1. It is expressly agreed that the terms of each and every provision in this attachment shall prevail and control over the terms of any other conflicting provision in any other document relating to and a part of this contract into which this attachment is incorporated.
2. Vendor/contractor acknowledges that the State of South Dakota would not have entered into this contract without the provisions of this Attachment.
3. All contractual agreements are subject to, governed by, and construed in accordance with the laws of the State of South Dakota. Any action, suit, or other proceeding under, pursuant to, or governed by this contract shall be brought and maintained in the Circuit Court, Sixth Judicial Circuit, Hughes County, South Dakota.
4. The vendor/contractor agrees that the continuation of this contract is dependent on receipt of both an appropriation and expenditure authority from the South Dakota Legislature. In the event that the Legislature does not provide both an appropriation of funds and expenditure authority for any fiscal year, or if funds become unavailable because of federal funds reduction, then and in that event, this contract shall be null and void and shall expire at the end of the last fiscal year in which both funding and expenditure authority shall be available for this contract to the State and the State agency involved. Vendor/contractor agrees that a termination for lack of funds pursuant to this paragraph shall not result in a claim against the State, nor against any State agency, agent, officer, or employee.
5. Neither the State of South Dakota, nor any State agency, agent, officer, or employee shall hold harmless or indemnify any vendor/contractor for any loss or damage beyond the amounts provided for tort claims against the State by South Dakota law. Neither the State, nor any State agency, agent, officer, or employee shall assume liability to any third person by means of a contract or agreement. The State has not, and shall not, waive or give up any immunity or protection afforded to the State of South Dakota by the Eleventh Amendment to the Constitution of the United States, and no provision of this agreement shall be interpreted as, or be deemed as, a waiver of such Amendment, nor of any immunity afforded by it to the State of South Dakota.

7. Notwithstanding any language to the contrary, no interpretation shall be allowed that would find the State of South Dakota or any State agency has agreed to any binding arbitration, nor to the payment of damages or liquidated damages upon occurrence of a contingency. The State of South Dakota does not and shall not agree to pay any attorneys' fees or late charges in excess of those provided for in the South Dakota Prompt Payment Act, SDCL chapter 5-26.

8. By signing this contract, representative of vendor/contractor hereby warrants and represents that such person is duly authorized by vendor/contractor to execute this contract on behalf of vendor/contractor, and that vendor/contractor agrees to be bound by the provisions hereof.

This provision does not require vendor/contractor to be responsible for or defend against claims or damages arising solely from errors or omissions of the State, its agents, agencies, officers, or employees.
11. Vendor/contractor hereby agrees to save the State of South Dakota, its agents, agencies, officers and employees, harmless from liability of any nature or kind which shall arise from vendor/contractor's use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, article, or appliance furnished or used in the performance of this agreement, or which the vendor/contractor is not the patentee, assignee, or licensee.

It is understood and agreed that, if this certification is false, such false certification will constitute grounds for the State to terminate this Agreement. Vendor/contractor further agrees to provide immediate written notice to the State if during the term of this Agreement it no longer complies with this certification and agrees such noncompliance may be grounds for termination of this Agreement.

14. Vendor/contractor will not provide to the State any computer or telecommunication hardware or video surveillance hardware, or any components thereof, or any software that was manufactured, provided, or developed by a covered entity.
