Signing Up as a Student with Google or Clever

Why would I want to do this?

Linking with Google or Clever means you can access your NoRedInk account with the same login information that you use for Google Apps or Clever.

1. Go to noredink.com.
2. Click “Sign up for FREE!”
3. Click “I’m a student”
4. Enter your class code
5. Click the “Sign Up with Google” or the “Log in with Clever” button.
6. Select the Google or Clever account you’d like to use.
7. Select your interests. There are hundreds to choose from! Once the green bar at the top of the page is full, click “Continue.”

Note: If you need to join any additional classes, click your name in the top corner of the screen and select “My Classes.”

Linking an Existing Account to Google SSO or Clever

1. Log in on noredink.com.
2. Click on your name in the top right corner and then click "Settings."
3. Click the red "Link with Google Account" or the blue "Link with Clever Account" button on the right side of the screen.
4. Select the Google or Clever account you'd like to use.

Account Information | Update Interests

A screenshot of the 'Update Account' form. It contains input fields for 'First Name' (Taylor), 'Last Name' (Swift), 'Email' (tswift@noredink.com), 'Time zone' (GMT-08:00 America/Los_Angeles), 'Username', and 'Password' (Change Password). At the bottom is an 'Update Account' button. On the right side, there are two buttons: 'Link with Google Account' (red) and 'Link with Clever Account' (blue). A red box highlights these two buttons, with a red arrow pointing to them from a purple circle containing the number '3'.

We look forward to working with you. Enjoy the site!
