Huntington Coach Corp. of New York Awarded \$50,000 Joint Grant

ALEXANDRIA, V.A.--The National School Transportation Association (NSTA) in partnership with ZONAR systems, announced Huntington Coach Corp. as the recipient of a \$50,000 grant at NSTA's 2012 Midwinter Meeting. The Huntington Station-based company is led by its President, Kevin Clifford, who manages the operation of over 900 buses.

Don Carnahan, Vice-President of Business Development, Pupil Transportation at ZONAR, presented the award during the meetings on January 23, 2012.

“Huntington Coach put forth an excellent proposal,” Carnahan said. **“ZONAR is confident about awarding this grant to a company who runs a high-quality operation with an outstanding reputation.”**

The grant provides state of the art, best practice, fleet management technology which will contribute to the improved safety, effectiveness, and efficiency of pupil transportation across New York State.

Brendan Clifford received the award on behalf of the corporation and announced that Huntington would use the grant to finish GPS installments on their fleets.

“This will keep students protected,” noted Clifford. **“Safety is our top priority.”**

Both NSTA and ZONAR Systems, Inc are dedicated to the enhancement of the student passenger safety.

About NSTA

The National School Transportation Association is a trade organization representing school bus contractors. For 40 years, it has been dedicated to safe, secure and efficient transportation of children, and works to foster improvements in all areas of pupil transportation.
