**PARTICIPATING ADDENDUM
TO THE
NASPO VALUEPOINT COOPERATIVE PURCHASING ORGANIZATION
AUTOMATIC EXTERNAL DEFIBRILLATOR AND ACCESSORIES
CONTRACT NO. SW0300**

This Participating Addendum (“**Participating Addendum**”) for automated external defibrillator (“**AED**”) and accessories is between the **Commonwealth of Pennsylvania** (“**Commonwealth**”), acting through the **Department of General Services** (“**DGS**”), with its principal offices located at 515 North Office Building, Harrisburg, Pennsylvania 17125-0001, and **Stryker Sales, LLC**, with its principal offices located at 1181 Willows Red NE, Redmond, WA 98052 (“**Contractor**” or “**Stryker**”), pursuant to AED and Accessories Contract No. SW0300 (“**Master Agreement**”) between the Contractor and the State of Oklahoma on behalf of the NASPO ValuePoint Cooperative Purchasing Organization (“**NASPO ValuePoint**”).

The Commonwealth is entering into this Participating Addendum to procure AED and accessories from the Contractor under the Master Agreement. DGS is authorized under Sections 1902 and 1908 of the Commonwealth Procurement Code, 62 Pa. C.S. §§ 1902, 1908, to undertake this type of contractual arrangement on behalf of the Commonwealth.

The parties, intending to be legally bound, agree as follows:

1. **Order of Precedence.** To the extent that there is a conflict between the contract documents, the order of precedence shall be:
 - a. The Participating Addendum contained herein.
 - b. The Commonwealth of Pennsylvania Terms and Conditions (**Exhibit A**).
 - c. The Master Agreement (**Exhibit B**).

2. **Effective Date and Term.** This Participating Addendum shall become effective on the date the Commonwealth sends the fully executed and approved Participating Addendum to the Contractor (“**Effective Date**”). This Participating Addendum shall terminate or expire upon the **earlier** of (a) expiration or termination of the Master Agreement, or (b) termination of this Participating Addendum in accordance with its terms. If the Master Agreement is renewed or extended, this Participating Addendum shall automatically renew or extend for a term consistent with the term of the Master Agreement.

3. **Master Agreement.** The Master Agreement is attached as **Exhibit B** to this Participating Addendum. To the extent language contained in **Exhibit B** requires the Commonwealth to pay late payment fees or overdue account charges, such language is excluded from this Contract. Except as set forth in this Participating Addendum, DGS and Contractor shall be bound by the terms and conditions as stated in the Master Agreement (**Exhibit B**).

4. **Participating Addendum Terms.** DGS and Contractor agree to be bound by the Commonwealth Terms and Conditions, attached as **Exhibit A**.

5. **Software Requirements – Commonwealth.**

a. **Embedded Software Licenses.** Any software included in the Supplies at the time of delivery (the "**Embedded Software**"), which includes any subsequent updates, patches or fixes, is licensed as part of the Supplies and not sold separately. Contractor hereby grants to the Commonwealth a non-exclusive, royalty-free, fully-paid, perpetual license to use the Embedded Software only in the operation of the Supply in which it was delivered. The Commonwealth shall not be required to accept and comply with any additional license agreement or terms (including, but not limited to any clickthrough, open source or freeware terms) for any Embedded Software, except as set forth in subsection b below.

b. **Commercially Available Software Licenses.** The Contractor may not provide Supplies which require a license to commercially available software, which includes freeware and open-source software, for its use (the "Commercially Available Software"), unless and until the Commonwealth has entered into a software license agreement with the software licensor of such Commercially Available Software. The Contractor must inform the Commonwealth if and when a Supply requires a license to such Commercially Available Software, and inform the software licensor that it must enter into a separate software license agreement with the Commonwealth with terms that are acceptable to the Commonwealth.

c. **Clickthrough License Terms.** No license terms and conditions (including, but not limited to, any terms of service, end user licenses agreements) shall be binding or controlling and the terms and conditions of this Contract or any fully executed software license agreement shall govern any licenses provided for Commercially Available or Embedded Software. Any clickthrough terms and conditions that are included with any such software provided with the Supplies are null and void and not binding on the Commonwealth.

6. **Software Requirements – COSTARS.**

a. **Embedded Software Licenses.** Any software included in the Supplies at the time of delivery (the "Embedded Software"), which includes any subsequent updates, patches or fixes, is licensed as part of the Supplies and not sold separately. Contractor shall grant to the COSTARS member a non-exclusive, royalty-free, fully-paid, perpetual license to use the Embedded Software only in the operation of the Supply in which it was delivered. The COSTARS member shall not be required to accept and comply with any additional license agreement or terms (including, but not limited to any clickthrough, open source or freeware terms) for any Embedded Software, except as set

forth in subsection b below. For clarity, Embedded Software does not include additional functionality, enhancements, or upgrades.

- b. **Commercially Available Software Licenses.** The Contractor shall not provide Supplies which require a license to Commercially Available Software, for its use, unless and until the COSTARS member has entered into a software license agreement with the software licensor of such Commercially Available Software. The Contractor shall inform the COSTARS member if and when a Supply requires a license to such Commercially Available Software, and inform the software licensor that it must enter into a separate software license agreement with the COSTARS member which will be negotiated outside of this procurement and any resulting contract. All license terms shall be subject to the standard approval processes established for the COSTARS member, either by policy or statute. COSTARS members are strongly encouraged to discuss individual projects with their legal counsel to ensure full compliance with all statutory and contract requirements. The Commonwealth is not responsible for negotiating or executing any license agreements on behalf of COSTAR members.
 - c. **Clickthrough License Terms.** No license terms and conditions (including, but not limited to, any terms of service, end user licenses agreements) shall be binding or controlling and the terms and conditions of this Contract or any fully executed software license agreement shall govern any licenses provided for Commercially Available or Embedded Software. Any clickthrough terms and conditions that are included with any such software provided with the Supplies are null and void and not binding on the COSTARS member.
7. **COSTARS Program.** COSTARS Program members shall be eligible to utilize this Participating Addendum under the same terms and conditions as the Commonwealth. Information related to the COSTARS Program is incorporated in the COSTARS Program Clause contained in Section I.1 IFB-027.1 of **Exhibit A**.
8. **Required Forms.** In accordance with Pennsylvania statutes and policies, the Contractor must provide the following completed and executed certifications:
- a. Iran Free Procurement Certification Form, BOP-1701;
 - b. Lobbying Certification and Disclosure Form, BOP-1307; and
 - c. Worker Protection and Investment Certification, BOP-2201.

Procurement Master Contract

EXHIBIT A: NASPO VALUEPOINT MASTER AGREEMENT TERMS AND CONDITIONS

I. Definitions:

- 1.1 **Acceptance** means acceptance of goods and services as set forth in Section IX of this Master Agreement.
- 1.2 **Contractor** means a party to this Master Agreement, whether a person or entity, that delivers goods or performs services under the terms set forth in this Master Agreement.
- 1.3 **Embedded Software** means one or more software applications which permanently reside on a computing device.
- 1.4 **Intellectual Property** means any and all patents, copyrights, service marks, trademarks, trade secrets, trade names, patentable inventions, or other similar proprietary rights, in tangible or intangible form, and all rights, title, and interest therein.
- 1.5 **Lead State** means the State centrally administering any resulting Master Agreement(s) who is a party to this Master Agreement.
- 1.6 **Master Agreement** means the underlying agreement executed by and between the Lead State, acting in cooperation with NASPO ValuePoint, and the Contractor, as now or hereafter amended.
- 1.7 **NASPO ValuePoint** is a division of the National Association of State Procurement Officials (“NASPO”), a 501(c)(3) corporation. NASPO ValuePoint facilitates administration of the NASPO cooperative group contracting consortium of state chief procurement officials for the benefit of state departments, institutions, agencies, and political subdivisions and other eligible entities (i.e., colleges, school districts, counties, cities, some nonprofit organizations, etc.) for all states, the District of Columbia, and territories of the United States. NASPO ValuePoint is identified in the Master Agreement as the recipient of reports and may perform contract administration functions relating to collecting and receiving reports, as well as other contract administration functions as assigned by the Lead State.
- 1.8 **Order** or **Purchase Order** means any purchase order, sales order, contract or other document used by a Purchasing Entity to order the Products.
- 1.9 **Participating Addendum** means a bilateral agreement executed by a

Contractor and a Participating Entity incorporating this Master Agreement and any additional Participating Entity-specific language or other requirements (*e.g.*, ordering procedures specific to the Participating Entity, entity-specific terms and conditions, etc.).

- 1.10 Participating Entity** means a state (as well as the District of Columbia and US territories), city, county, district, other political subdivision of a State, or a nonprofit organization under the laws of some states properly authorized to enter into a Participating Addendum, that has executed a Participating Addendum.
- 1.11 Participating State** means a state that has executed a Participating Addendum or has indicated an intent to execute a Participating Addendum.
- 1.12 Product or Products and Services** means any equipment, software (including embedded software), documentation, service, or other deliverable supplied or created by the Contractor pursuant to this Master Agreement. The term Product includes goods and services.
- 1.13 Purchasing Entity** means a state (as well as the District of Columbia and US territories), city, county, district, other political subdivision of a State, or a nonprofit organization under the laws of some states if authorized by a Participating Addendum, that issues a Purchase Order against the Master Agreement and becomes financially committed to the purchase.

II. Term of Master Agreement

- 2.1 Initial Term.** The initial term of this Master Agreement is for two (2) years. The term of this Master Agreement may be amended beyond the initial term for three (3) additional years at the Lead State's discretion and by mutual agreement and upon review of requirements of Participating Entities, current market conditions, and Contractor performance. The Lead State may, prior to execution, adjust the effective date or duration of the initial term or renewal period of any Master Agreement for the purpose of making the Master Agreement coterminous with others.
- 2.2 Amendment Limitations.** The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.
- 2.3 Amendment Term.** The term of the Master Agreement may be amended past the initial term and stated renewal periods for a reasonable period if in the judgment of the Lead State a follow-on competitive procurement

will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection will not be deemed to limit the authority of a Lead State under its state law to otherwise negotiate contract extensions.

III. Order of Precedence

- 3.1 **Order.** Any Order placed under this Master Agreement will consist of the following documents:
 - 3.1.1 A Participating Entity’s Participating Addendum (“PA”);
 - 3.1.2 NASPO ValuePoint Master Agreement, including all attachments thereto;
 - 3.1.3 A Purchase Order or Scope of Work/Specifications issued against the Master Agreement;
 - 3.1.4 The Solicitation or, if separately executed after award, the Lead State’s bilateral agreement that integrates applicable provisions;
 - 3.1.5 Contractor’s response to the Solicitation, as revised (if permitted) and accepted by the Lead State.
- 3.2 **Conflict.** These documents will be read to be consistent and complementary. Any conflict among these documents will be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment.
- 3.3 **Participating Addenda.** Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement.

IV. Participants and Scope

- 4.1 **Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.
- 4.2 **Applicability of Master Agreement.** NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their

Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section III. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (*e.g.*, purchase order or contract) used by the Purchasing Entity to place the Order.

- 4.3 Authorized Use.** Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.
- 4.4 Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- 4.5 Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.
- 4.6 Eligibility for a Participating Addendum.** Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.

- 4.7 Prohibition on Resale.** Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement.
- 4.8 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.
- 4.9 Release of Information.** Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.
- 4.10 No Representations.** The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

V. NASPO ValuePoint Provisions

- 5.1 Applicability.** NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in Section V are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.
- 5.2 Administrative Fees**
- 5.2.1 NASPO ValuePoint Fee.** Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty

(60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.

5.2.2 State Imposed Fees. Some states may require an additional fee be paid by Contractor directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method, and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage, or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

5.3 NASPO ValuePoint Summary and Detailed Usage Reports

5.3.1 Sales Data Reporting. In accordance with this section, Contractor shall report to NASPO ValuePoint all Orders under this Master Agreement for which Contractor has invoiced the ordering entity or individual, including Orders invoiced to Participating Entity or Purchasing Entity employees for personal use if such use is permitted by this Master Agreement and the applicable Participating Addendum ("Sales Data"). Contractor is responsible for reporting all sales made under this contract, whether those sales are made by distributors or the manufacturer directly. Timely and complete reporting of Sales Data is a material requirement of this Master Agreement. Reporting requirements, including those related to the format, contents, frequency, or delivery of reports, may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. NASPO ValuePoint shall have exclusive ownership of any media on which reports are submitted and shall have a perpetual, irrevocable, non-exclusive, royalty free, and transferable right to display, modify, copy, and otherwise use reports, data, and information provided under this section.

-
- 5.3.2 Summary Sales Data.** “Summary Sales Data” is Sales Data reported as cumulative totals by state. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Summary Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. If Contractor has no reportable Sales Data for the quarter, Contractor shall submit a zero-sales report.
- 5.3.3 Detailed Sales Data.** “Detailed Sales Data” is Sales Data that includes for each Order all information required by the Solicitation or by NASPO ValuePoint, including customer information, Order information, and line-item details. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Detailed Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. Detailed Sales Data shall be reported in the format provided in the Solicitation or provided by NASPO ValuePoint. The total sales volume of reported Detailed Sales Data shall be consistent with the total sales volume of reported Summary Sales Data.
- 5.3.4 Sales Data Crosswalks.** Upon request by NASPO ValuePoint, Contractor shall provide to NASPO ValuePoint tables of customer and Product information and specific attributes thereof for the purpose of standardizing and analyzing reported Sales Data (“Crosswalks”). Customer Crosswalks must include a list of existing and potential Purchasing Entities and identify for each the appropriate customer type as defined by NASPO ValuePoint. Product Crosswalks must include Contractor’s part number or SKU for each Product in Offeror’s catalog and identify for each the appropriate Master Agreement category (and subcategory, if applicable), manufacturer part number, product description, eight-digit UNSPSC Class Level commodity code, and (if applicable) EPEAT value and Energy Star rating. Crosswalk requirements and fields may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. Contractor shall work in good faith with NASPO ValuePoint to keep Crosswalks updated as Contractor’s customer lists and product catalog change.
- 5.3.5 Executive Summary.** Contractor shall, upon request by NASPO ValuePoint, provide NASPO ValuePoint with an executive

summary that includes but is not limited to a list of states with an active Participating Addendum, states with which Contractor is in negotiations, and any Participating Addendum roll-out or implementation activities and issues. NASPO ValuePoint and Contractor will determine the format and content of the executive summary.

5.4 NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review

- 5.4.1 Staff Education.** Contractor shall work cooperatively with NASPO ValuePoint personnel. Contractor shall present plans to NASPO ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.
- 5.4.2 Onboarding Plan.** Upon request by NASPO ValuePoint, Contractor shall, as Participating Addendums are executed, provide plans to launch the program for the Participating Entity. Plans will include time frames to launch the agreement and confirmation that the Contractor's website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.
- 5.4.3 Annual Contract Performance Review.** Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials, Contractor reporting, and timeliness of payment of administration fees.
- 5.4.4 Use of NASPO ValuePoint Logo.** The NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a separate logo use agreement is executed with NASPO ValuePoint.
- 5.4.5 Most Favored Customer.** The parties acknowledge that this Master Agreement and its terms and pricing have been negotiated for the benefit of the parties, NASPO ValuePoint, Participating

Entities, and Purchasing Entities. Apart from a Participating Addendum or Order, Contractor shall not intentionally induce a potential Participating Entity or Purchasing Entity to enter into a separate agreement, the pricing, and terms of which are derived from this Master Agreement, for the purpose of avoiding compliance with Contractor's obligations under Section V. Nothing in this Section 5.4.5 shall prohibit Contractor from contracting with an entity with substantially similar pricing and terms if such pricing and terms are independently negotiated with the entity or are consistent with pricing and terms ordinarily offered by Contractor to public sector customers.

- 5.5 Cancellation.** In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if the Contractor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than [two years] after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.
- 5.6 Additional Agreement with NASPO.** Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint related to Contractor's obligations to NASPO ValuePoint under the terms of the Master Agreement, the terms of which shall be the same or similar (and not less favorable) than the terms set forth in the Master Agreement.

VI. Pricing, Payment & Leasing

- 6.1 Pricing.** The prices contained in this Master Agreement offered under this Master Agreement represent the not-to-exceed price to any Purchasing Entity.
- 6.1.1** All prices and rates must be guaranteed for the initial term of the Master Agreement.
- 6.1.2** Following the initial term of the Master Agreement, any request for a price or rate adjustment must be for an equal

guarantee period and must be made at least 30 days prior to the effective date.

6.1.3 Requests for a price or rate adjustment must include sufficient documentation supporting the request. Any adjustment or amendment to the Master Agreement will not be effective unless approved in writing by the Lead State.

6.1.4 No retroactive adjustments to prices or rates will be allowed.

6.2 Payment. Unless otherwise agreed upon in a Participating Addendum or in accordance with law, Payment after Acceptance will be made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received whichever is later. In the event a Purchasing Entity wishes to dispute an invoice or portion thereof, the Purchasing Entity must notify the Contractor in writing within 30 days of its receipt of the disputed invoice. The writing must provide Contractor with sufficient detail regarding the basis and amount of the dispute. If the Purchasing Entity does not dispute an invoice within 30 days of its receipt, the invoice will be deemed to have been approved by the Participating Entity. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum or Order, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.

 - d. Accepting payments by check, electronic fund transfer, or with State(s) P- card. The contractor will be solely responsible for the credit card user- handling fee associated with credit card purchases.
3. Ordering instructions for entities must be described, outlined, and returned with the RFP response.

C. Delivery

1. All deliveries will be F.O.B. Destination (including Alaska, Hawaii, and all U.S. Territories), freight pre-paid, with all transportation and handling charges paid by the Contractor. Responsibility and liability for loss or damage shall remain the Contractor's until final inspection and acceptance when responsibility will pass to the Purchasing Entity except as to latent defects, fraud, and Contractor's warranty obligations. Any portion of an Order to be shipped without transportation charges and that is back ordered will be shipped without charge.

2. All deliveries will be “Inside Deliveries” as designated by a representative of the Purchasing Entity placing the Order, unless explicitly specified otherwise. Inside Delivery refers to a delivery to a location other than a loading dock, front lobby, or reception area, such as directly to point of use or designated location. Specific delivery instructions will be noted on the order form or Purchase Order. Any damage to the building interior, scratched walls, damage to the freight elevator, etc., will be the responsibility of the Contractor. If damage does occur, it is the responsibility of the Contractor to immediately notify the Purchasing Entity placing the Order.
3. All products must be delivered in the manufacturer’s standard package. Costs shall include all packing and/or crating charges. Cases shall be of durable construction, good condition, properly labeled and suitable in every respect for storage and handling of contents. Each shipping carton shall be marked with the commodity, brand, quantity, item code number and the Purchasing Entity’s Purchase Order number.
4. Products returned because of quality problems, duplicated shipments, etc. will be sent back to the Contractor within 30 calendar days at the Contractor’s expense, with no restocking charge and shall be replaced with specified products or the Purchasing Entity will be credited or refunded for the full purchase price.

D. Inspection and Acceptance

All Products are subject to inspection at reasonable times and places before Acceptance. Contractor shall provide right of access to the Lead State, or to any other authorized agent

or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, to monitor and evaluate performance, compliance, and/or quality assurance requirements under the Master Agreement resulting from this RFP. Products that do not meet specifications may be rejected. Failure to reject upon receipt, however, does not relieve the contractor of liability for material, latent, or hidden defects subsequently revealed when goods are used. A material defect includes a nonconformity that substantially impairs value.

Acceptance of such goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Product rejected and returned, or for which Acceptance is revoked.

Acceptance Testing is the process for ascertaining that the Product meets the standard of performance prior to Acceptance by the Purchasing Entity. If Acceptance Testing is prescribed, this subsection applies to applicable Products purchased under this Master Agreement, including any additional, replacement, or substitute Product(s) and any Product(s) which are modified by or with the written approval of Contractor after Acceptance by the Purchasing Entity. The

Acceptance Testing period shall be thirty (30) calendar days, unless another time is identified in the Master Agreement or the Participating Addendum, starting from the day after the Product is delivered or, if installed, the day after the Product is installed and Contractor certifies that the Product is ready for Acceptance Testing. If the Product does not meet the standard of performance during the initial period of Acceptance Testing, Purchasing Entity may, at its discretion, continue Acceptance Testing on a day-to-day basis until the standard of performance is met. Upon rejection, the Contractor will have fifteen (15) calendar days to cure the standard of performance issue(s). If after the cure period, the Product still has not met the standard of performance, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Product from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor. Contractor shall pay all costs related to the preparation and shipping of Product returned pursuant to the section. No Product shall be deemed Accepted and no charges shall be paid until the standard of performance is met. The warranty period shall begin upon Acceptance.

E. Product Warranty

Contractor shall include a basic warranty for all AED Units purchased that lasts for a duration of no less than one year from time of Acceptance at no additional cost to Purchasing Entities. Warranties must guarantee the safe and effective operation of devices for the duration of the warranty. The cost for repair or replacement of devices under warranty must be covered by the Contractor. In the event that an AED Unit must be repaired or replaced, the Contractor shall provide the Purchasing Entity with a loaner unit and ensure there is no gap in coverage for that location.

F. Guarantee of Equipment

Contractors shall guarantee that the equipment offered is standard new equipment and that no attachment or part has been substituted or applied contrary to the Contractor's recommendations and standard practice. Products furnished under the terms of the Master Agreement will be guaranteed against any defect due to faulty material and/or workmanship. Products must meet all federal, state, and local standards for quality and safety requirements and must be FDA approved. All equipment delivered must be first quality manufactured workmanship and finish. Contractor shall immediately notify all Participating Entities of AED recalls and provide product replacements. No remanufactured or refurbished equipment may be provided under a Master Agreement resulting from this RFP.

The percentage discount from the Contractor's submitted price schedule shall not decrease for all updates or revisions of Contractor's price schedule during the life of the Master Agreement and any subsequent Master Agreement renewals; however, Contractor may increase the discount at any time. New items or

replacement products are to be discounted at the same (or greater) rate as similar products or replaced items.

2. Price Negotiation During Contract Term

Contractor is expected to continuously negotiate with its suppliers to obtain improved discounts and extend improved pricing to Participating Entities. During the term of the Master Agreement Contractor must agree to negotiate in good faith to establish ceiling prices or other more favorable terms and conditions between the Contractor and its suppliers that are applicable to future orders during the term of the Master Agreement.

3. Price Lists and Updates

Contractor must furnish a physical and/or an electronic copy (at Lead State's option) of the price list(s) and periodic updates to the State of Oklahoma Lead State Administrator. Contractor must also furnish physical and/or electronic copies, at a Participating Entity's option, to all Purchasing Entities for which account numbers have been established. Contractor must distribute price lists as they become effective and in a timely manner. Price lists may be updated no more than once a quarter and price updates must be approved by the Lead State before becoming effective. Updated price lists may include new items but may not increase the price of items which previously appeared unless the price increase is requested in accordance with Section D below. Updates must be simultaneous for the entire line of products. All price lists, website access, and ordering capabilities must be supplied to the Participating Entities at no additional cost. Contractor must not add new replacement products for the purpose of a price increase. Stock keeping units (SKUs) shall be consistent and Contractor shall document discontinued items in writing when submitting replacement products.

4. Price List Access

At any time during the life of the Master Agreement issued under this RFP and for a three (3) year period from the end date of the Master Agreement, the Lead State reserves the right to request from the Contractor access to and/or a copy of the applicable price list used for the Master Agreement's pricing basis for pricing verification. Failure to provide the requested price list within three (3) business days following the Lead State's request may result in termination of the Master Agreement.

D. Price Changes

1. Price decreases or discount increases are permitted and encouraged at anytime. Price reductions announced must be applied at the time of the announcement for the products that have not yet been delivered to the Participating Entities.
2. All discounts offered must remain firm or increase during the term of a Master Agreement issued under this RFP.
3. The Contractor or Lead State may request price adjustments no sooner than 12 months from the Master Agreement execution date and no more than once per contract year. Contractors must submit a request to the Lead State at least thirty (30) days prior to the end of the current term. Requests must be in writing and must be received 30 days prior to the contract renewal date.
 - a. If the Contractor or state fails to request a price adjustment 30 days before the Master Agreement renewal date, the adjustment will be effective 30 days after the state or Contractor receives their written request.
 - b. Price adjustments will be made in accordance with the percentage change in the U.S. Department of Labor Consumer Price Index (CPI-U)
 - c. The price adjustment rate will be determined by comparing the percentage difference between the CPI in effect for the base year six-month average (January through June); and each (January through June six-month average) thereafter. The percentage difference between those two CPI issues will be the price adjustment rate. No retroactive price adjustments will be allowed. All price adjustments must be approved by the Lead State prior to the implementation of the adjusted pricing. Approval shall be in the form of a contract amendment issued by the Lead State.
 - d. Approval for all price increases is dependent upon full compliance with the terms of the Master Agreement including reporting requirements.

The parties shall mutually agree that Contractor shall adjust the charges and modify the Equipment Schedule to reflect any additions.

3. INSPECTION SCHEDULING

Service inspections will be scheduled in advance at a mutually agreed upon time. Equipment not made available at the specified time will be serviced at the next scheduled service inspection unless specific arrangements are made with Contractor. Such arrangements will include travel and other special charges at Supplier’s then current rates.

4. INSPECTION ACTIVITY

On each scheduled service inspection, Contractor’s Service Representative will inspect each available item of Equipment as required in accordance with Contractor’s then current maintenance procedures for said Equipment.

5. PARTICIPATING ENTITY OBLIGATIONS

Participating Entity shall use commercially reasonable efforts to cooperate with Contractor in connection with Contractor’s performance of the Services. Participating Entity understands and acknowledges that Contractor Service Representatives will not provide surgical or medical advice, will not practice surgery or medicine, will not come in physical contact with the patient, will not enter the “sterile field” at any time, and will not direct equipment or instruments that come in contact with the patient during surgery. Participating Entity’s personnel will refrain from requesting Contractor Service Representatives to take any actions in violation of these requirements or in violation of applicable laws, rules or regulations, Participating Entity policies, or the patient’s informed consent. A refusal by Contractor’s Service Representatives to engage in such activities shall not be a breach of this Agreement. Participating Entity consents to the presence of Contractor’s Service Representatives in its operating rooms, where applicable, to allow Contractor to provide Services under this Agreement and represents that it will obtain all necessary consents.

6. SERVICE INVOICING

Invoices will be sent on the agreed payment method. All prices are exclusive of state and local use, sales or similar taxes. In states assessing upfront sales and use tax, Participating Entity’s payments will be adjusted to include all applicable sales and use tax amortized over the Service Plan term using a rate that preserves for Contractor, its affiliates and/or assigns, the intended economic yield for the transaction described in this

Agreement. All invoices issued under this Agreement are to be paid within thirty (30) days of the date of the invoice, or the minimum period as may be established under the Participating Entity's state-mandated regulations. Failure to comply with Net 30 Day (or state regulated) terms will constitute breach of contract and future Service will only be made on a prepaid or COD basis, or until the previous obligation is satisfied, or both. Contractor reserves the right, with no liability to Contractor, to cancel this Agreement due to payment default.

7. **INITIAL INSPECTION**

This Agreement shall be applicable only to such Equipment as listed in the Equipment Schedule, which has been determined by a Contractor's Representative to be in good operating condition upon his/her initial inspection thereof.

8. **MAINTENANCE INSPECTION**

THIS AGREEMENT MAY INCLUDE PRODUCTS WHICH ARE BEYOND THEIR WARRANTY PERIOD AND TESTED EXPECTED SERVICE LIFE. ANY SUCH PRODUCT WILL BE INSPECTED SOLELY TO DETERMINE IF THE PRODUCT MEETS THE OPERATIONS AND MAINTENANCE MANUAL GUIDELINES FOR THAT PARTICULAR PRODUCT AS OF THE DATE OF INSPECTION. DESPITE ANY SUCH INSPECTION, CONTRACTOR MAKES NO CLAIMS OR ASSURANCES AS TO FUTURE PERFORMANCE, INCLUDING NO EXPRESS OR IMPLIED WARRANTY, FOR ANY PRODUCT WHICH WAS INSPECTED OUTSIDE OF ITS WARRANTY PERIOD OR BEYOND ITS TESTED EXPECTED SERVICE LIFE.

9. **SERVICE PLAN WARRANTY AND LIMITATIONS**

Contractor represents and warrants that the Services shall be performed in a workmanlike manner and with professional diligence and skill. Services will materially comply with all applicable laws and regulations. During the term of the Service Plan, Contractor will maintain the Equipment in good working condition. Notwithstanding any other provision of the Agreement, the Service Plan does not include repairs or other services made necessary by or related to, the following: (a) abnormal wear or damage caused by misuse or by failure to perform normal and routine maintenance, as set out in the Contractor maintenance manual or operating instructions; (b) accidents; (c) catastrophe; (d) acts of god; (e) any malfunction resulting from faulty maintenance, improper repair, damage and/or alteration by non-contractor authorized personnel; (f) Equipment on which any original serial numbers or other identification marks have been removed or destroyed; or (g) Equipment that has been repaired with any unauthorized or non-contractor parts/components. In addition, in order to ensure safe operation of the Equipment, only Contractor accessories should be used. Contractor reserves the right to invalidate the Service Plan if Equipment is used with accessories not manufactured by Contractor.

TO THE FULLEST EXTENT PERMITTED BY LAW, THE EXPRESS WARRANTIES SET FORTH IN THIS SECTION ARE THE ONLY WARRANTIES APPLICABLE TO THE SERVICES AND ARE EXPRESSLY IN LIEU OF ANY OTHER WARRANTY BY CONTRACTOR, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY, NONINFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE.

10. **LIMITATION OF LIABILITY**

EXCEPT FOR THIRD PARTY DAMAGES RELATED TO CONTRACTOR'S INDEMNITY OBLIGATIONS UNDER SECTION 11, CONTRACTOR'S LIABILITY ARISING UNDER THE SERVICE PLAN WILL NOT EXCEED THE AMOUNT OF SERVICE FEES PAID UNDER THE SERVICE PLAN DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE THE CLAIM AROSE. IN NO INSTANCE WILL CONTRACTOR BE LIABLE TO PARTICIPATING ENTITY FOR INCIDENTAL, PUNITIVE, SPECIAL, COVER, EXEMPLARY, MULTIPLIED OR CONSEQUENTIAL DAMAGES OR ATTORNEYS' FEES OR COSTS FOR ANY ACTIONS UNDER OR RELATED TO SERVICE PLAN.

11. INDEMNIFICATION

Contractor shall indemnify and hold harmless Participating Entity from any loss or damage brought by a third party which Participating Entity may suffer directly as a result of negligence or misconduct of Contractor or its employees or agents in the course of providing Services. The foregoing indemnification will not apply to any liability arising from: (a) an injury or damage due to the negligence of any person other than Contractor's employee or agent; (b) the failure of any person other than Contractor's employee or agent to follow any instructions outlined in the labeling, manual, and/or instructions for use of the Equipment; (c) the use of any equipment or part not purchased from Contractor or any equipment or any part thereof that has been modified, altered or repaired by any person other than Contractor's employee or agent; or (d) any actions taken or omissions made by any Contractor's employee while under the direction or control of Participating Entity's staff. To the extent permitted by state or local laws or regulations, Participating Entity agrees to hold Contractor harmless from and indemnify Contractor for any claims or losses or injuries arising from (a)-(d) above resulting from Participating Entity 's or its employees' or agents' actions.

All medical information and/or data concerning specific patients (including, but not limited to, the identity of the patients), derived incidentally during the course of offering Service, shall be treated by both parties as confidential, and shall not be released, disclosed, or published to any party other than as required or permitted under applicable laws.

I.1 IFB-027.1 COSTARS Program Clause (01/17/2017)

COSTARS Purchasers. Section 1902 of the Commonwealth Procurement Code, 62 Pa.C.S. § 1902 (“**Section 1902**”), authorizes local public procurement units and state-affiliated entities (together, “**COSTARS Members**”) to participate in Commonwealth procurement contracts that the Department of General Services (“DGS”) may choose to make available to COSTARS Members. DGS has identified this Contract as one which will be made available for COSTARS Members’ participation.

A. Only those entities registered with DGS are authorized to participate as COSTARS Members in this Contract. A COSTARS Member may be either a local public procurement unit or a state-affiliated entity.

1. A “local public procurement unit” is:

- Any political subdivision (local government unit), such as a municipality, school district, or commission;
- Any public authority (including authorities formed under the Municipality Authorities Act of 1955 or other authorizing legislation, such as the Public Transportation Law or the Aviation Code);
- Any tax-exempt, nonprofit educational institution or organization;
- Any tax-exempt, nonprofit public health institution or organization;
- Any nonprofit fire, rescue, or ambulance company; and
- Any other entity that spends public funds for the procurement of supplies, services, and construction (such as a council of governments, an area government, or an organization that receives public grant funds).

The Department reserves the right to review and determine eligible applicants as local public procurement units on a case-by-case basis.

2. A state-affiliated entity is a Commonwealth authority or other Commonwealth entity that is not a Commonwealth agency. The term includes:

The COSTARS Program is not available for use by Executive Agencies and Independent Agencies as defined by the Commonwealth Procurement Code, or any agency or entity using funds appropriated to the Department of General Services through Capital Budget Project Itemization

legislation for the procurement of furniture, fixtures, and equipment.

3. A complete list of local public procurement units and state-affiliated entities that have registered with DGS and that are authorized to procure Products (as defined in the Master Agreement) from the Contract can be found at <http://www.costars.state.pa.us/SearchCOMember.aspx>.
- B. COSTARS Members have the option to purchase from this Contract, from any DGS contract established exclusively for COSTARS Members in accordance with the requirements of Section 1902, from any other cooperative procurement contracts, or from their own procurement contracts established in accordance with the applicable laws governing such procurements. The Contractor understands and acknowledges that there is no guarantee that a COSTARS Member will place an order under this Contract, and that the decision to procure from this Contract is within the sole discretion of each COSTARS Member.
- C. DGS is acting as a facilitator for COSTARS Members who may wish to purchase under this Contract. COSTARS Members that participate in this Contract and issue purchase orders (“POs”) to Contractors are third party beneficiaries who have the right to sue and be sued for breach of this Contract without joining the Commonwealth or DGS as a party. The Commonwealth will not intervene in any action between a Contractor and a COSTARS Member unless substantial interests of the Commonwealth are involved.
- D. COSTARS Members electing to participate in this Contract will order items directly from the Contractor and be responsible for payment directly to the Contractor.
- E. Contractor elects to permit COSTARS Members to procure from this Contract shall pay the Required Administrative Fee applicable to the Contractor’s classification:

 2. At the beginning of each Contract year and upon any Contract renewal, the Contractor shall submit a check for the required amount, payable to “Commonwealth of PA.” The Contractor must pay the Administrative Fee at each contract renewal date to continue to sell the awarded items/services to COSTARS Members.
- F. DGS has registered the COSTARS name and logo (together, the “**COSTARS Brand**”) as a trademark with the Pennsylvania Department of State. Therefore, the Contractor may use the COSTARS Brand

only as permitted under in this Subsection.

1. The Contractor shall pay the Administrative Fee covering its participation in the program, including without limitation any use of the COSTARS Brand, for each year of the Contract period. The fee is payable upon Contract award and prior to the renewal date for each succeeding Contract period.
 2. DGS grants the Contractor a nonexclusive license to use the COSTARS Brand, subject to the following conditions:
 - a. The Contractor agrees not to transfer to any third party, including without limitation any of its subcontractors or suppliers, any privileges it may have to use the COSTARS Brand under this Contract.
 - b. The Contractor agrees not to use the COSTARS Brand to represent or imply any Commonwealth endorsement or approval of its products or services.
 - c. The Contractor is permitted to use the COSTARS Brand in broadcast, or Internet media solely in connection with this Contract and any other Contract with the Commonwealth under which it has agreed to make sales to COSTARS Purchasers. The Contractor may use the COSTARS Brand on business cards, brochures, and other print publications so long as the purpose is to identify the Contractor as a COSTARS vendor, and only so long as the required Contract fee is kept current.
 - d. Should this Contract terminate for any reason, the Contractor agrees promptly to remove the COSTARS Brand from any and all print and electronic media and to refrain from using the COSTARS Brand for any purpose whatsoever from the date of Contract termination forward.
 - e. The Contractor agrees to defend, indemnify, and hold harmless the Commonwealth of Pennsylvania and DGS from and against all claims, demands, liabilities, obligations, costs, and expenses of any nature whatsoever arising out of or based upon the Contractor's use of the COSTARS Brand.
 - f. The Contractor agrees it has no property rights in the use of the COSTARS Brand by virtue of this nonexclusive license. The Contractor expressly waives any claims, including without limitation due process claims that may otherwise be available under the law in the event of any dispute involving these terms of use.
- G. The Contractor shall furnish to the DGS COSTARS Program Office a quarterly electronic Contract sales report detailing the previous quarter's Contract purchasing activity, using the form and in the format prescribed by DGS. The Contractor shall submit its completed quarterly report no later than the fifteenth calendar day of the succeeding Contract quarter.
1. The Contractor shall submit the reports through the web-based COSTARS Suppliers' Gateway of the PA Supplier Portal at <https://pasupplierportal.state.pa.us/irj/portal/anonymous>, Enterprise Applications. If a Contractor does not have access to the Internet, the Contractor shall send the reports, using the form and in the format prescribed by DGS, on compact disc via US Postal Service to the DGS COSTARS Program Office, Bureau of Procurement, 1800 Herr Street, Harrisburg, PA 17103.
 2. For each PO received, the Contractor shall include on the report the name and address of each **COSTARS**-Registered Purchaser that has used the Contract along with the sales date, and dollar volume of sales to the specific Purchaser for the reporting period.

1.2 CONTRACT-001.1c Contract Terms and Conditions – Stand-Alone (Jan 24 2007)

The Contractor and the Commonwealth agree that the following terms and conditions are part of the Contract:

1.3 CONTRACT-002.1d Term of Contract – Contract (March 2007)

- a. The term of the Contract shall begin on the Commencement Date (as defined below) and shall end on the Expiration Date identified in the Contract, subject to the other provisions of the Contract.
- b. The Commencement Date shall be the later of the "Valid from" date shown on the Contract output form or the Effective Date (as defined below).
- c. The Effective Date shall be the Effective Date printed on the Contract output form after the Contract has been fully executed by the Contractor and the Commonwealth (fully executed by the Commonwealth means that it has been signed and approved as required by Commonwealth contracting procedures).

1.4 CONTRACT-002.2b Renewal of Contract Term – Mutual (Oct 2013)

If the Master Agreement is renewed or extended, the Contract shall automatically renew or extend for a term consistent with the Master Agreement. Any renewal will be under the same terms, covenants and conditions. No further document is required to be executed to renew the term of the contract.

1.5 CONTRACT-002.3 Extension of Contract Term (Nov 30 2006)

The Commonwealth reserves the right, upon written notice to the Contractor, to extend any single term of the Contract for up to three (3) months upon the same terms and conditions.

1.6 CONTRACT-003.1B Signatures – Contract - Stand Alone (July 2015)

The Contract shall not be a legally binding contract until the fully-executed Contract has been sent to the Contractor.

No Commonwealth employee has the authority to verbally direct the commencement of any work or delivery of any supply under this Contract prior to the Effective Date. The Contractor hereby waives any claim or cause of action for any service or work performed prior to the Effective Date.

The Contract may be signed in counterparts. The Contractor shall sign the Contract and return it to the Commonwealth. After the Contract is signed by the Contractor and returned to the Commonwealth, it will be processed for Commonwealth signatures and approvals. When the Contract has been signed and approved by the Commonwealth as required by Commonwealth contracting procedures, the Commonwealth shall create a Contract output form which shall: 1) clearly indicate "Fully executed" at the top of the form; 2) include a printed Effective Date and 3) include the printed name of the Purchasing Agent indicating that the document has been electronically signed and approved by the Commonwealth. Until the Contractor receives the Contract output form with this information on the Contract output form, there is no legally binding contract between the parties.

The fully-executed Contract may be sent to the Contractor electronically or through facsimile equipment. The electronic transmission of the Contract shall require acknowledgement of receipt of the transmission by the Contractor. Receipt of the electronic or facsimile transmission of the Contract shall constitute receipt of the fully-executed Contract.

The Commonwealth and the Contractor specifically agree as follows:

- a. No handwritten signature shall be required in order for the Contract to be legally enforceable.
- b. The parties agree that no writing shall be required in order to make the Contract legally binding, notwithstanding contrary requirements in any law. The parties hereby agree not to contest the validity or enforceability of a genuine Contract or acknowledgement issued electronically under the provisions of a

statute of frauds or any other applicable law relating to whether certain agreements be in writing and signed by the party bound thereby. Any genuine Contract or acknowledgement issued electronically, if introduced as evidence on paper in any judicial, arbitration, mediation, or administrative proceedings, will be admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form. Neither party shall contest the admissibility of copies of a genuine Contract or acknowledgements under either the business records exception to the hearsay rule or the best evidence rule on the basis that the Contract or acknowledgement were not in writing or signed by the parties. A Contract or acknowledgment shall be deemed to be genuine for all purposes if it is transmitted to the location designated for such documents.

- c. Each party will immediately take steps to verify any document that appears to be obviously garbled in transmission or improperly formatted to include re-transmission of any such document if necessary.

Each Purchase Order will be deemed to incorporate the terms and conditions set forth in the Contract.

Purchase Orders will not include an "ink" signature by the Agency. The electronically-printed name of the purchaser represents the signature of that individual who has the authority, on behalf of the Commonwealth, to authorize the Contractor to proceed.

When an order is placed by telephone, the Commonwealth agency shall provide the agency name, employee name, credit card number, and expiration date of the card. Contractor agree to accept payment through the use of the Commonwealth Purchasing Card.

1.10 CONTRACT-006.1 Independent Prime Contractor (Oct 2006)

In performing its obligations under the Contract, the Contractor will act as an independent contractor and not as an employee or agent of the Commonwealth. The Contractor will be responsible for all services in this Contract whether or not Contractor provides them directly. Further, the Contractor is the sole point of contact with regard to all contractual matters, including payment of any and all charges resulting from the Contract.

1.11 CONTRACT-007.01a Supplies Delivery (Nov 30 2006)

All item(s) shall be delivered F.O.B. Destination. The Contractor agrees to bear the risk of loss, injury, or destruction of the Product(s) ordered prior to receipt of the items by the Commonwealth. Such loss, injury, or destruction shall not release the Contractor from any contractual obligations. Except as otherwise provided in this contract, all item(s) must be delivered within the time period specified. Time is of the essence and, in addition to any other remedies, the Contract is subject to termination for failure to deliver as specified. Unless otherwise stated in this Contract or agreed upon by the parties as indicated in the Purchase Order, delivery must be made within thirty (30) days after the Effective Date.

1.12 CONTRACT-007.02 Estimated Quantities (Nov 30 2006)

It shall be understood and agreed that any quantities listed in the Contract are estimated only and may be increased or decreased in accordance with the actual requirements of the Commonwealth and that the Commonwealth in accepting any bid or portion thereof, contracts only and agrees to purchase only the materials and services in such quantities as represent the actual requirements of the Commonwealth. The Commonwealth reserves the right to purchase materials and services covered under the Contract through a separate competitive procurement procedure, whenever Commonwealth deems it to be in its best interest.

1.13 CONTRACT-008.1a Warranty (Oct 2006)

The Contractor warrants that all items furnished and all services performed by the Contractor, its agents and subcontractors shall be free and clear of any defects in workmanship or materials. All items are warranted per the warranty information contained in the Master Agreement. The Contractor shall repair, replace, or otherwise correct any problem with the delivered item in accordance with the warranty contained in the Master Agreement. When an item is

replaced, it shall be replaced with an item of equivalent or superior quality without any additional cost to the Commonwealth.

1.14 CONTRACT-009.1c Patent, Copyright, and Trademark Indemnity (Oct 2013)

The Contractor warrants that it is the sole owner or author of, or has entered into a suitable legal agreement concerning either: a) the design of any Product or process provided or used in the performance of the Contract which is covered by a patent, copyright, or trademark registration or other right duly authorized by state or federal law or b) any copyrighted matter in any report, document or other material provided to the Commonwealth under the contract.

The Contractor shall defend any suit or proceeding brought against the Commonwealth from any third party claims against Commonwealth alleging that Commonwealth's use of the Products in accordance with the Products' labeling, manuals, and/or instructions for use, constitutes an infringement, misappropriation or other violation of any U.S. patent, trademark, or copyright.

This is upon condition that the Commonwealth shall provide prompt notification in writing of such suit or proceeding; full right, authorization, and opportunity to conduct the defense thereof; and full information and all reasonable cooperation for the defense of same.

As principles of governmental or public law are involved, the Commonwealth may participate in or choose to conduct, in its sole discretion, the defense of any such action at its own expense.

If information and assistance are furnished by the Commonwealth at the Contractor's written request, it shall be at the Contractor's expense, but the responsibility for such expense shall be only that within the Contractor's written authorization.

The Contractor shall indemnify, defend and hold the Commonwealth harmless from all damages, costs, and expenses, including attorney's fees that the Contractor or the Commonwealth may pay or incur by reason for such third party claims.

Should a Product become, or in Contractor's opinion is likely to become, the subject of a claim of any such infringement, Contractor shall, in its sole discretion and at its own expense, either procure for Commonwealth the right to continue using the Product, replace it with a non-infringing product of equal performance, or modify it to make it non-infringing.

If the Contractor is unable to do any of the preceding, the Contractor agrees to remove all the equipment or software which are obtained contemporaneously with the infringing product, or, at the option of the Commonwealth, only those items of equipment or software which are held to be infringing, and to pay the Commonwealth: 1) any amounts paid by the Commonwealth towards the purchase of the infringing Product, less straight line depreciation; 2) any license fee paid by the Commonwealth for the use of the infringing Product, less an amount for the period of usage; and 3) the pro rata portion of any maintenance fee representing the time remaining in any period of maintenance paid to the Contractor for the infringing Product. The obligations of the Contractor under this paragraph continue for a period of ten (10) years. No costs or expenses shall be incurred for the account of the Contractor without its written consent.

The foregoing indemnification does not apply to any claims arising from: (i) the combination of any Products/Services with one or more products that are not provided by the Contractor, wherein such combination is the sole basis of the claim; (ii) the use of the Products contrary to their labeling, manuals, and/or instructions for use; or (iii) modification of any Product by any person other than Contractor without Contractor's express written authorization.

1.15 CONTRACT-009.1d Ownership Rights (Oct 2006)

With the exception of Contractor's Products Instruction for Use ("IFU's"), the Commonwealth shall have unrestricted authority to reproduce, distribute, and use any submitted report, data, or material, and any associated documentation that is designed or developed and delivered to the Commonwealth as part of the performance of the Contract.

1.16 CONTRACT-010.1a Acceptance (Oct 2006)

No Products (s) received by the Commonwealth shall be deemed accepted until the Commonwealth has had a reasonable opportunity to inspect the Products(s), but in no instance shall acceptance be withheld for more than 15 days. Any Product(s) which is discovered to be defective or fails to conform to the Product's specifications may be rejected upon inspection or within 30 calendar days following delivery. If Commonwealth discovers a non-conforming Product, Commonwealth shall provide Contractor a brief description or summary of the non-conforming Product to the Contractor. If a product is defective or fails to conform to the Product's specifications, it shall thereupon become the duty of the Contractor to remove rejected item(s) from the premises without expense to the Commonwealth within fifteen (15) days after notification. Commonwealth agrees to ship the rejected Product(s) back to Contractor at Contractor's expense. Upon notice of rejection, the Contractor shall, immediately, unless otherwise agreed to by the parties, replace all such rejected Product(s) with others conforming to the specifications and which are not defective. If the Contractor fails to replace all such rejected Product(s), or neglects, or refuses to do so, the Commonwealth shall then have the right to procure a corresponding quantity of such item(s), and deduct from any monies due or that may thereafter become due to the Contractor, the difference between the price stated in the Contract and the cost thereof to the Commonwealth.

1.17 CONTRACT-010.2 Product Conformance (March 2012)

The Commonwealth reserves the right to ask, upon advance reasonable request, Contractor to:

1. Provide certified data from laboratory testing performed by the Contractor, or performed by an independent laboratory, as specified by the Commonwealth.
2. Supply published manufacturer product documentation.
3. Permit a Commonwealth representative to witness testing at the Contractor's location or at an independent laboratory.
4. Complete a survey/questionnaire relating to the bid requirements and specifications.
5. Provide customer references.
6. Provide a product demonstration at a location near Harrisburg or the using agency location.

1.18 CONTRACT-010.3 Rejected Material Not Considered Abandoned (Oct 2013)

The Commonwealth shall have the right to not regard any rejected material as abandoned and to demand that the Contractor remove the rejected material from the premises within thirty days of notification, unless otherwise agreed to by the parties. The Contractor shall be responsible for removal of the rejected material as well as proper clean-up. If the Contractor fails or refuses to remove the rejected material as mutually agreed upon, the Commonwealth may seek payment from, or set-off from any payments due to the Contractor under this or any other Contract with the Commonwealth, the reasonable costs of removal and clean-up.

1.19 CONTRACT-011.1a Compliance With Law (Oct 2006)

Both Parties shall comply with all applicable federal and state laws and regulations and local ordinances in the performance of the Contract.

1.20 CONTRACT-013.1 Environmental Provisions (Oct 2006)

In the performance of the Contract, the Contractor shall minimize pollution and shall comply with all applicable environmental laws and regulations, including, but not limited to: the Clean Streams Law Act of June 22, 1937 (P.L. 1987, No. 394), as amended 35 P.S. Section 691.601 et seq.; the Pennsylvania Solid Waste Management Act, Act of July 7, 1980 (P.L. 380, No. 97), as amended, 35 P.S. Section 6018.101 et seq.; and the Dam Safety and Encroachment Act, Act of November 26, 1978 (P.L. 1375, No. 325), as amended, 32 P.S. Section 693.1.

1.21 CONTRACT-014.1 Post-Consumer Recycled Content (June 2016)

Except as specifically waived by the Department of General Services in writing, any products which are provided and/or sold to the Commonwealth as a part of the performance of the Contract must meet the minimum percentage levels for total recycled content as specified by the Environmental Protection Agency in its Comprehensive Procurement Guidelines, which can be found at <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.

1.22 CONTRACT-014.3 Recycled Content Enforcement (Feb 2009)

The Contractor may be required, after delivery of the Contract item(s), to provide the Commonwealth with documentary evidence that the item(s) was in fact produced with the required minimum percentage of post-consumer and recovered material content.

1.23 CONTRACT-015.1 Compensation (Oct 2006)

The Contractor shall be required to furnish the awarded item(s) at the price(s) quoted in the Purchase Order. All item(s) shall be delivered within the time period(s) specified in the Purchase Order. The Contractor shall be compensated only for item(s) that are delivered and accepted by the Commonwealth.

1.24 CONTRACT-015.2 Billing Requirements (July 2021)

Unless the Contractor has been authorized by the Commonwealth for Evaluated Receipt Settlement or Vendor Self-Invoicing, the Contractor shall include in all of its invoices the following minimum information:

- Vendor name and "Remit to" address, including SAP Vendor number;
- SAP Purchase Order number;
- Delivery Address, including name of Commonwealth agency;
- Description of the supplies/services delivered in accordance with SAP Purchase Order (include purchase order line number if possible);
- Quantity provided;
- Unit price;
- Price extension;
- Total price; and
- Delivery method.

If an invoice does not contain the minimum information set forth in this paragraph, the Commonwealth may return the invoice as improper. If the Commonwealth returns an invoice as improper, the time for processing a payment will be suspended until the Commonwealth receives a correct invoice. The Contractor may not receive payment until the Commonwealth has received a correct invoice.

Contractors are required to establish separate billing accounts with each using agency and invoice them directly. Each invoice shall be itemized with adequate detail and match the line item on the Purchase Order. In no instance shall any payment be made for Products or services to the Contractor that are not in accordance with the prices on the Purchase Order, the Contract, updated price lists or any discounts negotiated by the purchasing agency.

1.25 CONTRACT-016.1 Payment (Oct 2006)

- a. The Commonwealth shall put forth reasonable efforts to make payment by the required payment date. The required payment date is: (a) the date on which payment is due under the terms of the Contract; (b) thirty (30) days after a proper invoice actually is received at the "Bill To" address if a date on which payment is due is not specified in the Contract (a "proper" invoice is not received until the Commonwealth accepts the service as satisfactorily performed); or (c) the payment date specified on the invoice if later than the dates established by (a) and (b) above. Payment may be delayed if the payment amount on an invoice is not based upon the price(s) as stated in the Contract. If any payment is not made within fifteen (15) days after the required payment date, the Commonwealth may pay interest as determined by the Secretary of Budget in

accordance with Act No. 266 of 1982 and regulations promulgated pursuant thereto. Payment should not be construed by the Contractor as acceptance of the service performed by the Contractor. The Commonwealth reserves the right to conduct further testing and inspection after payment, but within a reasonable time after performance, and to reject the service if such post payment testing or inspection discloses a defect or a failure to meet specifications. The Contractor agrees that the Commonwealth may set off the amount of any state tax liability or other obligation of the Contractor or its subsidiaries to the Commonwealth against any payments due the Contractor under any contract with the Commonwealth.

- b. The Commonwealth shall have the option of using the Commonwealth purchasing card to make purchases under the Contract or Purchase Order. The Commonwealth's purchasing card is similar to a credit card in that there will be a small fee which the Contractor will be required to pay and the Contractor will receive payment directly from the card issuer rather than the Commonwealth. Any and all fees related to this type of payment are the responsibility of the Contractor. In no case will the Commonwealth allow increases in prices to offset credit card fees paid by the Contractor or any other charges incurred by the Contractor, unless specifically stated in the terms of the Contract or Purchase Order.

1.26 CONTRACT-016.2 Automated Clearing House (ACH) Payments (February 2024)

- a. **Payment Method.** The Commonwealth shall make contract payments through the Automated Clearing House (ACH). Within 10 days of award of the contract or purchase order, the Contractor must submit or must have submitted its ACH information within its user profile in the Commonwealth's procurement system (SRM).
- b. **Unique Identifier.** The Contractor shall submit a unique invoice number with each invoice submitted. The Commonwealth shall list the Contractor's unique invoice number on its ACH remittance advice to enable the Contractor to properly apply the state agency's payment to the invoice submitted.
- c. **ACH Information in SRM.** The Contractor shall ensure that the ACH information contained in SRM is accurate and complete. The Contractor's failure to maintain accurate and complete information may result in delays in payments.

1.27 CONTRACT-017.1 Taxes (Dec 5 2006)

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax free purchases under Registration No. 23-23740001-K. With the exception of purchases of the following items, no exemption certificates are required and none will be issued: undyed diesel fuel, tires, trucks, gas guzzler emergency vehicles, and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania state sales tax, local sales tax, public transportation assistance taxes and fees and vehicle rental tax. The Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this paragraph is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental, or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

1.28 CONTRACT-018.1 Assignment of Antitrust Claims (Oct 2006)

The Contractor and the Commonwealth recognize that in actual economic practice, overcharges by the Contractor's suppliers resulting from violations of state or federal antitrust laws are in fact borne by the Commonwealth. As part of the consideration for the award of the Contract, and intending to be legally bound, the Contractor assigns to the Commonwealth all right, title and interest in and to any claims the Contractor now has, or may acquire, under state or federal antitrust laws relating to the products and services which are the subject of this Contract.

1.29 CONTRACT-019.1 Indemnification (February 2024)

- a. **Contractor Obligations.** The Commonwealth does not have the authority to and shall not indemnify an entity. The Commonwealth agrees to pay for any loss, liability or expense, which arises out of or relates to the

Commonwealth's acts or omissions with respect to its obligations hereunder, where a final determination of liability on the part of the Commonwealth is established by a court of law or where settlement has been agreed to by the Commonwealth. This provision shall not be construed to limit the Commonwealth's rights, claims or defenses which arise as a matter of law or pursuant to any other provision of this Agreement. This provision shall not be construed to limit the sovereign immunity of the Commonwealth.

- b. **Commonwealth Attorneys Act.** The Commonwealth shall provide the Contractor with prompt notice of any claim or suit of which it learns. Pursuant to the Commonwealth Attorneys Act (71 P.S. Section 732-101, et seq.), the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under any terms as it deems appropriate, delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of Contractor made in the defense of such suits.
- c. **Settlement.** Notwithstanding the above, neither party may enter into a settlement of any claim or suit without the other party's written consent, which will not be unreasonably withheld. The Commonwealth may, in its sole discretion, allow the Contractor to control the defense and any related settlement negotiations.

1.30 CONTRACT-020.1 Audit Provisions (Oct 2006)

The Commonwealth shall have the right, at reasonable times during normal business hours (9:00 a.m. – 5:00 p.m. ET) and with advance notice, and at a site designated by the Commonwealth, to audit the books, documents, and records of the Contractor to the extent that the books, documents, and records relate to costs or pricing data for the Contract. The Contractor agrees to maintain records which will support the prices charged and costs incurred for the Contract. The Contractor shall preserve books, documents and records that relate to costs or pricing data for the Contract for a period of three (3) years from the date of final payment. The Contractor shall give full and free access to all records to the Commonwealth and/or their authorized representatives.

1.31 CONTRACT-021.1 Default (Oct 2013)

- a. The Commonwealth may, subject to the Force Majeure provisions of this Contract, and in addition to its other rights under the Contract, declare the Contractor in default by written notice thereof to the Contractor and shall give Contractor thirty (30) calendar days to cure such default ("Cure Period"), and if Contractor does not cure such default within the Cure Period, The Commonwealth may terminate (as provided in the Termination Provisions of this Contract) the whole or any part of this Contract or any Purchase Order for any of the following reasons:
 - 1) Failure to begin work within the time specified in the Contract or Purchase Order or as otherwise specified;
 - 2) Failure to perform the work with sufficient labor, equipment, or material to ensure the completion of the specified work in accordance with the Contract or Purchase Order terms;
 - 3) Unsatisfactory performance of the work;
 - 4) Failure to deliver the awarded item(s) within the time specified in the Contract or Purchase Order or as otherwise specified;
 - 5) Improper delivery;
 - 6) Failure to provide an item(s) which is in conformance with the specifications referenced in the Contract or Purchase Order;
 - 7) Delivery of a defective item;
 - 8) Failure or refusal to remove material, or remove and replace any work rejected as defective or unsatisfactory;
 - 9) Discontinuance of work without approval;

- 10) Failure to resume work, which has been discontinued, within a reasonable time after notice to do so;
 - 11) Insolvency or bankruptcy;
 - 12) Assignment made for the benefit of creditors;
 - 13) Failure or refusal within 10 days after written notice by the Contracting Officer, to make payment or show cause why payment should not be made, of any amounts due for materials furnished, labor supplied or performed, for equipment rentals, or for utility services rendered;
 - 14) Failure to protect, to repair, or to make good any damage or injury to property;
 - 15) Breach of any provision of the Contract;
 - 16) Failure to comply with representations made in the Contractor's bid/proposal; or
 - 17) Failure to comply with applicable industry standards, customs, and practice.
- b. In the event that the Commonwealth terminates this Contract or any Purchase Order in whole or in part as provided in Subparagraph a. above, the Commonwealth may procure, upon such terms and in such manner as it determines, items similar or identical to those so terminated.
- c. If the Contract or a Purchase Order is terminated as provided in Subparagraph a. above, the Commonwealth, in addition to any other rights provided in this paragraph, may require the Contractor to transfer title and deliver immediately to the Commonwealth in the manner and to the extent directed by the Contracting Officer, such partially completed items, including, where applicable, reports, working papers and other documentation, as the Contractor has specifically produced or specifically acquired for the performance of such part of the Contract or Purchase Order as has been terminated. Except as provided below, payment for completed work accepted by the Commonwealth shall be at the Contract price. Except as provided below, payment for partially completed items including, where applicable, reports and working papers, delivered to and accepted by the Commonwealth shall be in an amount agreed upon by the Contractor and Contracting Officer.
- d. The rights and remedies of the Commonwealth provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- e. The Commonwealth's failure to exercise any rights or remedies provided in this paragraph shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.
- f. Following exhaustion of the Contractor's administrative remedies as set forth in the Contract Controversies Provision of the Contract, the Contractor's exclusive remedy shall be to seek damages in the Board of Claims.

1.32 CONTRACT-022.1 Force Majeure (Oct 2006)

Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but aren't limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, general strikes throughout the trade, and freight embargoes.

The Contractor shall notify the Commonwealth orally within five (5) days and in writing within ten (10) days of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effect on performance, (ii) state whether performance under the contract is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. The Contractor shall have the burden of proving that such cause(s) delayed or prevented its performance despite its diligent efforts to perform and shall produce such supporting

documentation as the Commonwealth may reasonably request. After receipt of such notification, the Commonwealth may elect to cancel the Contract, cancel the Purchase Order, or to extend the time for performance as reasonably necessary to compensate for the Contractor's delay.

In the event of a declared emergency by competent governmental authorities, the Commonwealth by notice to the Contractor, may suspend all or a portion of the Contract or Purchase Order.

1.33 CONTRACT-023.1a Termination Provisions (Oct 2013)

The Commonwealth has the right to terminate this Contract or any Purchase Order for any of the following reasons. Termination shall be effective upon written notice to the Contractor.

- a. **TERMINATION FOR CONVENIENCE:** The Commonwealth shall have the right to terminate the Contract or a Purchase Order for its convenience if the Commonwealth determines termination to be in its best interest. The Contractor shall be paid for work satisfactorily completed prior to the effective date of the termination, but in no event shall the Contractor be entitled to recover loss of profits.
- b. **NON-APPROPRIATION:** The Commonwealth's obligation to make payments during any Commonwealth fiscal year succeeding the current fiscal year shall be subject to availability and appropriation of funds. When funds (state and/or federal) are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year period, the Commonwealth shall have the right to terminate the Contract or a Purchase Order. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the supplies or services delivered under the Contract. Such reimbursement shall not include loss of profit, loss of use of money, or administrative or overhead costs. The reimbursement amount may be paid from any appropriations available for that purpose.
- c. **TERMINATION FOR CAUSE:** The Commonwealth shall have the right to terminate the Contract or a Purchase Order for Contractor default under the Default Clause upon written notice to the Contractor. The Commonwealth shall also have the right, upon written notice to the Contractor, to terminate the Contract or a Purchase Order for other cause as specified in the Contract or by law. If it is later determined that the Commonwealth erred in terminating the Contract or a Purchase Order for cause, then, at the Commonwealth's discretion, the Contract or Purchase Order shall be deemed to have been terminated for convenience under the Subparagraph a.

1.34 CONTRACT-024.1 Contract Controversies (Oct 2011)

- a. In the event of a controversy or claim arising from the Contract, the Contractor must, within six (6) months after the cause of action accrues, file a written claim with the contracting officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum. At the time the claim is filed, or within sixty (60) days thereafter, either party may request mediation through the Commonwealth Office of General Counsel Dispute Resolution Program.
- b. If the Contractor or the contracting officer requests mediation and the other party agrees, the contracting officer shall promptly make arrangements for mediation. Mediation shall be scheduled so as to not delay the issuance of the final determination beyond the required 120 days after receipt of the claim if mediation is unsuccessful. If mediation is not agreed to or if resolution is not reached through mediation, the contracting officer shall review timely-filed claims and issue a final determination, in writing, regarding the claim. The final determination shall be issued within 120 days of the receipt of the claim, unless extended by consent of the contracting officer and the Contractor. The contracting officer shall send his/her written determination to the Contractor. If the contracting officer fails to issue a final determination within the 120 days (unless extended by consent of the parties), the claim shall be deemed denied. The contracting officer's determination shall be the final order of the purchasing agency.
- c. Within fifteen (15) days of the mailing date of the determination denying a claim or within 135 days of filing a claim if, no extension is agreed to by the parties, whichever occurs first, the Contractor may file a statement of claim with the Commonwealth Board of Claims. Pending a final judicial resolution of a controversy or claim, the Contractor shall proceed diligently with the performance of the Contract in a manner consistent

with the determination of the contracting officer and the Commonwealth shall compensate the Contractor pursuant to the terms of the Contract.

- d. Nothing in this Section 1.34 shall preclude either party from seeking nonmonetary relief in another forum as provided by law.

1.35 CONTRACT-025.1 Assignability and Subcontracting (Oct 2013)

- a. Subject to the terms and conditions of this paragraph, this Contract shall be binding upon the parties and their respective successors and assigns.
- b. The Contractor shall not subcontract with any person or entity to perform all or any part of the work to be performed under this Contract without the prior written consent of the Contracting Officer, which consent may not be unreasonably withheld.
- c. The Contractor may not assign, in whole or in part, this Contract or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of the Contracting Officer, which consent may not be unreasonably withheld.
- d. Notwithstanding the foregoing, the Contractor may, without the consent of the Contracting Officer, assign its rights to payment to be received under the Contract, provided that the Contractor provides written notice of such assignment to the Contracting Officer together with a written acknowledgement from the assignee that any such payments are subject to all of the terms and conditions of this Contract.
- e. For the purposes of this Contract, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in the Contractor provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.
- f. Any assignment consented to by the Contracting Officer shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of the Contract and to assume the duties, obligations, and responsibilities being assigned.
- g. A change of name by the Contractor, following which the Contractor's federal identification number remains unchanged, shall not be considered to be an assignment hereunder. The Contractor shall give the Contracting Officer written notice of any such change of name.

1.36 CONTRACT-026.1 Other Contractors (Oct 2006)

The Commonwealth may undertake or award other contracts for additional or related work, and the Contractor shall fully cooperate with other contractors and Commonwealth employees, and coordinate its work with such additional work as may be required. The Contractor shall not commit or permit any act that will interfere with the performance of work by any other contractor or by Commonwealth employees. This paragraph shall be included in the contracts of all contractors with which this Contractor will be required to cooperate. The Commonwealth shall equitably enforce this paragraph as to all contractors to prevent the imposition of unreasonable burdens on any contractor.

1.37 CONTRACT-027.1 Nondiscrimination/Sexual Harassment (February 2024)

- a. **Representations.** The Contractor represents that it is presently in compliance with and will remain in compliance with all applicable federal, state, and local laws, regulations, and policies relating to nondiscrimination and sexual harassment for the term of the contract. The Contractor shall, upon request and within the time periods requested by the Commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit reasonable access, with advance written notice, to its books, records, and accounts by the Commonwealth for the purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause.
- b. **Nondiscrimination/Sexual Harassment Obligations.** The Contractor shall not:
 - i. in any manner discriminate in the hiring of any employee(s) for the manufacture of supplies,

performance of work, or any other activity required under this contract or any subcontract, by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the Pennsylvania Human Relations Act (“PHRA”) and applicable federal laws, against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.

- ii. in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under this contract.
 - iii. in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, in the provision of services under this contract.
 - iv. in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of PHRA and applicable federal laws, against any subcontractor or supplier who is qualified to perform the work to which this contract relates.
 - v. in any manner discriminate against employees by reason of participation in or decision to refrain from participating in labor activities protected under the Public Employee Relations Act, Pennsylvania Labor Relations Act or National Labor Relations Act, as applicable and to the extent determined by entities charged with such Acts’ enforcement and shall comply with any provision of law establishing organizations as employees’ exclusive representatives.
- c. **Establishment of Contractor Policy.** The Contractor shall establish and maintain a written nondiscrimination and sexual harassment policy that complies with the applicable law and these Nondiscrimination/Sexual Harassment provisions and shall inform its employees in writing of the policy. The policy must contain a provision that states that sexual harassment will not be tolerated and employees who practice it will be disciplined. For the entire period of the contract, the Contractor shall: (1) post its written nondiscrimination and sexual harassment policy or these Nondiscrimination/Sexual Harassment provisions conspicuously in easily accessible and well-lighted places customarily frequented by employees at or near where the contracted services are performed; or (2) provide electronic notice of the policy or this clause to its employees not less than annually.
- d. **Notification of Violations.** The Contractor’s obligations pursuant to these provisions are ongoing from the effective date and through the termination date of the contract. Accordingly, the Contractor shall notify the Commonwealth if, at any time during the term of this contract, it becomes aware of any actions or occurrences that would result in violation of these provisions.
- e. **Cancellation or Termination of Contract.** The Commonwealth may cancel or terminate this contract and all money due or to become due under this contract may be forfeited for a violation of the terms and conditions of these Nondiscrimination/Sexual Harassment provisions. In addition, the agency may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.
- f. **Subcontracts.** The Contractor shall include these Nondiscrimination/Sexual Harassment provisions in its contracts with all subcontractors providing goods or services under this contract. The incorporation of these provisions in the Contractor’s subcontracts does not create privity of contract between the Commonwealth and any subcontractor, and no third-party beneficiaries are created by those provisions. If the Contractor becomes aware of a subcontractor’s violation of this clause, the Contractor shall use its best efforts to ensure the subcontractor’s compliance with these provisions.

The Commonwealth may, based on its evaluation of the explanation provided, determine whether it is in the Commonwealth’s best interest to execute the contract.
- iii. Further Representations. By submitting any bills, invoices, or requests for payment pursuant to this contract, the Contractor further represents that it has not violated any of these Contractor Integrity Provisions during the term of the contract.
- iv. Notice. The Contractor shall immediately notify the Commonwealth, in writing, if at any time during the term of the contract it becomes aware of any event that would cause the Contractor’s certification or explanation to change. The Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made in these provisions are currently false or misleading due to intervening factual circumstances or were false or misleading or should have been known to be false or misleading when entering into the contract.

c. Contractor Responsibilities. During the term of this contract, the Contractor shall:

- i. maintain the highest standards of honesty and integrity.
- ii. take no action in violation of any applicable laws, regulations, or other requirements applicable to the Contractor that govern Commonwealth contracting and procurement.
- iii. establish and implement a written business integrity policy that includes, at a minimum, the requirements of these provisions as they relate to the Contractor’s activity with the Commonwealth and

Commonwealth employees and ensure that its employees comply with the policy.

The Contractor must disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than the date the Contractor signs the contract. The Commonwealth shall be deemed to have consented if the required disclosure is received and all of the required Commonwealth signatures are affixed.
 - vi. comply with the requirements of the Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.) regardless of the method of award.
 - vii. comply with the requirements of Section 1641 of the Pennsylvania Election Code (25 P.S. §3260a) if this contract was awarded on a Non-bid Basis.
 - viii. immediately notify the Commonwealth contracting officer or the Office of the State Inspector General, in writing, when the Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including, but not limited to, contact by a Commonwealth officer or employee, which, if acted upon, would violate the ethical standards.
- d. **Investigations.** If a State Inspector General investigation is initiated, the Contractor shall:
- i. reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
 - ii. reasonably cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions and make identified Contractor employees available for interviews at reasonable times and places.

- e. **Termination.** For violation of any of these Contractor Integrity Provisions, in accordance with Management Directive 215.8 Amended, Contractor Integrity Provisions for Commonwealth Contracts, the Commonwealth may terminate this and any other contract with the Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Contractor Integrity provisions., claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend the Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one does not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or contract.
- f. **Subcontracts.** The Contractor shall include these Contractor Integrity Provisions in its contracts with all subcontractors providing goods or services under this contract. The incorporation of this provision in the Contractor's subcontracts does not create privity of contract between the Commonwealth and any subcontractor, and no third-party beneficiaries are created by the inclusion of these provisions. If the Contractor becomes aware of a subcontractor's violation of these provisions, the Contractor shall use its best efforts to ensure the subcontractor's compliance with these provisions.

1.39 CONTRACT-029.1 Contractor Responsibility (February 2024)

- a. **Definitions.** For the purpose of these provisions, the term “Contractor” means as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee or lessor, who has furnished or performed or seeks to furnish or perform, goods, supplies, services, leased space, construction or other activity, under a contract, grant, lease, purchase order or reimbursement agreement with the Commonwealth. The term also includes a permittee, licensee, or any agency, political subdivision, instrumentality, public authority, or other public entity in the Commonwealth.
- b. **Contractor Representations.**
 - i. The Contractor shall provide this notification within 15 days of the date of suspension or debarment.

For breach or violation of this warranty, the Commonwealth shall have the right to terminate the Contract without liability or in its discretion to deduct from the Contract price or consideration, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

1.43 CONTRACT-033.1 Applicable Law and Forum (February 2024)

This contract is governed by and must be interpreted and enforced in accordance with the laws of the Commonwealth of Pennsylvania (without regard to any conflict of laws provisions) and the decisions of the Pennsylvania courts. The Contractor consents to the jurisdiction of any court of the Commonwealth of Pennsylvania and any federal courts in Pennsylvania, and waives any claim or defense that such forum is not convenient or proper. Any Pennsylvania court or tribunal has in personam jurisdiction over the Contractor, and the Contractor consents to service of process in any manner authorized by Pennsylvania law. This provision may not be interpreted as a waiver or limitation of the Commonwealth's rights or defenses.

1.44 CONTRACT-034.1c Integration – Contract (Nov 30 2006)

This Contract, including all referenced documents, and any Purchase Order constitutes the entire agreement between the parties. No agent, representative, employee, or officer of either the Commonwealth or the Contractor has authority to make, or has made, any statement, agreement or representation, oral or written, in connection with the Contract, which in any way can be deemed to modify, add to or detract from, or otherwise change or alter its terms and conditions. No negotiations between the parties, nor any custom or usage, shall be permitted to modify or contradict any of the terms and conditions of the Contract. All quotations requested and received from the Contractor are for obtaining firm pricing only. Other terms and conditions or additional terms and conditions included or referenced in the Contractor's quotations, invoices, business forms, or other documentation shall not become part of the parties' agreement and shall be disregarded by the parties, unenforceable by the Contractor and not binding on the Commonwealth.

1.46 CONTRACT-035.1a Changes (Oct 2006)

The Commonwealth reserves the right to make changes at any time during the term of the Contract or any renewals or extensions thereof: 1) to increase or decrease the quantities resulting from variations between any estimated quantities in the Contract and actual quantities; 2) to make changes to the services within the scope of the Contract; 3) to notify the Contractor that the Commonwealth is exercising any Contract renewal or extension option; or 4) to modify the time of performance that does not alter the scope of the Contract to extend the completion date beyond the Expiration Date of the Contract or any renewals or extensions thereof. Any such change shall be captured in a duly executed amendment. The change shall be effective as of the date of the change, unless the notification of change

specifies a later effective date. Such increases, decreases, changes, or modifications will not invalidate the Contract, nor, if performance security is being furnished in conjunction with the Contract, release the security obligation. The Contractor agrees to provide the service in accordance with the change order. Any dispute by the Contractor in regard to the performance required by any notification of change shall be handled through Contract Controversies Provision.

1.47 CONTRACT-037.1a Confidentiality (Oct 2013)

- a) The Contractor agrees to protect the confidentiality of the Commonwealth's confidential information. The Commonwealth agrees to protect the confidentiality of Contractor's confidential information. In order for information to be deemed confidential, the party claiming confidentiality must designate the information as "confidential" in such a way as to give notice to the other party (notice may be communicated by describing the information, and the specifications around its use or disclosure, in the SOW). Neither party may assert that information owned by the other party is such party's confidential information. The parties agree that such confidential information shall not be copied, in whole or in part, or used or disclosed except when essential for authorized activities under this Contract and, in the case of disclosure, where the recipient of the confidential information has agreed to be bound by confidentiality requirements no less restrictive than those set forth herein. Each copy of such confidential information shall be marked by the party making the copy with any notices appearing in the original. Upon termination or cancellation of this Contract or any license granted hereunder, the receiving party will return to the disclosing party all copies of the confidential information in the receiving party's possession, other than one copy, which may be maintained for archival purposes only, and which will remain subject to this Contract's security, privacy, data retention/destruction and confidentiality provisions (all of which shall survive the expiration of this Contract). Both parties agree that a material breach of these requirements may, after failure to cure within the Cure Period specified in this Contract, and at the discretion of the non-breaching party, result in termination for default pursuant to the DEFAULT provision of this Contract, in addition to other remedies available to the non-breaching party.
- (b) Insofar as information is not otherwise protected by law or regulation, the obligations stated in this Section do not apply to information:
- (1) already known to the recipient at the time of disclosure other than through the contractual relationship;
 - (2) independently generated by the recipient and not derived by the information supplied by the disclosing party.
 - (3) known or available to the public, except where such knowledge or availability is the result of unauthorized disclosure by the recipient of the proprietary information;
 - (4) disclosed to the recipient without a similar restriction by a third party who has the right to make such disclosure; or
 - (5) required to be disclosed by law, regulation, court order, or other legal process.

There shall be no restriction with respect to the use or disclosure of any ideas, concepts, know-how, or data processing techniques developed alone or jointly with the Commonwealth in connection with services provided to the Commonwealth under this Contract.

- (c) The Contractor shall use the following process when submitting information to the Commonwealth it believes to be confidential and/or proprietary information or trade secrets:
- (1) Prepare an un-redacted version of the appropriate document, and
 - (2) Prepare a redacted version of the document that redacts the information that is asserted to be confidential or proprietary information or a trade secret, and
 - (3) Prepare a signed written statement that states:
 - (i) the attached document contains confidential or proprietary information or trade secrets;
 - (ii) the Contractor is submitting the document in both redacted and un-redacted format in accordance with 65 P.S. § 67.707(b); and

(iii) the Contractor is requesting that the document be considered exempt under 65 P.S. § 67.708(b)(11) from public records requests.

(4) Submit the two documents along with the signed written statement to the Commonwealth.

1.48 CONTRACT-037.2a Sensitive Information (Sept 2009)

The Contractor shall not publish or otherwise disclose, except to the Commonwealth and except matters of public record, any information or data obtained hereunder from private individuals, organizations, or public agencies, in a publication whereby the information or data furnished by or about any particular person or establishment can be identified, except with the consent of such person or establishment. The parties shall not use or disclose any information about a recipient receiving services from, or otherwise enrolled in, a Commonwealth program affected by or benefiting from services under this Contract for any purpose not connected with the parties' Contract responsibilities except with the written consent of such recipient, recipient's attorney, or recipient's parent or guardian pursuant to applicable state and federal law and regulations.

Contractor will be responsible to remediate any improper disclosure of information. Such remediation may include, but not be limited to, credit monitoring for individuals for whom information has been released and reimbursement of any costs incurred by individuals for whom information has been released.

- B. **Commercial General Liability** insurance providing coverage to protect the Contractor, and the Commonwealth (to the extent the Commonwealth is included as additional insured as required hereunder) from claims for damages for bodily injury including death, property damage, and personal and advertising injury which may arise out of or result from the Contractor's activities performed under the Contract or the Contractor's failure to perform under the Contract. Contractor will require any subcontractor, if used under the Contract, to maintain insurance to the same extent required of Contractor in this Section. The required limits shall be \$1,000,000 per occurrence and \$2,000,000 annual aggregate. Such policies shall be occurrence rather than claims-made policies. Except with respect to the applicable insurance limits, such insurance applies separately to each insured against whom claim is made or suit is brought. To the extent that Contractor is obligated to indemnify the Commonwealth under the terms of this Agreement, Contractor's commercial general liability insurance will include the Commonwealth as an additional insured.

Prior to commencement of the work under the Contract and at each insurance renewal date during the term of the Contract, the Contractor shall provide the Commonwealth with current certificates of insurance. These certificates shall include the Commonwealth as an additional insured as required above and shall evidence that the Commonwealth will be given at least thirty (30) days written notice if such required coverage's afforded under the policies will be cancelled or materially changed. Blanket endorsements are acceptable.

The Commonwealth shall be under no obligation to obtain such certificates from the Contractor(s). Failure by the Commonwealth to obtain the certificates shall not be deemed a waiver of the Contractor's obligation to obtain and furnish certificates.

The Commonwealth will reimburse the Contractor for any costs that the Contractor incurs as a direct result of complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL.
- e. **Challenges of Commonwealth Release.** The Contractor may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, the Contractor shall reimburse the Commonwealth for any legal expenses incurred by the Commonwealth as a result of the challenge, including any damages, penalties or costs that the Commonwealth may incur as a result of the Contractor's legal challenge, regardless of the outcome.
