An Eligible User may issue a written notice of default providing a ten (10) day period in which Contractor will have an opportunity to cure. This provision does not apply to disclosure to the Lead State, a Participating State, or any governmental entity exercising an audit, inspection, or examination pursuant to **§6.2 (Records Administration and Audit)**. To the extent permitted by law, Contractor shall notify the Lead State of any entity seeking access to the Confidential Information described in this subsection.

6.4. License of Pre-Existing Intellectual Property

Contractor grants to the Purchasing Entity a non-exclusive, perpetual, irrevocable, unlimited license to use, modify, or dispose of the Intellectual Property and its derivatives, used or delivered under this Master Agreement, but not created under it (“Pre-existing Intellectual Property”). The license shall be subject to any third party rights in the Pre-existing Intellectual Property. Contractor shall obtain, at its own expense, on behalf of the Purchasing Entity, written consent of the owner for the licensed Pre-existing Intellectual Property.

6.5. Public Information

This Master Agreement and all related documents are subject to disclosure pursuant to the Purchasing Entity’s public information laws.

6.6. Assignment/Subcontracts

6.6.1. Contractor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this Master Agreement, in whole or in part, without the prior written approval of the Lead State.

6.6.2. The Lead State reserves the right to assign any rights or duties, including written assignment of Contract administration duties to NASPO Cooperative Purchasing Organization LLC, doing business as NASPO ValuePoint.

6.7. Changes in Contractor Representation

The Contractor must notify the Lead State of changes in the Contractor’s Key Personnel, in writing within ten (10) calendar days of the change. The Lead State reserves the right to approve changes in key personnel, as identified in the Contractor’s proposal. The Contractor agrees to propose replacement key personnel having substantially equal or better education, training, and experience as was possessed by the key person proposed in the Contractor’s proposal.

6.8. Independent Contractor

6.8.1. Contractor shall perform duties as an Independent Contractor, and not as an employee. Neither the Contractor nor any employee or Authorized Dealer of the Contractor, shall be or deemed to be an employee of the Lead State, NASPO ValuePoint, and/or any Participating State or Entity.

6.8.2. Contractor acknowledges that its employees are not entitled to unemployment insurance benefits unless the Contractor or a Third Party provides such coverage, and that the Lead State, NASPO ValuePoint and any Participating State or Entity does not pay for or otherwise provide such coverage.

6.8.3. Contractor shall have no authority to bind the Lead State, NASPO ValuePoint and any Participating State or Entity to any agreements, liability, or understanding except as may be expressly set forth in this Master Agreement, Participating Addendum or an Order.

6.9. Force Majeure

Neither party to this Master Agreement shall be held responsible for delay or default caused by fire, riot, acts of God and/or war which is beyond that party’s reasonable control. The Lead State may terminate this Master Agreement after determining such delay or default will reasonably prevent successful performance of this Master Agreement.

6.10. Defaults and Remedies

6.10.1. The occurrence of any of the following events shall be an event of default under this Master Agreement:

- a) Nonperformance of contractual requirements; or

- b) A material breach of any term or condition of this Master Agreement; or
- c) Any certification, representation or warranty by Contractor in this Master Agreement that proves to be untrue or materially misleading; or
- d) Institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) calendar days after the institution or occurrence thereof; or
- e) Any default specified in another section of this Master Agreement.

6.10.2. Upon the occurrence of an event of default, Lead State shall issue a written notice of default, identifying the nature of the default, and providing a period of thirty (30) calendar days in which Contractor shall have an opportunity to cure the default. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part, if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis.

6.10.3. If Contractor is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, Contractor shall be in breach of its obligations under this Master Agreement and Lead State shall have the right to exercise any or all of the following remedies:

- a) Exercise any remedy provided by law;
- b) Terminate this Master Agreement and any related Contracts or portions thereof;
- c) Impose liquidated damages as provided in this Master Agreement;
- d) Suspend Contractor from being able to respond to future Solicitations;
- e) Suspend Contractor's performance; and
- f) Withhold payment until the default is remedied.

6.10.4. Unless otherwise specified in the Participating Addendum, in the event of a default under a Participating Addendum, a Participating Entity shall provide a written notice of default as described in this section and have all of the rights and remedies under this paragraph regarding its participation in this Master Agreement, in addition to those set forth in its Participating Addendum.

6.10.5. Unless otherwise specified in an Order, a Purchasing Entity shall provide written notice of default as described in this section and have all of the rights and remedies under this paragraph and any applicable Participating Addendum with respect to an Order placed by the Purchasing Entity. Nothing in these Master Agreement Terms and Conditions shall be construed to limit the rights and remedies available to a Purchasing Entity under the applicable commercial code.

6.11. Waiver of Breach

Failure of the Lead State, Participating Entity, or Purchasing Entity to declare a default or enforce any rights and remedies shall not operate as a waiver under this Master Agreement or Participating Addendum. Any waiver by the Lead State, Participating Entity, or Purchasing Entity must be in writing. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Order shall not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, Participating Addendum, or an Order.

6.12. Debarment

The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for

debarment, declared ineligible, or voluntarily excluded from participation in this transaction (Contract) by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.

6.13. Indemnification

6.13.1. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO Cooperative Purchasing Organization LLC (doing business as NASPO ValuePoint), the Lead State, Participating Entities, and Purchasing Entities, along with their officers, agents, and employees as well as any person or entity for which they may be liable, from and against claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, injury, or damage to property arising from act(s), error(s), or omission(s) of the Contractor, its employees or Subcontractors or volunteers, at any tier, relating to the performance under this Master Agreement.

6.13.2. Indemnification – Intellectual Property. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO Cooperative Purchasing Organization LLC (doing business as NASPO ValuePoint), the Lead State, Participating Entities, Purchasing Entities, along with their officers, agents, and employees as well as any person or entity for which they may be liable ("Indemnified Party"), from and against claims, damages or causes of action including reasonable attorneys' fees and related costs arising out of the claim that the Product or its use, infringes Intellectual Property rights ("Intellectual Property Claim").

6.13.3. The Contractor's obligations under this section shall not extend to any combination of the Product with any other Product, system or method, unless the Product, system or method is:

- a) Provided by the Contractor or the Contractor's subsidiaries or affiliates;
- b) Specified by the Contractor to work with the Product;
- c) Reasonably required, in order to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available Product, system or method capable of performing the same function; or
- d) It would be reasonably expected to use the Product in combination with such Product, system or method.

6.13.4. The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of it. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible. The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense. If the Contractor fails to vigorously pursue the defense or settlement of the Intellectual Property Claim, the Indemnified Party may assume the defense or settlement of it and the Contractor shall be liable for all costs and expenses, including reasonable attorneys' fees and related costs, incurred by the Indemnified Party in the pursuit of the Intellectual Property Claim. Unless otherwise agreed in writing, this section is not subject to any limitations of liability in this Master Agreement or in any other document executed in conjunction with this Master Agreement.

6.14. No Waiver of Sovereign Immunity

6.14.1. In no event shall this Master Agreement, any Participating Addendum or any Contract or any Purchase Order issued thereunder, or any act of a Lead State, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental

immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.

6.14.2. This section applies to a claim brought against the Participating State only to the extent Congress has appropriately abrogated the Participating State's sovereign immunity and is not consent by the Participating State to be sued in federal court. This section is also not a waiver by the Participating State of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

6.15. Governing Law and Venue

6.15.1. The construction and effect of this Master Agreement shall be governed by the laws of the Lead State. Venue for any administrative or judicial action relating to this Master Agreement shall be in the City and County of Denver, Colorado.

6.15.2. The construction and effect of any Participating Addendum or Order against this Master Agreement shall be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's State.

6.15.3. If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): The Lead State for claims relating to the procurement, evaluation, award, or Contract performance or administration if the Lead State is a party; the Participating State if a named party; the Participating Entity state if a named party; or the Purchasing Entity state if a named party.

6.16. Assignment of Antitrust Rights

Contractor irrevocably assigns to a Participating Entity any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any Goods or Services provided to the Contractor for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at a Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.

6.17. Contract Provisions for Orders Utilizing Federal Funds

Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.
