment within ten (10) business days of receipt of a request from CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, and shall incorporate any such amendment to enable CE to fulfill its obligations with respect to requests by individuals to amend their PHI under the HIPAA Rules, including, but not limited to, 45 CFR §164.526. If any individual requests an amendment of Protected Information directly from Associate or its agents or Subcontractors, Associate must notify CE in writing within five (5) business days of receipt of the request. Any denial of amendment of Protected Information maintained by Associate or its agents or Subcontractors shall be the responsibility of CE.
- h. Accounting Rights. If Associate maintains Protected Information contained within CE's Designated Record Set, Associate and its agents or Subcontractors shall make available to CE within ten (10) business days of notice by CE, the information required to provide an accounting of disclosures to enable CE to fulfill its obligations under the HIPAA Rules, including, but not limited to, 45 CFR §164.528. In the event that the request for an accounting is delivered directly to Associate or its agents or Subcontractors, Associate shall within five (5) business days of the receipt of the request forward it to CE in writing. It shall be CE's responsibility to prepare and deliver any such accounting requested. Associate shall not disclose any Protected Information except as set forth in Section 2(b) of this Addendum.
- i. Governmental Access to Records. Associate shall keep records and make its internal practices, books, and records relating to the use and disclosure of Protected Information available to the Secretary of the US Department of Health and Human Services (the "Secretary"), in a time and manner designated by the Secretary, for purposes of determining CE's or Associate's compliance with the HIPAA Rules. Associate shall provide to CE a copy of any Protected Information that Associate provides to the Secretary concurrently with

providing such Protected Information to the Secretary when the Secretary is investigating CE. Associate shall cooperate with the Secretary if the Secretary undertakes an investigation or compliance review of Associate's policies, procedures, or practices to determine whether Associate is complying with the HIPAA Rules, and permit access by the Secretary during normal business hours to its facilities, books, records, accounts, and other sources of information, including Protected Information, that are pertinent to ascertaining compliance.

- j.** Minimum Necessary. Associate (and its agents or subcontractors) shall only request, use, and disclose the minimum amount of Protected Information necessary to accomplish the purpose of the request, use, or disclosure, in accordance with the Minimum Necessary requirements of the HIPAA Rules including, but not limited to 45 CFR §§164.502(b) and 164.514(d).
- k.** Data Ownership. Associate acknowledges that Associate has no ownership rights with respect to Protected Information.
- l.** Retention of Protected Information. Except upon termination of the Contract as provided in Section 4(d) of this Addendum, Associate and its Subcontractors or agents shall retain all Protected Information throughout the term of this Contract and shall continue to maintain the information required under Section 2(h) of this Addendum for a period of six (6) years.
- m.** Associate's Insurance. Associate shall maintain insurance to cover loss of PHI data and claims based upon alleged violations of privacy rights through improper use or disclosure of PHI. All such policies shall meet or exceed the minimum insurance requirements of the Contract (e.g. occurrence basis, combined single dollar limits, annual aggregate dollar limits, additional insured status, and notice of cancellation).
- n.** Notice of Privacy Practices. Associate shall be responsible for reviewing CE's Notice of Privacy Practices, available on CE's external website, to determine any requirements applicable to Associate per this Contract.
- o.** Notification of Breach. During the term of this Contract, Associate shall notify CE within two (2) business days of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. Associate shall not initiate notification to affected individuals per the HIPAA Rules without prior notification and approval of CE. Information provided to CE shall include the identification of each individual whose unsecured PHI has been, or is reasonably believed to have been accessed, acquired, or disclosed during the breach. Associate shall take **(i)** prompt corrective action to cure any such deficiencies and **(ii)** any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
- p.** Audits, Inspection, and Enforcement. Within ten (10) business days of a written request by CE, Associate and its agents or subcontractors shall allow CE to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies, and procedures relating to the use or disclosure of Protected Information pursuant to this Addendum for the purpose of determining whether Associate has complied with this Addendum; provided, however, that: **(i)** Associate and CE shall mutually agree in advance upon the scope, timing, and location of such an inspection; and **(ii)** CE shall protect the confidentiality of all confidential and proprietary information of Associate to which CE has access during the

course of such inspection. The fact that CE inspects, or fails to inspect, or has the right to inspect, Associate's facilities, systems, books, records, agreements, policies, and procedures does not relieve Associate of its responsibility to comply with this Addendum, nor does CE's (i) failure to detect or (ii) detection, but failure to notify Associate or require Associate's remediation of any unsatisfactory practices, constitute acceptance of such practice or a waiver of CE's enforcement rights under the Contract.

- q. Safeguards During Transmission. Associate shall be responsible for using appropriate safeguards, including encryption of PHI, to maintain and ensure the confidentiality, integrity, and security of Protected Information transmitted pursuant to the Contract, in accordance with the standards and requirements of the HIPAA Rules.
- r. Restrictions and Confidential Communications. Within ten (10) business days of notice by CE of a restriction upon uses or disclosures or request for confidential communications pursuant to 45 CFR §164.522, Associate will restrict the use or disclosure of an individual's Protected Information. Associate will not respond directly to an individual's requests to restrict the use or disclosure of Protected Information or to send all communication of Protected Information to an alternate address. Associate will refer such requests to the CE so that the CE can coordinate and prepare a timely response to the requesting individual and provide direction to Associate.

### 3. Obligations of CE.

- a. Safeguards During Transmission. CE shall be responsible for using appropriate safeguards, including encryption of PHI, to maintain and ensure the confidentiality, integrity, and security of Protected Information transmitted pursuant to the Contract, in accordance with the standards and requirements of the HIPAA Rules.
- b. Notice of Changes. CE maintains a copy of its Notice of Privacy Practices on its website. CE shall provide Associate with any changes in, or revocation of, permission to use or disclose Protected Information, to the extent that it may affect Associate's permitted or required uses or disclosures. To the extent that it may affect Associate's permitted use or disclosure of PHI, CE shall notify Associate of any restriction on the use or disclosure of Protected Information that CE has agreed to in accordance with 45 CFR §164.522.

### 4. Termination.

- a. Material Breach. In addition to any other provisions on the Contract regarding breach, a breach by Associate of any provision of this Addendum, as determined by CE, shall constitute a material breach of this Contract and shall provide grounds for immediate termination of this Contract by CE pursuant to the provisions of the Contract covering termination for cause, if any. If the Contract contains no express provisions regarding termination for cause, the following terms and conditions shall apply:

- (1) Default. If Associate refuses or fails to timely perform any of the provisions of this Contract, CE may notify Associate in writing of the non-performance, and if not promptly corrected within the time specified, CE may terminate this Contract. Associate shall continue performance of this Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services elsewhere.

- (2) Associate's Duties. Notwithstanding termination of this Contract, and subject to any directions from CE, Associate shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Associate in which CE has an interest.
  - (3) Compensation. Payment for completed supplies delivered and accepted by CE shall be at the Contract Price. In the event of a material breach under paragraph 4a, CE may withhold amounts due Associate as CE deems necessary to protect CE against loss from third-party claims of improper use or disclosure and to reimburse CE for the excess costs incurred in procuring similar goods and services elsewhere.
  - (4) Erroneous Termination for Default. If after such termination it is determined, for any reason, that Associate was not in default, or that Associate's action/inaction was excusable, such termination shall be treated as a termination for convenience, and the rights and obligations of the parties shall be the same as if this Contract had been terminated for convenience, as described in this Contract.
- b. Reasonable Steps to Cure Breach. If CE knows of a pattern of activity or practice of Associate that constitutes a material breach or violation of the Associate's obligations under the provisions of this Addendum or another arrangement and does not terminate this Contract pursuant to Section 4(a), then CE shall take reasonable steps to cure such breach or end such violation. If CE's efforts to cure such breach or end such violation are unsuccessful, CE shall either (i) terminate the Contract, if feasible or (ii) if termination of this Contract is not feasible, CE shall report Associate's breach or violation to the Secretary of the Department of Health and Human Services. If Associate knows of a pattern of activity or practice of a Subcontractor or agent, that constitutes a material breach or violation of the Subcontractor's or agent's obligations under the written agreement between Associate and the Subcontractor or agent, Associate shall take reasonable steps to cure such breach or end such violation, if feasible.
- c. Judicial or Administrative Proceedings. Either party may terminate the Contract, effective immediately, if (i) the other party is named as a defendant in a criminal proceeding for a violation of the HIPAA Rules or other security or privacy laws or (ii) a finding or stipulation that the other party has violated any standard or requirement of the HIPAA Rules or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.
- d. Effect of Termination.
- (1) Except as provided in paragraph (2) of this subsection, upon termination of this Contract, for any reason, Associate shall return or destroy all Protected Information that Associate or its agents or Subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If associate elects to destroy the PHI, Associate shall certify in writing to CE that such PHI has been destroyed.
  - (2) If Associate believes that returning or destroying the Protected Information is not feasible, Associate shall promptly provide CE notice of the conditions making return or destruction infeasible. Associate shall continue to extend the protections of Sections 2(a), 2(b), 2(c), 2(d), and 2(e) of this Addendum to such Protected Information, and shall limit further use of such PHI to those purposes that make the

return or destruction of such PHI infeasible.

5. Injunctive Relief. CE shall have the right to injunctive and other equitable and legal relief against Associate or any of its Subcontractors or agents in the event of any use or disclosure of Protected Information in violation of this Contract or applicable law.
6. No Waiver of Immunity. No term or condition of this Contract shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions of the Colorado Governmental Immunity Act, CRS §24-10-101 et seq. or the Federal Tort Claims Act, 28 USC §2671 et seq. as applicable, as now in effect or hereafter amended.
7. Limitation of Liability. Any limitation of Associate's liability in the Contract shall be inapplicable to the terms and conditions of this Addendum.
8. Disclaimer. CE makes no warranty or representation that compliance by Associate with this Contract or the HIPAA Rules will be adequate or satisfactory for Associate's own purposes. Associate is solely responsible for all decisions made by Associate regarding the safeguarding of PHI.
9. Certification. To the extent that CE determines an examination is necessary in order to comply with CE's legal obligations pursuant to the HIPAA Rules relating to certification of its security practices, CE or its authorized agents or contractors may, at CE's expense, examine Associate's facilities, systems, procedures, and records as may be necessary for such agents or contractors to certify to CE the extent to which Associate's security safeguards comply with the HIPAA Rules or this Addendum.
10. Amendment.
  - a. Amendment to Comply with Law. The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of this Addendum may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of the HIPAA Rules and other applicable laws relating to the confidentiality, integrity, availability, and security of PHI. The parties understand and agree that CE must receive satisfactory written assurance from Associate that Associate will adequately safeguard all Protected Information and that it is Associate's responsibility to receive satisfactory written assurances from Associate's Subcontractors and agents. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Addendum embodying written assurances consistent with the standards and requirements of the HIPAA Rules or other applicable laws. CE may terminate this Contract upon thirty (30) days' written notice in the event (i) Associate does not promptly enter into negotiations to amend this Contract when requested by CE pursuant to this Section, or (ii) Associate does not enter into an amendment to this Contract providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of the HIPAA Rules.
  - b. Amendment of Attachment B.2. Attachment B.2 may be modified or amended by mutual agreement of the parties in writing from time to time without formal amendment of this Addendum.
11. Assistance in Litigation or Administrative Proceedings. Associate shall make itself, and any Subcontractors, employees, or agents assisting Associate in the performance of its obligations under the Contract, available to CE, at no cost to CE up to a maximum of thirty (30) hours, to testify as witnesses,

or otherwise, in the event of litigation or administrative proceedings being commenced against CE, its directors, officers, or employees based upon a claimed violation of the HIPAA Rules or other laws relating to security and privacy or PHI, except where Associate or its Subcontractor, employee, or agent is a named adverse party.

- 12. No Third-Party Beneficiaries. Nothing express or implied in this Contract is intended to confer, nor shall anything herein confer, upon any person other than CE, Associate, and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.
- 13. Interpretation and Order of Precedence. The provisions of this Addendum shall prevail over any provisions in the Contract that may conflict or appear inconsistent with any provision in this Addendum. Together, the Contract and this Addendum shall be interpreted as broadly as necessary to implement and comply with the HIPAA Rules. The parties agree that any ambiguity in this Contract shall be resolved in favor of a meaning that complies and is consistent with the HIPAA Rules. This Contract supersedes and replaces any previous separately executed HIPAA addendum between the parties.
- 14. Survival of Certain Contract Terms. Notwithstanding anything herein to the contrary, Associate’s obligations under Section 4(d) (“Effect of Termination”) and Section 12 (“No Third-Party Beneficiaries”) shall survive termination of this Contract and shall be enforceable by CE as provided herein in the event of such failure to perform or comply by the Associate. This Addendum shall remain in effect during the term of the Contract including any extensions.
- 15. Representatives and Notice.
  - a. Representatives. For the purpose of the Contract, the individuals identified elsewhere in this Contract shall be the representatives of the respective parties. If no representatives are identified in the Contract, the individuals listed below are hereby designated as the parties’ respective representatives for purposes of this Contract. Either party may from time to time designate in writing new or substitute representatives.

## **ATTACHMENT B.4 – FEDERAL BUREAU OF INVESTIGATION CRIMINAL JUSTICE INFORMATION SERVICES SECURITY ADDENDUM**

### **Legal Authority for and Purpose and Genesis of the Security Addendum**

Traditionally, law enforcement and other criminal justice agencies have been responsible for the confidentiality of their information. Accordingly, until mid-1999, the Code of Federal Regulations Title 28, Part 20, subpart C, and the National Crime Information Center (NCIC) policy paper approved December 6, 1982, required that the management and exchange of criminal justice information be performed by a criminal justice agency or, in certain circumstances, by a noncriminal justice agency under the management control of a criminal justice agency.

In light of the increasing desire of governmental agencies to contract with private entities to perform administration of criminal justice functions, the FBI sought and obtained approval from the United States Department of Justice (DOJ) to permit such privatization of traditional law enforcement functions under certain controlled circumstances. In the Federal Register of May 10, 1999, the FBI published a Notice of Proposed Rulemaking, announcing as follows:

1. Access to CHRI [Criminal History Record Information] and Related Information, Subject to Appropriate Controls, by a Private Contractor Pursuant to a Specific Agreement with an Authorized Governmental Agency To Perform an Administration of Criminal Justice Function (Privatization). Section 534 of title 28 of the United States Code authorizes the Attorney General to exchange identification, criminal identification, crime, and other records for the official use of authorized officials of the federal government, the states, cities, and penal and other institutions. This statute also provides, however, that such exchanges are subject to cancellation if dissemination is made outside the receiving departments or related agencies. Agencies authorized access to CHRI traditionally have been hesitant to disclose that information, even in furtherance of authorized criminal justice functions, to anyone other than actual agency employees lest such disclosure be viewed as unauthorized. In recent years, however, governmental agencies seeking greater efficiency and economy have become increasingly interested in obtaining support services for the administration of criminal justice from the private sector. With the concurrence of the FBI's Criminal Justice Information Services (CJIS) Advisory Policy Board, the DOJ has concluded that disclosures to private persons and entities providing support services for criminal justice agencies may, when subject to appropriate controls, properly be viewed as permissible disclosures for purposes of compliance with 28 U.S.C. 534.

We are therefore proposing to revise 28 CFR 20.33(a)(7) to provide express authority for such arrangements. The proposed authority is similar to the authority that already exists in 28 CFR 20.21(b)(3) for state and local CHRI systems. Provision of CHRI under this authority would only be permitted pursuant to a specific agreement with an authorized governmental agency for the purpose of providing services for the administration of criminal justice. The agreement would be required to incorporate a security addendum approved by the Director of the FBI (acting for the Attorney General). The security addendum would specifically authorize access to CHRI, limit the use of the information to the specific purposes for which it is being provided, ensure the security and confidentiality of the information consistent with applicable laws and regulations, provide for sanctions, and contain such other provisions as the Director of the FBI (acting for the Attorney General) may require. The security addendum, buttressed by ongoing audit programs of both the FBI and the sponsoring governmental agency, will provide an appropriate balance between the benefits of privatization, protection of individual privacy interests, and preservation of the security of the FBI's CHRI systems.

The FBI will develop a security addendum to be made available to interested governmental agencies. We anticipate that the security addendum will include physical and personnel security constraints historically required by NCIC security practices and other programmatic requirements, together with personal integrity

and electronic security provisions comparable to those in NCIC User Agreements between the FBI and criminal justice agencies, and in existing Management Control Agreements between criminal justice agencies and noncriminal justice governmental entities. The security addendum will make clear that access to CHRI will be limited to those officers and employees of the private contractor or its subcontractor who require the information to properly perform services for the sponsoring governmental agency, and that the service provider may not access, modify, use, or disseminate such information for inconsistent or unauthorized purposes.

Consistent with such intent, Title 28 of the Code of Federal Regulations (C.F.R.) was amended to read:

§ 20.33 Dissemination of criminal history record information.

- a) Criminal history record information contained in the Interstate Identification Index (III) System and the Fingerprint Identification Records System (FIRS) may be made available:
  - 1) To criminal justice agencies for criminal justice purposes, which purposes include the screening of employees or applicants for employment hired by criminal justice agencies.
  - 2) To noncriminal justice governmental agencies performing criminal justice dispatching functions or data processing/information services for criminal justice agencies; and
  - 3) To private contractors pursuant to a specific agreement with an agency identified in paragraphs (a)(1) or (a)(6) of this section and for the purpose of providing services for the administration of criminal justice pursuant to that agreement. The agreement must incorporate a security addendum approved by the Attorney General of the United States, which shall specifically authorize access to criminal history record information, limit the use of the information to the purposes for which it is provided, ensure the security and confidentiality of the information consistent with these regulations, provide for sanctions, and contain such other provisions as the Attorney General may require. The power and authority of the Attorney General hereunder shall be exercised by the FBI Director (or the Director's designee).

This Security Addendum, appended to and incorporated by reference in a government-private sector contract entered into for such purpose, is intended to insure that the benefits of privatization are not attained with any accompanying degradation in the security of the national system of criminal records accessed by the contracting private party. This Security Addendum addresses both concerns for personal integrity and electronic security which have been addressed in previously executed user agreements and management control agreements.

A government agency may privatize functions traditionally performed by criminal justice agencies (or noncriminal justice agencies acting under a management control agreement), subject to the terms of this Security Addendum. If privatized, access by a private contractor's personnel to NCIC data and other CJIS information is restricted to only that necessary to perform the privatized tasks consistent with the government agency's function and the focus of the contract. If privatized the contractor may not access, modify, use or disseminate such data in any manner not expressly authorized by the government agency in consultation with the FBI.

CRIMINAL JUSTICE INFORMATION SERVICES  
SECURITY ADDENDUM**

The goal of this document is to augment the CJIS Security Policy to ensure adequate security is provided for criminal justice systems while (1) under the control or management of a private entity or (2) connectivity to FBI CHS Systems has been provided to a private entity (contractor). Adequate security is defined in Office of Management and Budget Circular A-130 as "security commensurate with the risk and magnitude of harm resulting from the loss, misuse, or unauthorized access to or modification of information."

The intent of this Security Addendum is to require that the Contractor maintain a security program consistent with federal and state laws, regulations, and standards (including the CJIS Security Policy in effect when the contract is executed), as well as with policies and standards established by the Criminal Justice Information Services (CJIS) Advisory Policy Board (APB).

This Security Addendum identifies the duties and responsibilities with respect to the installation and maintenance of adequate internal controls within the contractual relationship so that the security and integrity of the FBI's information resources are not compromised. The security program shall include consideration of personnel security, site security, system security, and data security, and technical security.

The provisions of this Security Addendum apply to all personnel, systems, networks and support facilities supporting and/or acting on behalf of the government agency.

**1. Definitions**

- 1.1.** Contracting Government Agency (CGA) - the government agency, whether a Criminal Justice Agency or a Noncriminal Justice Agency, which enters into an agreement with a private contractor subject to this Security Addendum.
- 1.2.** Contractor - a private business, organization or individual which has entered into an agreement for the administration of criminal justice with a Criminal Justice Agency or a Noncriminal Justice Agency.

**2. Responsibilities of the Contracting Government Agency**

- 2.1.** The CGA will ensure that each Contractor employee receives a copy of the Security Addendum and the CHS Security Policy and executes an acknowledgment of such receipt and the contents of the Security Addendum. The signed acknowledgments shall remain in the possession of the CGA and available for audit purposes. The acknowledgement may be signed by hand or via digital signature (see glossary for definition of digital signature).

**3. Responsibilities of the Contractor**

- 3.1.** The Contractor will maintain a security program consistent with federal and state laws, regulations, and standards (including the CJIS Security Policy in effect when the contract is executed and all subsequent versions), as well as with policies and standards established by the Criminal Justice Information Services (CJIS) Advisory Policy Board (APB).

**4. Security Violations**

- 4.1.** The CGA must report security violations to the CHS Systems Officer (CSO) and the Director, FBI, along with indications of actions taken by the CGA and Contractor.
- 4.2.** Security violations can justify termination of the appended agreement.

- 4.3.** Upon notification, the FBI reserves the right to:
- a.** Investigate or decline to investigate any report of unauthorized use;
  - b.** Suspend or terminate access and services, including telecommunications links. The FBI will provide the CSO with timely written notice of the suspension. Access and services will be reinstated only after satisfactory assurances have been provided to the FBI by the CJA and Contractor. Upon termination, the Contractor's records containing CHRI must be deleted or returned to the CGA.

**5.** Audit

- 5.1.** The FBI is authorized to perform a final audit of the Contractor's systems after termination of the Security Addendum.

**6.** Scope and Authority

- 6.1.** This Security Addendum does not confer, grant, or authorize any rights, privileges, or obligations on any persons other than the Contractor, CGA, CJA (where applicable), CSA, and FBI.

The parties are also subject to applicable federal and state laws and regulations.
- 6.3.** The terms set forth in this document do not constitute the sole understanding by and between the parties hereto; rather they augment the provisions of the CHS Security Policy to provide a minimum basis for the security of the system and contained information and it is understood that there may be terms and conditions of the appended Agreement which impose more stringent requirements upon the Contractor.
- 6.4.** This Security Addendum may only be modified by the FBI, and may not be modified by the parties to the appended Agreement without the consent of the FBI.

**CERTIFICATION**

I hereby certify that I am familiar with the contents of **(1)** the Security Addendum, including its legal authority and purpose; **(2)** the NCIC Operating Manual; **(3)** the CJIS Security Policy; and **(4)** Title 28, Code of Federal Regulations, Part 20, and agree to be bound by their provisions.

I recognize that criminal history record information and related data, by its very nature, is sensitive and has potential for great harm if misused. I acknowledge that access to criminal history record information and related data is therefore limited to the purpose(s) for which a government agency has entered into the contract incorporating this Security Addendum. I understand that misuse of the system by, among other things: accessing it without authorization; accessing it by exceeding authorization; accessing it for an improper purpose; using, disseminating or re-disseminating information received as a result of this contract for a purpose other than that envisioned by the contract, may subject me to administrative and criminal penalties. I understand that accessing the system for an appropriate purpose and then using, disseminating or re-disseminating the information received for another purpose other than execution of the contract also constitutes misuse. I further understand that the occurrence of misuse does not depend upon whether or not I receive additional compensation for such authorized activity. Such exposure for misuse includes, but is not limited to, suspension or loss of employment and prosecution for state and federal crimes.

### Master Lease Agreement

This Master Lease Agreement (“Agreement”) is dated as of this \_\_\_\_\_, 20\_\_\_\_, and is by and between Kyocera Document Solutions America, Inc., 1111 Old Eagle School Road, Wayne, Pennsylvania 19087 (“Lessor”) (and as supplier and manufacturer the “Supplier”) and the Lessee identified above (“Lessee”). The words “you” and “your” refer to the “Lessee” and the words “we”, “us” and “our” refer to the Lessor. Please read your copy of this Agreement carefully and feel free to ask us any questions you may have about it. Assignee is the Third Party leasing company billing and collecting in the name of the Lessor (“Assignee”) to which payments are assigned.

**1. LEASE:** This Agreement establishes the general terms and conditions under which we may from time to time lease Equipment (as hereinafter defined) to you. The terms of this Agreement shall be deemed to form a part of each Schedule (the form of which is attached hereto as Exhibit A) executed by you and us which references this Agreement. “Equipment” shall mean all items of equipment described in any Schedule. You may issue Purchase Orders that incorporate by reference this Master Lease Agreement and if so incorporated by reference, each such Purchase Order will constitute a Schedule for the purposes of this Master Lease Agreement. Each Schedule shall constitute a separate Lease Agreement (“Lease”) incorporating all of the terms of this Agreement. In the event of a conflict between the provisions of the Lease and the provisions of this Agreement, the provisions of the Lease shall prevail, providing they do not conflict with the language in the NASPO ValuePoint Master Agreement in which case, the NASPO ValuePoint Master Agreement language shall prevail.

**2. TERM AND RENT:** This Agreement shall become effective upon acceptance and execution by us and shall remain effective at least until the expiration of the last Lease term under any Schedule. Each Lease is effective on the date that it is accepted and signed by us, and the term of each Lease begins on that date or any later date that we designate (the “Commencement Date”) and continues thereafter for the number of months indicated on the Lease. Lease Payments will be due as invoiced by us until the balance of the Lease Payments and any additional Lease Payments or mutually agreed upon expenses chargeable to you under the Lease are paid in full. Your obligation to pay the Lease Payments and other Lease obligations are absolute and unconditional and are not subject to cancellation, reduction, setoff or counterclaim. All payments will be made to us at the above address we indicate in writing. **THIS AGREEMENT AND ALL LEASES ARE NON-CANCELABLE** except as specified under the NASPO ValuePoint Master Agreement Terms and Conditions Non-appropriations of Funds Section 4.5.7(f) and Section 4.5.7(h)(i). The amount of each Lease Payment is based on the supplier’s best estimate of the Equipment cost including (if applicable), any installation, other related costs and estimated sales or use tax, and per the pricing in the NASPO ValuePoint Master Agreement.

**3. LATE CHARGES/DOCUMENTATION FEES:** If a Lease Payment is not made within 15 days of the due date, you will pay us, a late charge of 1% of the payment.

**4. DELIVERY AND ACCEPTANCE:** The costs of delivery and installation of the Equipment are included in the cost of the Equipment. If requested, you will sign a separate Equipment delivery and acceptance certificate.

**5. SELECTION OF EQUIPMENT/DISCLAIMER OF WARRANTIES:** You have selected the Equipment and the Supplier. Assignee is not the Supplier of the Equipment and we or our Assignee are leasing the Equipment to you “AS-IS” under this Agreement. We or our Assignee MAKE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE under this Lease. We and our Assignee transfer to you for the term of a Lease all warranties, if any, made by the Supplier. YOU ALSO ACKNOWLEDGE THAT NO ONE IS AUTHORIZED TO WAIVE OR CHANGE ANY TERM, PROVISION OR CONDITION OF THIS AGREEMENT OR ANY LEASE AND EXCEPT FOR THE SUPPLIER WARRANTIES, MAKE ANY REPRESENTATION OR WARRANTY ABOUT A LEASE OR THE EQUIPMENT. WE SHALL NOT BE LIABLE FOR ANY DELAYS IN MAKING DELIVERIES OR REPAIRS NOR IN ANY EVENT FOR SPECIAL, RESULTING OR CONSEQUENTIAL DAMAGES OR LOSS OF PROFIT OCCASIONED BY ANY BREACH OF WARRANTY OR REPRESENTATION OR RESULTING FROM THE USE OR PERFORMANCE OF THE EQUIPMENT. YOUR OBLIGATION TO PAY IN FULL ANY AMOUNT DUE UNDER A LEASE WILL NOT BE AFFECTED BY ANY DISPUTE, CLAIM, COUNTERCLAIM, DEFENSE OR OTHER RIGHT WHICH YOU MAY HAVE OR ASSERT AGAINST THE SUPPLIER.

**6. TITLE, PERSONAL PROPERTY, and LOCATION AND INSPECTION:** Unless you have a \$1.00 purchase

option, we will have title to the Equipment. If you have a \$1.00 purchase option and/or the Lease is deemed to be a security agreement, you grant us a security interest in the Equipment and all proceeds thereof. You have the right to use the Equipment for the full Lease term provided you comply with the terms and conditions of the Lease. Although the Equipment may become attached to real estate, it remains personal property and you agree not to permit a lien to be placed upon the Equipment or to remove the Equipment without our prior written consent. If we feel it is necessary, you agree to provide us with waivers of interest or liens, from anyone claiming any interest in the real estate on which any item of Equipment is located. We also have the right, at reasonable times, to inspect the Equipment.

**7. USE, MAINTENANCE AND REPAIR:** You are required, at your own cost and expense, to keep the Equipment in good repair, condition and working order, except for ordinary wear and tear, and you will supply all parts and servicing required. All replacement parts used or installed and repairs made to the Equipment will become our property. You may, with our prior written consent, make modifications to the Equipment; provided such modifications do not reduce the value or usefulness of the Equipment or result in the loss of any warranty or any certification necessary for the maintenance of the Equipment and such modifications must be easily removable without causing damage to the Equipment. Before returning the Equipment, you agree to remove such modifications and restore the Equipment to its original condition. If you fail to remove such modifications, we are deemed the owner of such modifications. **IN THE EVENT THE LEASE PAYMENTS INCLUDE THE COST OF MAINTENANCE AND/OR SERVICE BEING PROVIDED BY THE SUPPLIER YOU ACKNOWLEDGE THAT OUR ASSIGNEE IS NOT RESPONSIBLE FOR PROVIDING ANY REQUIRED MAINTENANCE AND/OR SERVICE FOR THE EQUIPMENT. YOU WILL MAKE ALL CLAIMS FOR SERVICE AND/OR MAINTENANCE SOLELY TO THE SUPPLIER AND SUCH CLAIMS WILL NOT AFFECT YOUR OBLIGATION TO MAKE ALL REQUIRED LEASE PAYMENTS.**

**8. ASSIGNMENT:** YOU AGREE NOT TO TRANSFER, SELL, SUBLEASE, ASSIGN, PLEDGE OR ENCUMBER EITHER THE EQUIPMENT OR ANY RIGHTS UNDER THIS AGREEMENT AND ANY LEASE WITHOUT OUR PRIOR WRITTEN CONSENT (WHICH CONSENT SHALL NOT BE UNREASONABLY WITHHELD). You agree that we may not sell, assign or transfer any Lease without notice to you, and if we do, the new owner or assignee will have the same rights and benefits that we now have but will not have to perform any of our obligations and that the rights of the new owner or assignee will not be subject to any claims, defenses, or set-offs that you may have against us. Any such assignment, sale or transfer of a Lease or the Equipment will not relieve us of our obligations to you under the Lease.

**9. REDELIVERY AND RENEWAL:** Upon at least sixty (60) days but not more than ninety (90) days prior to the expiration of the Lease term, we shall advise you of the end of the Lease term options available to you in writing (email will be sufficient for a writing). Provided you have given thirty (30) days written notice, you shall exercise your option to i) purchase the Equipment, ii) renew the Lease on a month to month basis, or iii) return (or make available) the Equipment to us in good repair, condition and working order, ordinary wear and tear excepted. If you fail to notify us, you will immediately make the Equipment available to us, in as good repair, condition and working order, ordinary wear and tear excepted.

**10. LOSS OR DAMAGE:** You are responsible for the risk of loss or destruction of, or damage to the Equipment while the Equipment is in your possession. No such loss or damage relieves you from any obligation under a Lease. You agree to promptly notify us in writing of any loss or destruction or damage to the Equipment and you will, at our option, (a) repair the Equipment to good condition and working order, (b) replace the Equipment with like Equipment in good repair, condition and working order, acceptable to us, and transfer clear title to such replacement Equipment to us, such Equipment shall be subject to the Lease and be deemed the Equipment, or (c) pay to us the present value of the total of all unpaid Lease Payments for the full Lease term, plus the estimated fair market value of the Equipment at the end of the originally scheduled Lease term or any End of Lease Option price stated on the Lease ("Residual"), with the accelerated Lease Payments and the Residual discounted at the lesser of (a) a per annum interest rate equivalent to that of a U.S. Treasury constant maturity obligation (as reported by the U.S. Treasury Department) that would have a repayment term equal to the remaining Lease term, all as reasonably determined by us, or (b) 3% per annum (the "Present Value Rate"), whereupon the Lease shall terminate. All proceeds of insurance received by us as a result of such loss or damage will be applied, where applicable, toward the replacement or repair of the Equipment or the payment of your obligations.

**11. LIABILITY DISCLAIMER:** We are not responsible for any losses or injuries caused by the installation or use of the Equipment.

**12. TAXES:** You agree to pay all license and registration fees, sale and use taxes and all other taxes and charges, relating to the ownership, leasing, rental, sale, purchase, possession or use of the Equipment, unless a valid tax exempt certificate can be provided and is in full force and effect.

**13. RESERVED.**

**14. DEFAULT:** You are in default of this Agreement and any Lease if any of the following occurs: a) you fail to pay any Lease Payment or other sum within forty-five (45) days of when due; b) you breach any representation warranty or other obligation under this Agreement and this failure continues for forty-five (45) days after we notify you of default; c) any guarantor dies, stops doing business as a going concern or transfers all or substantially all of such guarantor's assets, make an assignment for the benefit of creditors and/or you become insolvent or unable to pay your debts when due; you stop doing business as a going concern; you merge, consolidate, transfer all or substantially all of your assets; you make an assignment for the benefit of creditors or you undergo a substantial deterioration in your financial condition; or d) you, voluntarily file or have filed against you involuntarily, a petition for liquidation, reorganization, adjustment of debt or similar relief under the Federal Bankruptcy Code or any other present or future federal or state bankruptcy or insolvency law, or a trustee, receiver or liquidator is appointed for you or it or a substantial part of your or its assets.

**15. REMEDIES:** We have the following remedies if a default should occur: a) Upon written notice, declare the entire balance of the unpaid Lease Payments for the full term immediately due and payable and you agree to compensate us, not as a penalty, by paying, the sum of: (i) all past due and current Lease Payments (or other periodic payments) and charges due under this Agreement and the applicable Schedule; (ii) the present value of all remaining Lease Payments (or other periodic payments) and charges for the remainder of the term of such Lease, discounted at the rate of four percent (4%) per annum; and (iii) the present value (at the same discount rate as specified in clause (ii) above) of the amount of any purchase option with respect to the Equipment or, if none is specified, our anticipated value of the Equipment at the end of the initial term of such Lease (or any renewal thereof); and with respect to any software) immediately terminate your right to use the software including the disabling (on-site or by remote communication) of any software; (ii) demand the immediate return and obtain possession of the software and re-license the software at a public or private sale; and/or (iii) cause the software supplier to terminate the software license, support and other services under the software license); b) Charge you overdue account charges up to a maximum rate of one percent (1%) per month from the date of default until paid; and c) Require that you return the Equipment to us and in the event you fail to return the Equipment, enter upon the premises peaceably with or without legal process where the Equipment is located and repossess the Equipment. Such return or repossession of the Equipment will not constitute a termination of a Lease unless we expressly notify you in writing. In the event the Equipment is returned or repossessed by us and unless we have terminated the Lease, we will sell or re-rent the Equipment to any persons with any terms we determine, at one or more public or private sales, with or without notice to you, and apply the net proceeds after deducting the costs and expenses of such sale or re-rent, to your obligations with you remaining liable for any deficiency and with any excess being retained by us. The credit for any sums to be received by us from any such rental shall be discounted to the date of the agreement at six percent (6%) per year. You agree that any delay or failure to enforce our rights under this Agreement or any Lease does not prevent us from enforcing any rights at a later time.

**16. PURCHASE OPTION:** Upon expiration of the Lease term, provided you are not in default, you shall have the option to purchase all but not less than all of the Equipment on the terms as indicated in the End of Lease Options checked off on the Lease. We will use our reasonable judgment to determine the Equipment's fair market value for all FMV purchase options which shall be based on the Equipment remaining in place. Should you decide to return the Equipment at end of the contracted term, you will be provided return instructions and the Equipment will be returned to us at no expense to you.

**17. RESERVED.**

**18. WARRANTY OF BUSINESS PURPOSE:** You warrant and represent that the Equipment will be used for business purposes, and not for personal, family or household purposes.

**19. UCC FILINGS AND FINANCIAL STATEMENTS:** You authorize us to file a financing statement with respect to the Equipment signed by us where permitted by the Uniform Commercial Code ("UCC") and grant us the right to sign such financing statement on your behalf. The filing of a financing statement is not to be construed as evidence that any security interest was intended to be created, but only to give public notice of our ownership of the Equipment. If a Lease is deemed at any time to be one intended as security then you grant us a security interest in the Equipment and the proceeds from the sale, rent or other disposition of the Equipment. If we feel it is necessary, you agree to submit financial statements (audited if available) on a quarterly basis.

**20. NOTICE:** Written notices will be deemed to have been given when delivered personally, via e-mail or deposited in the United States mail, postage prepaid, addressed to the recipient at its address above or at any other address subsequently provided in writing.

**21. UCC — ARTICLE 2A PROVISIONS:** You agree that each Lease is a Finance Lease as that term is defined in Article 2A of the UCC. You acknowledge that we have given you the name of the Supplier of the Equipment. We hereby notify you that you may have rights under the contract with the Supplier and you may contact the Supplier for a description of any rights or warranties that you may have under this supply contract. You also waive any and all rights and remedies granted

you under Sections 2A-508 through 2A-522 of the UCC including, but not limited to: the right to repudiate the Lease and reject the Equipment; the right to cancel the Lease; the right to revoke acceptance of the Lease; the right to grant a security interest in the Equipment in your possession and control for any reason; or the right to recover damages for any breach of warranty.

**22. CHOICE OF LAW:** This Agreement and each Lease was made in the State of Colorado (by us having countersigned them in Wayne, Pennsylvania); and they are to be performed in the State of Colorado by reason of the Lease Payments you are required to pay us in Pennsylvania. This Agreement and each Lease shall in all respects be interpreted and all transactions subject to this Agreement and each Lease and all rights and liabilities of the parties under this Agreement and each Lease shall be determined and governed as to their validity, interpretation, enforcement and effect by the laws of the state of Colorado. You consent to and agree that non-exclusive jurisdiction, personal or otherwise, over you and the Equipment shall be with the State or Federal Courts in the State of Colorado with respect to any provision of this Agreement or any Lease. **YOU ALSO IRREVOCABLY WAIVE YOUR RIGHT TO A TRIAL BY JURY.**

**23. SEVERABILITY; WAIVERS:** No agreements or understandings are binding on the parties unless set forth in writing and signed by the parties. Any provision of this Agreement and each Lease which for any reason may be held unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective without invalidating the remaining provisions of this Agreement and each Lease.

**24. FACSIMILE DOCUMENTATION:** You agree, upon our request, to submit the original of this Agreement and any schedules to the Lessor via a courier method of your choice within 3 business days of the facsimile or other electronic transmission of the signed Agreement and such schedules. Both parties agree that this Agreement and any schedules signed by you, whether manually or electronically, and submitted to us by facsimile or other electronic transmission shall, upon execution by us (manually or electronically, as applicable), be binding upon the parties. This lease may be executed in counterparts and any facsimile, photographic and/or other electronic transmission of this lease which has been manually or electronically signed by you when manually or electronically countersigned by us or attached to our original signature counterpart and/or in our possession shall constitute the sole original chattel paper as defined in the UCC for all purposes (including any enforcement action under paragraph 22) and will be admissible as legal evidence thereof. Both parties waive the right to challenge in court the authenticity of a faxed, photographic, or other electronically transmitted or electronically signed copy of this Agreement and any schedule.

**25. NON-APPROPRIATION:** (Applicable only if the Lessee is subject to governmental appropriation in respect of funds to be used to pay Lease Payments). You are obligated only to pay such Lease Payments under any Schedule to this Agreement as may lawfully be made from funds budgeted and appropriated for that purpose during your then current fiscal year. In the event you have requested and sufficient funds shall not be appropriated or are not otherwise legally available to pay the Lease Payments required to be paid in the next fiscal year, the Schedule shall be deemed to be terminated at the end of the current fiscal year. You agree to deliver written notice to us of such termination as soon as you become aware that funds for such lease will not be appropriated for the following fiscal year. If a Schedule is terminated in accordance with this Section, you agree, at our cost and expense, to peaceably deliver the Equipment to us at the location or locations specified by us.

WE or our Assignee MAKE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. We and our Assignee transfer to you any Supplier warranties. You are required at your cost to keep the Equipment in good working condition and to pay for all supplies and repairs. **The Lease Payments set forth above do not include the cost of maintenance, service, and/or supplies ("Service"), unless indicated in the above "Payment Information" box. Notwithstanding anything to the contrary, however, you agree that the Assignee is not responsible for providing such Service for the Equipment and you will make all claims related to Service to the Supplier. No one may alter the terms of this Lease or make any promises or arrangements that alter our rights or your obligations under this Lease. You agree that you are expressly assuming any risks arising from such Supplier's inability to deliver such Service, under any circumstance, including, without limitation, such Supplier's financial condition or its inability to repair or service the Equipment.** You agree that any claims related to Service will not impact your obligation to pay all Lease payments when due.

**5. Assignment:** You agree not to transfer, sell, sublease, assign, pledge or encumber either the Equipment or any rights under this Lease without our prior written consent (which consent shall not be unreasonably withheld). You agree that we may not sell, assign, or transfer the Lease without notice to you, and if we do, the new owner will have the same rights and benefits we now have and will not have to perform any of our obligations and the rights of the new owner will not be subject to any claims, defenses, or setoffs that you may have against us or any supplier.

**6. Risk of Loss** You are responsible for providing protection of the Equipment from damage, destruction or loss of any kind while the Equipment is in your possession. If the Equipment is damaged, destroyed or lost, you agree to continue to pay the amounts due and to become due hereunder without setoff or defense. We are not responsible for any losses or injuries caused by installation or use of the Equipment by or through Customer.

**7. Taxes:** You agree to pay when due all taxes (including, without limit, sales and use) and charges in connection with ownership, lease and use of the Equipment unless a valid tax exempt certificate can be provided and is in full force and effect; provided, however, that if this Lease is a true lease, we shall be responsible for personal property tax at our own expense.

**8. Default and Remedies:** You are in default on this Lease if: a) you fail to pay a Lease payment or any other amount within forty-five (45) days of when due; or b) you breach any other obligation under the Lease and this

failure continues for forty-five (45) days after we notify you of default. If you are in default on the Lease we may: (i) declare the entire balance of unpaid Lease payments for the full Lease term immediately due and payable to us and you agree to compensate us, not as a penalty, by paying, the sum of: (i) all past due and current Lease Payments (or other periodic payments) and charges due under this Agreement and any Schedule; (ii) the present value of all remaining Lease Payments (or other periodic payments) and charges for the remainder of the term of such Lease, discounted at the rate of four percent (4%) per annum; and (iii) the present value (at the same discount rate as specified in clause (ii) above) of the amount of any purchase option with respect to the Equipment or, if none is specified, our anticipated value of the Equipment at the end of the initial term of such Lease (or any renewal thereof); and with respect to any software) immediately terminate your right to use the software including the disabling (on-site or by remote communication) of any software; (ii) demand the immediate return and obtain possession of the software and re-license the software at a public or private sale; and/or (iii) cause the software supplier to terminate the software license, support and other services under the software license); (iv) charge you overdue account charges up to the maximum rate of one percent (1%) per month from the date of default until paid; and (v) require that you immediately return the Equipment to us or we may peaceably repossess it. Any return or repossession will not be considered a termination or cancellation of the Lease. If the Equipment is returned or repossessed we will sell or re-rent the Equipment at terms we determine, at one or more public or private sales, with or without notice to you, and apply the net proceeds (after deducting any related expenses) to your obligations. You remain liable for any deficiency with any excess being retained by us. You agree that 10 days' notice of sale will constitute reasonable notice.

**9. End of Lease, Return, Purchase Option, and Renewal:** Upon at least 60 days but not more than 90 days prior to the expiration of the initial lease term (or any renewal term), WE shall advise you of the end of the Lease term options available to you in writing (email will be sufficient for writing). Provided you have given thirty (30) days written notice, you shall exercise your option to i) purchase the Equipment, ii) renew the Lease on a month to month basis, or iii) return (or make available) the Equipment to us in good repair, condition and working order, ordinary wear and tear excepted. If you fail to notify us, you will immediately make the Equipment available to us, in good repair, condition and working order, ordinary wear and tear excepted. At our option, we may require a manual signature. We may inspect the Equipment during the Lease term. We shall not be liable to you for indirect, special, or consequential damages. No failure to act shall be deemed a waiver of any rights hereunder.

If YOU fail to remove such modifications, WE are deemed the owner of such modifications. ## Maintenance Agreement Terms and Conditions

1. Kyocera Document Solutions America, Inc. or an Authorized Kyocera Dealer (both referred to herein as "KDA") will provide full maintenance service for the copiers, printers, multi-functional machines and related accessories (referred to as "Products") described on the front of this Agreement. KDA will provide preventative maintenance calls in conjunction with regular or emergency service calls for the Products.
2. On a monthly Billing Plan the Customer is billed each month with a Minimum Charge and an Excess Copy Charge based upon the number of copies made on the Products. Unless specifically stated on the front of this Agreement, paper and staples, are excluded.
3. Some Products may be connected to an automatic meter reading device which will report the number of copies made each year on an Annual Billing Plan or each month on a Monthly Billing Plan and upon which invoices will be based. If an automatic meter reading device is not installed or fails to report properly, Customer shall provide KDA by telephone with the actual meter reading on the last business day of each one-year period on an Annual Billing Plan or each calendar month on a Monthly Billing Plan. KDA may estimate the number of copies used if such reading is not received by KDA. The estimated Copy Charge shall be adjusted upon receipt of actual meter reading.
4. If toner and toner disposal tanks are elected to be included in the service provided under the Agreement, KDA will provide KDA brand toner and toner disposal tanks to the customer, based upon normal yield. If Customer's usage of supplies exceeds the normal yields for the copier being serviced by more than 15%, KDA will invoice and Customer agree to pay, for the excess supplies at KDA's Master Agreement pricing. Any toner in storage at the Customer location is the property of KDA and KDA's representative may take an inventory periodically during normal business hours, at KDA's discretion.
5. Service calls under this Agreement will be made by KDA during KDA's normal business hours. Customer must provide adequate space for operation and maintenance of the Products and reasonable storage space for supplies to be used with the Products. Customer agrees to provide for the Products adequate electricity (including if necessary a dedicated 220v/20 amp wall outlet of 110v/15 amp or 20 amp wall outlet based on electrical wiring specification of Products), non-dedicated analog telephone line for an automatic meter reading device (with proper connection such as RJ-11 telephone connector) within seven feet of copier. The telephone line must not have any special features, such as "call waiting" and must be capable of making an outside long distance call.
6. During the term of this Agreement, KDA will provide without charge, replacement parts for parts which have been worn or broken through normal use. All other parts furnished will be billed to Customer at KDA's published parts prices in effect at the time such parts are sold.
7. If any Product is moved to a location which is significantly further from KDA servicing location than the original location, KDA may elect to discontinue the service and refund the Maintenance Agreement price, or service the Equipment based on the Service Zone requirements, as outlined in the Master Agreement.
8. This Agreement will not apply to service made necessary by accident, misuse, abuse, neglect, theft, riot, vandalism, electrical power failure, power surges, low or high voltage in the electrical line, fire, water or other casualty, or to repair made necessary as a result of either service by personnel other than KDA personnel or the used of supplies or parts not meeting KDA's published specifications. KDA will charge customer for repairs and parts, due to the foregoing, at the prices per the Master Agreement, when such service work is performed.
9. This Agreement covers only the Products listed on the front of this Agreement and does not include any Products, equipment or accessories not listed.
10. This Agreement may not be assigned by the Customer.
11. This Agreement does not include applicable taxes. All taxes levied or imposed, now or hereafter, by any government authority shall be timely paid by the Customer.
12. If Customer defaults in any payments under this Agreement, then KDA shall be entitled to 1% per month on the unpaid balance.
13. This Agreement shall be deemed to accurately represent the intent of the parties, notwithstanding any variance with the terms and conditions of any order submitted by the Customer in respect to KDA's service, or any oral representative made by any KDA representative.
14. This Agreement shall remain in full force and effect for successive Coverage Periods, but may be terminated at any time after the initial Coverage Period by either party on thirty (30) days prior written notice to the other party. The Maintenance Agreement price for the new period may be increased to reflect the age of the equipment or increased costs to KDA, but at no time shall exceed Master Agreement pricing. Customer's obligation to pay all charges which have accrued shall survive any termination of this Agreement. KDA reserves the right not to renew this Agreement for specific Products if in KDA's sole discretion it believes a Product service overhaul is required.
