Participating Entity: **(STATE) OF GEORGIA**

1. Scope: Verizon Wireless ("Contractor") and the State of Utah, for itself and on behalf of the NASPO ValuePoint ("NASPO ValuePoint" and/or "Customer"), have entered into a Master Agreement #MA152 with an effective date of August 12, 2019, which together with any and all amendments and/or addenda thereto constitute the "Master Agreement". This Participating Addendum applies to the purchase and use of Products (e.g. wireless service, software and other services) by state agencies and other eligible entities authorized by a state's statutes to purchase under state/entity contracts. All capitalized terms not defined in this Participating Addendum will have the same meaning provided in the Master Agreement.

2. Participation: Use of specific NASPO ValuePoint cooperative contracts by agencies, political subdivisions and other entities (including cooperatives and non-profits) authorized by an individual state's statutes to use state/entity contracts may be subject to the acknowledgement of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the State Chief Procurement Official. Pursuant to NASPO ValuePoint rules and policies, entities in those states without a State Participating Addendum to the Master Agreement are eligible to participate in the Master Agreement to the extent not prohibited by their state and local procurement laws and regulations. It will be the responsibility of the Purchasing Entity to comply with any legal or regulatory provisions applicable to the Purchasing Entity. By signing and entering into this Participating Addendum, the Participating Entity certifies that they have obtained all of the acknowledgements and approvals required by state or local law or regulation. Purchasing Entity will immediately notify Contractor of any change in its eligibility to purchase under this Participating Addendum. Contractor reserves the right to terminate this Participating Addendum if at any time it is determined that Purchasing Entity is not eligible to purchase under this Participating Addendum.

3. Purchase Order Instructions: All Purchase Orders and any other ordering documents under this Participating Addendum will be governed by the terms and conditions of this Participating Addendum and the Master Agreement including, without limitation, the obligation to pay Contractor for Products provided. Contractor and the Participating Entity (together the "Parties") acknowledge and agree that orders submitted to Contractor from a Purchasing Entity through the Purchasing Entity's Business Procurement Card are authorized Purchase Orders under the Master Agreement.

All Purchase Orders issued by Purchasing Entities under this Participating Addendum shall include a reference to this Participating Addendum and the Master Agreement, number MA152.
