Where the State has determined the Contractor to be in default the State reserves the right to purchase any or all products or services covered by this Participating Addendum, State Contract Number 4400025826 or any order issued pursuant to State Contract Number 4400025826 on the open market and to charge the Contractor with cost in excess of the contract price. ATTACHMENT A – Electronic Vendor Payment Solutions

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and Contractor, the State intends to make all payments to Contractors electronically. The LaCarte Procurement Card will be used for purchases of \$5,000 and under, and where feasible, over \$5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or EFT. You may indicate your acceptance below.

The **LaCarte** Procurement Card uses a Visa card platform. Contractors receive payment from state agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all statewide and agency term contracts:

- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.
- If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against
 this contract during the contract period. The file must contain the particular item number, quantity, line total and
 order total. Records of these purchases must be provided to the Office of State Procurement on request.

EFT payments are sent from the State's bank directly to the payee's bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available by contacting the Office of Statewide Reporting & Accounting Policy at: DOA-OSRAP-EFT@la.gov

To facilitate this payment process, you will need to complete and return the EFT enrollment form.

Please check which option you will accept or indicate if you are already enrolled.
