**Re:** May 22, 2018 Hearing | Testimony of Dale Krapf, Chairman of Krapf Group, Inc. before the House Highways and Transit Subcommittee of the House Transportation and Infrastructure Committee | FAST Act Implementation of Motor Carrier Issues

On May 22, 2018, on Capitol Hill, the House Highways and Transit Subcommittee of the House Transportation and Infrastructure Committee will hold a hearing at 10:00 a.m. to address the implementation of motor carrier issues on the FAST Act implementation. Chairman Shuster (R-PA) has specifically requested Dale Krapf, Chairman of Krapf Group, Inc. and a former NSTA President, to appear on behalf of his company with the understanding that he can reference NSTA and United Motorcoach Association (UMA) views. Mr. Krapf will be the only witness to represent private passenger carrier industries. Krapf is a family-owned and operated passenger transportation business in operation since 1942. The NSTA is very proud and honored to have one of its distinguished past Presidents and member to serve on this panel of witnesses.

Other witnesses on the panel include: The Honorable Ray Martinez, Administrator, Federal Motor Carrier Safety Administration; Mr. Mike VanMaanen, Owner, Eastern Missouri Commission Company; On behalf of Livestock Marketing Association, Captain Christopher Turner, President, Commercial Vehicle Safety Alliance; and, Ms. Jennifer Tierney, Board Member, Citizens for Reliable and Safe Highways, On behalf of Truck Safety Coalition. NSTA appreciates the efforts of Dale Krapf and Becky Weber on behalf of the school bus industry in this matter.
