

**Portfolio: Public Safety Communications Products, Services and Solutions**

DATE: May 5, 2026 for June 1 price increase

ATTN: Julie Aalberg - NASPO ValuePoint Contract Administrator Washington Lead

RE: NASPO ValuePoint Master Agreement Public Safety Communications Products, Services, and Solutions with Viavi Solutions #00318

**Action Requested:**

**Pursuant to the Contract, Contractor is authorized to sell only those Public Safety Radio Products in the categories awarded. Contractor shall not represent to any Participating or Purchasing Entity under this Cooperative Purchasing Master Agreement that Contractor has contractual authority to sell any Public Safety Radio Products beyond those approved and awarded.**

**By completing this form, Contractor certifies that any updates, models, or versions of the products are within the Scope of the awarded categories.**

Contractor requests to update/add the product(s) and/or service(s) referenced in this document (collectively, the "Products") to the Contract.

**Updating Product/Price List:** (this includes updates to pricing of the same item as well as new versions of products) e.g. if Model 100 was on the previous price list but there are now additional variations or versions of Model 100, this box would be checked when seeking to add those items.

**Adding New Items NOT Previously Offered:** e.g. if a model # was not on the previous price list, but will be on the new one, this box should also be checked. i.e. Model 120 is replacing Model 100.

Both boxes may be checked when submitting this certification.

**PRODUCT OVERVIEW:**

- 1. If updating the pricing per the top box above, please submit the new price catalog with this form. The catalog will be reviewed per the Contract.**
- 2. If requesting to ADD New Items NOT Previously Offered, please provide a description of why it is being added and how the product falls with the Scope of the Contract and Contractor's awarded categories: This could be as simple as "product X is being discontinued and Product Y is the replacement within the awarded category."**

**APPROVAL:**

Upon signature, NASPO ValuePoint approves the addition of the product(s) and/or service(s) referenced herein to the Contract.

Upon signature, Contractor assures that all product(s) and/or service(s) referenced herein meet the terms and conditions of the Contract and understands that NASPO ValuePoint reserves the right to audit Contractor for compliance in accordance with the terms and conditions of the Contract. NASPO ValuePoint also reserves the right (a) to request additional information with respect to the product(s) and/or service(s) throughout the life of the Contract if in the best interest of NASPO ValuePoint.
