**Minnesota Exhibit A****Minnesota General Terms, Conditions, and Specifications****1. DEFINITIONS.**

- a. **CPV Members.** The Contract will be available to all CPV members. Minn. Stat. § 16C.03, subd. 10 authorizes the State, acting through its Office of State Procurement, to enter into purchasing agreements with one or more governmental units and other entities allowable by law, as described in Minn. Stat. § 471.59, subd. 1, to exercise jointly the purchasing powers and functions each has individually. This authority is referred to as the Cooperative Purchasing Venture program. For more information, see State website [www.mmd.admin.state.mn.us](http://www.mmd.admin.state.mn.us).

The Contractor agrees to extend the Contract to CPV members at the same prices, terms, conditions, and specifications. With the approval of the Contractor, a CPV member may add additional terms to its ordering document applicable to the CPV member's purchasing activities. Such additional terms shall not modify, diminish, or derogate the terms applicable to the State.

- b. **State Agencies.** This term applies only to State agencies and departments, as defined in Minn. Stat. §§ 15.01 and 15.021.
- c. **Ordering Entity.** This term applies to any State Agency or CPV Member when allowed in the Participating Addendum.
- d. **State and State of Minnesota.** These two terms apply to the Minnesota Department of Administration, Office of State Procurement (OSP), representing the State of Minnesota as the contracting agency for the Participating Addendum.
- e. **Contract Vendor and Contractor.** These two terms apply to the awarded vendor from the NASPO ValuePoint Master Agreement that OSP selects to receive a Participating Addendum.
- f. **Contract.** Contract is defined as the NASPO ValuePoint Master Agreement and the Minnesota Participating Addendum.

- 2. EFFECTIVE DATE and CONTRACT PERIOD.** The Contract shall be effective upon the date of final execution by the State of Minnesota and Contractor. The Contract term will begin on January 22, 2023, or on the date of Participating Addendum final execution, whichever is later, to January 21, 2024, unless terminated early or extended in accordance with the terms and conditions of this Contract.

- 3. STATE AUDITS** Under Minn. Stat. § 16C.05, subd. 5, the Contractor's books, records, documents, and accounting procedures and practices relevant to this Contract are subject to examination by the State, the State Auditor, or Legislative Auditor, as appropriate, for a minimum of six years from the expiration or termination of this Contract.

- 4. ANTITRUST.** Upon the request of the State of Minnesota, Contractor will irrevocably assign to State any state or federal antitrust claim or cause of action that the Contractor now has or which may accrue to the Contractor in the future, in connection with any goods, services, or combination provided by Contractor under the terms of this Contract.

- 5. INSURANCE.** If applicable, prior to execution of the Participating Addendum, the Contract Vendor will be required to provide a copy of a Certificate of Insurance, including workers' compensation insurance coverage requirements of Minn. Stat. § 176.181 subd. 2, and other coverages per the insurance requirements if included in the Participating Addendum.

**6. INDEMNIFICATION, HOLD HARMLESS, AND LIMITATION OF LIABILITY.**

6.1 In the performance of this Contract, the Indemnifying Party must indemnify, save, and hold harmless the State, its agents, and employees, from any claims or causes of action, including attorney's fees incurred by the State, to the extent caused by Indemnifying Party's:

- Intentional, willful, or negligent acts or omissions; or
- Actions that give rise to strict liability; or

- Breach of contract or warranty.

The Indemnifying Party is defined to include the Contractor, Contractor's reseller, any third party that has a business relationship with the Contractor, or Contractor's agents or employees, and to the fullest extent permitted by law. The indemnification obligations of this section do not apply in the event the claim or cause of action is the result of the State's sole negligence. This clause will not be construed to bar any legal remedies the Indemnifying Party may have for the State's failure to fulfill its obligation under this Contract.

6.2 Nothing within this Contract, whether express or implied, shall be deemed to create an obligation on the part of the State to indemnify, defend, hold harmless or release the Indemnifying Party. This shall extend to all agreements related to the subject matter of this Contract, and to all terms subsequently added, without regard to order of precedence.

7. **LAWS AND REGULATIONS.** Any and all services, articles or equipment offered and furnished must comply fully with all local, State and federal laws and regulations, including Minn. Stat. § 181.59 prohibiting discrimination and business registration requirements of the Office of the Minnesota Secretary of State.

8. **GOVERNMENT DATA PRACTICES.**

The Contractor and State must comply with the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, (or, if the State contracting party is part of the Judicial Branch, with the Rules of Public Access to Records of the Judicial Branch promulgated by the Minnesota Supreme Court as the same may be amended from time to time) as it applies to all data provided by the State under this Contract, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Contractor under this Contract. The civil remedies of Minn. Stat. § 13.08 apply to the release of the data governed by the Minnesota Government Practices Act, Minn. Stat. Ch. 13, by either the Contractor or the State.

If the Contractor receives a request to release the data referred to in this clause, the Contractor must immediately notify and consult with the State's Authorized Representative as to how the Contractor should respond to the request. The Contractor's response to the request shall comply with applicable law.

9. **RISK OF LOSS OR DAMAGE.** The State is relieved of all risks of loss or damage to the goods and equipment during periods of transportation, installation by the Contractor, or while in the possession of the Contractor or its agent.

10. **GOVERNING LAW, JURISDICTION AND VENUE.** Minnesota law, without regard to its choice-of-law provisions, governs this Contract. Venue for all legal proceedings out of this Contract, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

11. **AFFIRMATIVE ACTION.**

The State intends to carry out its responsibility for requiring affirmative action by its contractors.

11.1 Covered Contracts and Contractors. If the Contract exceeds \$100,000 and the Contractor employed more than 40 full-time employees on a single working day during the previous 12 months in Minnesota or in the state where it has its principal place of business, then the Contractor must comply with the requirements of Minn. Stat. § 363A.36 and Minn. R. 5000.3400-5000.3600.

11.2 General. Minn. R. 5000.3400-5000.3600 implements Minn. Stat. § 363A.36. These rules include, but are not limited to, criteria for contents, approval, and implementation of affirmative action plans; procedures for issuing certificates of compliance and criteria for determining a contractor's compliance status; procedures for addressing deficiencies, sanctions, and notice and hearing; annual compliance reports; procedures for compliance review; and contract consequences for non-compliance. The specific criteria for approval or rejection of an affirmative action plan are contained in various provisions of Minn. R. 5000.3400-5000.3600 including, but not limited to, Minn. R. 5000.3420-5000.3500 and 5000.3552-5000.3559.

11.3 Disabled Workers. The Contractor must comply with the following affirmative action requirements for disabled workers.

**AFFIRMATIVE ACTION FOR DISABLED WORKERS**

11.3.1 The Contractor must not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The Contractor agrees to take affirmative action to employ, advance in employment, and otherwise treat qualified disabled persons without discrimination based upon their physical or mental disability in all employment

practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

11.3.2 The Contractor agrees to comply with the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.

11.3.3 In the event of the Contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with Minn. Stat. § 363A.36, and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.

11.3.4 The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Commissioner. Such notices must state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.

11.3.5 The Contractor must notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of Minn. Stat. § 363A.36, of the Minnesota Human Rights Act and is committed to take affirmative action to employ and advance in employment physically and mentally disabled persons.

11.4 Consequences. The consequences for the Contractor's failure to implement its affirmative action plan or make a good faith effort to do so include, but are not limited to, suspension or revocation of a certificate of compliance by the Commissioner, refusal by the Commissioner to approve subsequent plans, and termination of all or part of this Contract by the Commissioner or the State.

11.5 Certification. The Contractor hereby certifies that it is in compliance with the requirements of Minn. Stat. § 363A.36 and Minn. R. 5000.3400-5000.3600 and is aware of the consequences for noncompliance.

12. **EQUAL PAY CERTIFICATION.** If required by Minn. Stat. §363A.44, the Contractor must have a current Equal Pay Certificate prior to Contract execution. If Contractor's Equal Pay Certificate expires during the term of this Contract, Contractor must promptly re-apply for an Equal Pay Certificate with the Minnesota Department of Human Rights and notify the State's Authorized Representative once the Contractor has received the renewed Equal Pay Certificate. If Contractor claims to be exempt, the State may require Contractor to verify its exempt status.
13. **PAYMENT.** The State will pay the Contractor or Authorized Dealer (as defined in Section 36 of this Exhibit A) pursuant to Minn. Stat. § 16A.124, which requires payment within 30 days following receipt of an undisputed invoice, or merchandise or service, whichever is later. Terms requesting payment in less than 30 days will be changed to read "Net 30 days." Notwithstanding the foregoing, the State may pay the Contractor in advance for purchases as allowed pursuant to Minn. Stat. §16A.065.
- The payment for each order will only be made for goods received or services actually performed that have been accepted by the Ordering Entity, and meet all terms, conditions, and specifications of the Contract and the ordering document.
14. **CONDITIONS OF PAYMENT.** All services delivered by the Contractor or Authorized Dealer under this Contract must be performed to the State's satisfaction and in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations including business registration requirements of the Office of the Secretary of State. The Contractor or Authorized Dealer will not receive payment for work found by the State to be unsatisfactory or performed in violation of federal, state, or local law.
15. **PURCHASE ORDERS (PO).** The parties agree that there is no minimum order requirements or charges to process an individual purchase order unless otherwise stated in the Contract. The Purchase Order number must appear on all documents (e.g., invoices, packing slips, etc.).
16. **PURCHASING CARDS.** The Contractor or Authorized Dealer must accept a purchasing card for order placement in addition to accepting a purchase order, without passing the processing fees for the purchasing card back to the State. The State's single purchase maximum on the Contract is \$5,000 on the purchasing card, but it may be increased with the State's and the Contractor's or Authorized Dealer's approval.
17. **TAXES. DO NOT** add sales tax to the prices being offered. Effective July 1, 1995, State Agencies use a Direct Pay Authorization to pay the applicable sales and use tax directly to the Department of Revenue under Minnesota Tax ID

4405717. Although it is not required by the Department of Revenue, State Agencies will complete and submit the ST3 Form to the Contract Vendor upon request. See <http://www.revenue.state.mn.us>.

If orders are issued by Cooperative Purchasing Venture (CPV) Members, the Contract Vendor or Authorized Dealer should confirm all of the tax requirements with the Ordering Entity.

**SALES TAX WHEN FURNISHING LABOR.** The State's Direct Pay permit will not apply for orders against a contract awarded through this Contract. The Responder must include in their response prices any applicable State or Federal sales, excise, or use tax on all materials, supplies, and equipment that are to be utilized.

If orders are issued by CPV members, the Contractor or Authorized Dealer should confirm all of the tax requirements with the Ordering Entity.

18. **SHIPPING REQUIREMENTS.** All prices must be FOB Destination, prepaid and allowed (with freight included in the price), to the Ordering Entity's receiving dock or warehouse, or as otherwise instructed on the purchase order by the Ordering Entity. In those situations in which the "deliver-to" address has no receiving dock or agents, the Contractor or Authorized Dealer must be able to deliver to the person specified on the purchase order. These situations are considered "non-standard" delivery services and additional delivery charges may apply. Any applicable charges will be negotiated between the Authorized Dealer and Ordering Entity at time of quote prior to order placement.
19. **DEFAULT.** If the Contractor fails to perform according to the Contract terms and conditions, except as provided in Section 20 below, the State is authorized to cancel the Contract or purchase order, or any portion of it, and may obtain replacement goods or services of similar cost, function, design, and quality and charge the difference of costs to the defaulting Contractor. Any such rights to cancellation and/or reprocurement are subject to giving the Contractor advanced written notice of breach of the Contract and a reasonable opportunity to cure of no less than ten (10) business days. In the event Contractor does not cure a breach of contract, the State reserves the right to pursue any other remedy available by law including removal from the vendors list, or suspension or debarment from receiving a Contract.
20. **FORCE MAJEURE.** No party shall be liable for any failure or delay in the performance of its obligations under this Contract if delayed or made impossible or commercially impracticable due to any cause beyond the reasonable control of the party (including; acts of God, pandemics, labor disputes, compliance with government regulations, equipment failure, shortages in transportation, inability to obtain labor or raw materials, or delays in the performance of suppliers or subcontractors), in which event the nonperforming party shall be excused from its obligations for the period of the delay.
21. **ASSIGNMENT, AMENDMENTS, WAIVER AND CONTRACT COMPLETE.**
- 20.1 Assignment. The Contractor may neither assign nor transfer any rights or obligations under this Contract without the prior consent of the State and a fully executed assignment agreement, executed and approved by the authorized parties or their successors.
- 20.2 Amendments. Any amendment to this Contract must be in writing and will not be effective until it has been executed and approved by the authorized parties or their successors.
- 20.3 Waiver. If the State fails to enforce any provision of this Contract, that failure does not waive the provision or its right to enforce it.
- 20.4 Contract Complete. This Contract contains all negotiations and agreements between the State and the Contractor. No other understanding regarding this Contract, whether written or oral, may be used to bind either party.

22. **INTELLECTUAL PROPERTY.**

21.1 Definitions. For the purpose of this Section, the following words and phrases have the assigned definitions:

21.1 "Documents" are the originals of any databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, disks, or other materials, whether in tangible or electronic forms, prepared by the Contractor, its employees, agents, or subcontractors, in the performance of this Contract.

21.1.1 "Pre-Existing Intellectual Property" means intellectual property developed prior to or outside the scope of this Contract, and any derivatives of that intellectual property.

21.1.2 "Works" means all inventions, improvements, discoveries (whether or not patentable), databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications,

materials, tapes, and disks conceived, reduced to practice, created or originated by the Contractor, its employees, agents, and subcontractors, either individually or jointly with others in the performance of this Contract. "Works" includes Documents.

21.2 Ownership. The State owns all rights, title, and interest in all of the intellectual property rights, including copyrights, patents, trade secrets, trademarks, and service marks in the Works and Documents created and paid for under this Contract. The Documents shall be the exclusive property of the State and all such Documents must be immediately returned to the State by the Contractor upon completion or cancellation of this Contract. To the extent possible, those Works eligible for copyright protection under the United States Copyright Act will be deemed to be "works made for hire." The Contractor assigns all right, title, and interest it may have in the Works and the Documents to the State. The Contractor must, at the request of the State, execute all papers and perform all other acts necessary to transfer or record the State's ownership interest in the Works and Documents.

21.3 Pre-existing Intellectual Property. Each Party shall retain ownership of its respective Pre-Existing Intellectual Property. The Contractor grants the State a perpetual, irrevocable, non-exclusive, royalty free license for Contractor's Pre-Existing Intellectual Property that are incorporated in the products, materials, equipment, deliverables, or services that are purchased through the Contract.

21.4 Obligations.

21.4.1 Notification. Whenever any invention, improvement, or discovery (whether or not patentable) is made or conceived for the first time or actually or constructively reduced to practice by the Contractor, including its employees and subcontractors, in the performance of this Contract, the Contractor will immediately give the State's Authorized Representative written notice thereof, and must promptly furnish the State's Authorized Representative with complete information and/or disclosure thereon.

21.4.2 Representation. The Contractor must perform all acts, and take all steps necessary to ensure that all intellectual property rights in the Works and Documents are the sole property of the State, and that neither Contractor nor its employees, agents, or subcontractors retain any interest in and to the Works and Documents. The Contractor represents and warrants that the Works and Documents do not and will not infringe upon any intellectual property rights of other persons or entities.

21.4.3 Indemnification. Notwithstanding any other indemnification obligations addressed within this Contract, the Contractor will indemnify; defend, to the extent permitted by the Attorney General; and hold harmless the State, at the Contractor's expense, from any action or claim brought against the State to the extent that it is based on a claim that all or part of the Works or Documents infringe upon the intellectual property rights of others. The Contractor will be responsible for payment of any and all such claims, demands, obligations, liabilities, costs, and damages, including but not limited to, attorney fees. If such a claim or action arises, or in the Contractor's or the State's opinion is likely to arise, the Contractor must, at the State's discretion, either procure for the State the right or license to use the intellectual property rights at issue or replace or modify the allegedly infringing works or documents as necessary and appropriate to obviate the infringement claim. This remedy of the State will be in addition to and not exclusive of other remedies provided by law.

23. **PARTICIPATING ADDENDUM AMENDMENTS.** Except as provided herein, the Participating Addendum shall be modified only by written amendment duly executed by an authorized representative of the State and the Contract Vendor. No alteration or variation of the terms and conditions of the Participating Addendum shall be valid unless made in writing and signed by the parties as required by law. Every amendment shall specify the date on which its provisions shall be effective. An approved Participating Addendum amendment means one approved by the authorized signatories of the Contract Vendor and the State as required by law.

24. **TERMINATION OF THE PARTICIPATING ADDENDUM.** The Participating Addendum may be canceled by the State (including the Commissioner of Administration) or the Contract Vendor at any time, with or without cause, upon 30 days written notice to the other party. In the event the Contract Vendor is in default, the State may cancel the Participating Addendum subject to Section 19 herein and applicable law. In the event of cancellation due to the Contract Vendor's default, the Contract Vendor shall be entitled to payment for work or services satisfactorily performed and accepted.

25. **ADMINISTRATIVE PERSONNEL CHANGES.** The Contractor will make reasonable efforts to notify the State's Authorized Representative of changes in the Contractor's key administrative personnel in writing as soon as practicable.

**26. PUBLICITY AND ENDORSEMENT.**

26.1 Publicity. Any publicity regarding the subject matter of this Contract must identify the State as the sponsoring agency and must not be released without prior written approval from the State's Authorized Representative. For purposes of this provision, publicity includes notices, informational pamphlets, press releases, information posted on corporate or other websites, research, reports, signs, and similar public notices prepared by or for the Contractor individually or jointly with others, or any subcontractors, with respect to the program, publications, or services provided resulting from this Contract.

26.2 Endorsement. The Contractor must not claim that the State endorses its products or services.

During this Contract, if an approved subcontractor is determined to be performing unsatisfactorily by the State's Authorized Representative, the Contractor will receive written notification that the subcontractor can no longer be used for this Contract.

The provisions of the Contract shall apply with equal force and effect to all approved subcontractors engaged by the Contractor. Notwithstanding approval by the State, no subcontract shall serve to terminate or in any way affect the primary legal responsibility of the Contractor for timely and satisfactory performances of the obligations contemplated by the Contract.

However, the Contractor will be entitled to payment for goods delivered and in process and services satisfactorily performed to the extent that dedicated funds are available. The State will not be assessed any penalty if the Contract is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. The State must provide the Contractor notice of the lack of funding. This notice will be provided within a reasonable time of the State's receiving notice.

**Minnesota Exhibit B****Minnesota General Terms, Conditions, and Specifications

**Design Services:** Design Services include space planning, installation plans, furniture migration strategies, reconfiguration plans for existing systems, assistance with furniture selection, interior office design, and computerized installation drawings.

**INSTALLATION IS NOT PART OF THIS CONTRACT.**

The Contract Vendor may choose to provide all quotes, accept all purchase orders, accept all payments, perform all deliveries, and provide all invoices, or the Contract Vendor may delegate these duties to its authorized dealer(s). The Contract Vendor is responsible for collecting, and submitting, all sales reports from their sales and authorized dealer(s), and submitting all Administration Fees on invoiced sales whether they have been paid or not.

No authorized dealer shall serve to terminate or in any way affect the primary legal responsibility of the Contract Vendor for timely and satisfactory performance of the obligations of the Master Agreement. The State shall not be required to enter into any additional agreement or terms to purchase from any authorized dealer. The terms of this Agreement shall govern any such purchase.

The Contract Vendor is responsible for the performance of the authorized dealer(s) and shall be responsible for the acts and omissions of its authorized dealer(s) under the Master Agreement. The State reserves the right to remove any authorized dealer(s) from this Participating Addendum at any time upon written notice to the Contract Vendor. The Contract Vendor may determine if they want their Authorized Dealer to receive purchase orders and payments, or have all purchase orders and payments directed to them. The Contract Vendor shall identify their Authorized Dealer and contact information including their MN Vendor Number on the pricing schedule. The Contract Vendor shall be responsible for providing a vendor number for their Authorized Dealer that reflects the correct information including the order address and remit to address and to maintain that information in the State's procurement system over the life of the contract.

Prices submitted under this Participating Addendum must take into consideration all inherent costs of providing the requested services. The State will not pay any additional charges beyond the price(s) listed in the price schedule, unless otherwise provided for by law or expressly allowed by the terms of the NASPO Master Agreement. Prices offered on the services price schedule shall be in effect for 12 months after the execution of the Participating Addendum. After that period, service prices may increase no more than once per calendar year. Service price increases should be requested 30 days prior the proposed price increase. Service price increases are not effective until they are approved by the AMS and set forth in a fully executed amendment to the contract.

- 4. QUOTES. The Contract Vendor shall include a sample quote when returning the signed PA.** The Contract Vendor or Authorized Dealer must provide a firm price quote to the Ordering Entity. Once the Ordering Entity has accepted the price quote and a purchase order is issued, no changes in price or product can be made by the Contract Vendor or Authorized Dealer unless agreed upon, in writing, by the Ordering Entity. At no time will any terms and conditions included in a Contract Vendor's or Authorized Dealer's quote or other documents change the terms and conditions of the Contract. In the event of a conflict in language between any documents provided to an Ordering

Entity by a Contract Vendor or Authorized Dealer, the terms and conditions set forth in the Contract and any later fully executed amendment documents shall prevail.

Payment shall be for actual products received and work performed, and shall not exceed any quoted price unless the Contract Vendor or Authorized Dealer receives written approval of the changes and a purchase order from the Ordering Entity prior to the products being delivered or services performed. The quote must be in writing, reference the State Contract Release F-379(5), reference the Contract number, and be in the same format as the sample quote form submitted with the PA and approved as an attachment to the Contract award documents, unless an alternative format is approved in writing by the Acquisition Management Specialist.

Additional information may be required by the Ordering Entity so pricing can be verified. The Contract Vendor or Authorized Dealer must provide quotes within five (5) calendar days of receipt of the request for a quote unless an alternate timeline has been accepted by the ordering agency. Prior to fulfilling any order through this Contract, the Contract Vendor or Authorized Dealer must receive written confirmation from the end user that the quote has been received, understood, and accepted. This confirmation must be in the form of a purchase order. The Contract Vendor or Authorized Dealer shall not deliver product or start any service prior to receiving a purchase order.

Once the plans have been approved a purchase order will be issued prior to any work being done by the Contract Vendor or Authorized Dealer.

The Contract Vendor or Authorized Dealer must work with the Ordering Entity project manager to establish mutually acceptable time frames for the project, create and monitor a schedule, notify the Ordering Entity project manager, within a timely manner, if the scheduled time frames will not be met and establish new time frames acceptable by the Ordering Entity.

The Contract Vendor or Authorized Dealer shall coordinate the required delivery and address any issues of damaged product. The State shall be billed at the actual cost of the meal or the maximum reimbursement amount, whichever is less. The State may require receipts for any meal reimbursement requested by the Contractor or Authorized Dealer under the provisions of the Contract.

The accumulated mileage must be from most direct route from the Contract Vendors or Authorized Dealers nearest service location to the job site. The State reserves the right to use the mileage found in MapQuest™ or a similar program to determine mileage. The State will not pay any mileage, labor costs, or per diem associated with travel to pick up materials or to replace or repair damaged product.

Any mileage or lodging costs exceeding the quote amount agreed upon must be approved in writing by the Ordering Entity in writing prior to the costs being incurred.

Labor costs shall be billed for the time the Contract Vendor or Authorized Dealer is working on the job site.
