

## Practice Bingo!

**Instructions:** Log in to your account and click “Practice” at the top of the page. You’ll then be able to navigate to each of the topics below. Once you’ve mastered the topic, move on to the next one!

In any blank box, pick a topic that you haven’t yet mastered. Write its name in the blank space.

*If you get five in a row, that’s Bingo!*

## Teacher Instructions: How to Use this Resource

This is a fun, engaging way to guide your students to specific topics on the Practice page. Use this template to call out important topics for a unit, and reward students for mastering five squares in a row or completing all topics on the sheet. You can choose to leave some squares blank and instruct students to individually select topics where they feel they need more practice.
