the payment of interest on any debt or claim arising out of or related to this contract for any reason. (d) Amounts due to the State shall bear interest at the rate of interest established by the South Carolina Comptroller General pursuant to Section 11-35-45 (“an amount not to exceed fifteen percent each year”), as amended. (e) Any other basis for interest, including but not limited to general (pre- and post-judgment) or specific interest statutes, including S.C. Code Ann. 18. Statewide Term Contract – Contract Limitations: No sales may be made pursuant to this contract for any item or service that is not expressly included in the Scope. No sales may be made pursuant to this contract after expiration of this contract. Violation of this provision may result in termination of this contract and may subject contractor to suspension or debarment.
19. Relationship Of Using Governmental Units: Each Using Governmental Unit’s obligations and liabilities are independent of every other Using Governmental Unit’s obligations and liabilities. No Using Governmental Unit shall be responsible for any other Using Governmental Unit’s act or failure to act.

to benefit from increased efficiencies in the acquisition process. In order to maintain and enhance the quality and quantity of its State term contracts, each participating public procurement unit will be assessed an administrative fee. Accordingly, a public procurement unit (as defined in S.C. Code Ann. § 11-35-4610(5)), by participating in this contract, owes (PS) an administrative services fee ("fee"). Participating public procurement units shall pay the fee to contractor as a part of the contract price as detailed below. Contractor is responsible both for collecting the fee at the time of billing and for remitting the fee to PS. The fee to be collected by the contractor constitutes a debt by the contractor to PS. Contractor shall factor the fee into its contract pricing and shall not separately itemize or invoice for the fee.

For each reporting period, Contractor shall pay to PS a fee equal to one (1%) percent on all base rental charges and the following optional products: GPS Units, satellite radio service, toll devise, Personal Affects Insurance (PAI), Personal Effects Coverage (PEC), and any charges for additional roadside assistances purchased by the Traveler, but specifically excluding taxes, facility charges and concession recovery and other pass-through fees and charges of catalog purchases made by any public procurement unit from Contractor pursuant to this contract.

(a) As used in this clause, the term "reporting period" means each full calendar quarter (Jan. -- Mar., Apr. -- Jun., Jul. -- Sep., and Oct. -- Dec.) and any remaining periods less than a full calendar quarter during the term of this contract. For each reporting period, contractor shall report to PS its total sales pursuant to this contract for the period and shall remit the fee to the PS Reports Manager. Payment for each reporting period is due no later than 60 days following the end of the reporting period. If the amount due for a reporting period is less than \$10.00, no payment is required. The procurement officer will provide contractor an information packet, including a detailed explanation of reporting and payment requirements, within fifteen (15) calendar days following contract award. You may contact the Reports Manager at:

Procurement Services Division
Attn: Reports Manager
1201 Main Street, Suite 600
Columbia, SC 29201
Phone: (803) 737-0600 (ask to speak to the Reports Manager)

(b) Contractor shall submit a usage report for each reporting period, even if no payment is due for the reporting period no later than 60 days following the end of the reporting period. The usage report shall include any information requested by PS to verify the amount due. At a minimum, each usage report shall reflect the following information for the applicable reporting period: contractor's name, contract number, contract description, reporting period/quarter, total dollar value of sales (excluding sales taxes and showing any

adjustments for credits or refunds), total number of units (if practicable), and the number, date, and amount of contractor's check to PS. Unless otherwise specified by the reports manager, the usage report shall be submitted electronically according to instructions in the information packet. If the reports manager requires the contractor to provide a more detailed usage report, the reports manager will work directly with the contractor to determine the appropriate content and format of the report.

(c) PS or its internal authorized representatives (PS' authorized representatives may not be external third party auditors) shall be afforded access to contractor's records (including, without limitation, bank statements, deposits, checks; invoices; correspondence; ledgers; receipts; transmittals) in order to audit all transactions involving goods sold, work performed, or fees due pursuant to this contract, consistent with paragraph 24 of the Master Agreement, no more than once per twelve (12) consecutive months during the term of this Participating Addendum. No audit shall cover or seek information concerning any time prior to twelve (12) months before the institution of such audit by PS or Participating Entity. PS agrees not to disclose any material discovered or produced during the audit that the Contractor reasonably designates as proprietary or confidential. If the audit indicates that Contractor has materially underpaid PS, then Contractor shall remit the balance found to be due (including any amounts assessed pursuant to subparagraph (d)).

(d) Payments of the fee which are due and unpaid by the Contractor (including amounts disclosed by audit) shall bear simple interest from the date due until paid unless paid within 30 calendar days of becoming due. The interest rate shall be the lowest prime rate (as published in The Wall Street Journal).

(e) If the Contractor fails to (i) timely submit accurate usage reports; (ii) remit to PS the fee when due; or (iii) promptly and fully cooperate with an audit request, the State may, without prejudice to any other remedy available to the State, take any one or more of the following actions:

- (1) order the Contractor to not accept any further orders under the contract until the cause for such order has been eliminated;
- (2) terminate this contract;
- (3) order the contractor to not accept any further orders under any other statewide term contract;
- (4) terminate the contractor's award of any other statewide term contract.

(f) For purposes of this clause, PS is intended as a third-party beneficiary of this contract. Reports MUST reference the SC Participating number 4400025119 to assure accurate accounting of purchases under this contract and reported administrative fees. Each remittance will include the period covered and the contract number.

21. **Taxes:** Any tax the Contractor may be required to collect or pay upon the sale, use or delivery of the products shall be paid by the State, and such sums shall be due and payable to the contractor upon acceptance. Any personal property taxes levied after delivery shall be paid by the State. It shall be solely the State's obligation, after payment to contractor, to challenge the applicability of any tax by negotiation with, or action against, the taxing

authority. Contractor agrees to refund any tax collected, which is subsequently determined not to be proper and for which a refund has been paid to Contractor by the taxing authority. In the event that the Contractor fails to pay, or delays in paying, to any taxing authorities, sums paid by the State to Contractor, Contractor shall be liable to the State for any loss (such as the assessment of additional interest) caused by virtue of this failure or delay. Taxes based on Contractor's net income or assets shall be the sole responsibility of the contractor.

22. Subcontractors: All contractors, dealers, and resellers authorized in the State of South Carolina as shown on the dedicated Contractor (cooperative contract) website, are approved to provide sales and service support to participants in the NASPO ValuePoint Master Agreement. The contractor's dealer participation will be in accordance with the terms and conditions set forth in the aforementioned Master Agreement.
23. Orders: Any order placed by a Participating Entity or Purchasing Entity for a product and/or service available from this Master Agreement shall be deemed to be a sale under (and governed by the prices and other terms and conditions of) the Master Agreement unless the parties to the order agree in writing that another contract or agreement applies to such order.
24. Term of Contract: The initial term of this contract begins on December 1, 2020 and will end on September 15, 2021. At the end of the initial term, and at the end of each renewal term, this contract shall automatically renew for a period of one (1) year. Regardless, this contract expires no later than the expiration date of the NASPO ValuePoint Master Agreement. Contractor may terminate this contract at the end of the initial term, or any renewal term, by providing the Procurement Officer notice of its election to terminate under this clause at least 90 days prior to the expiration of the then current term.
25. Insurance:
 The cost of insurance is to be included in the rental rates offered. Charging separately for insurance or not providing same will likely be considered a material breach. The amount carried by the contractor is to be sufficient to cover its damages. The State will not pay additional damages regardless of which vehicle operator is at fault.
- The required insurance limits are identical to the amounts the state carries for state owned vehicles. The same amounts are required for any vehicles rented by the state or its political subdivisions. Contractor must provide automobile liability insurance as follows.
- Combined Single Limits of \$600,000 minimum,
 - Combined Single Limits of \$1,000,000 minimum for vehicle rentals to travel out of state,
 - Statutory limits for uninsured coverage (\$25,000/person, \$50,000/accident, bodily injury and \$25,000/per accident property damage).
