## Vocational Rehabilitation Instructions for the 2744

Common Scenarios - Vocational Rehabilitation	
CROWNWeb Category	Scenario:
Referred to VR	Social worker gave patient phone number for VR
Referred to VR	Patient is being recommended for VR, but has not agreed to participate
Currently in VR	Patient went to VR orientation and was assigned a counselor
Currently in VR	Patient filled out an application
Declines VR	Patient went to VR orientation and did not follow up after the orientation
Declines VR	Patient has indicated they do not want to participate in VR program
Not Eligible for VR	Patient has co-morbid conditions that prevent them from being able to work
Not Eligible for VR	Patient is undocumented and does not have a legal right to work in the US
Completed VR	Patient went through VR program and achieved their VR goals (got job, completed college, etc.)

Common Scenarios - General	
Scenario	Action Required
Patient is no longer at my unit	All information is still required if patient was at your unit as of the end of the survey year.
I do not know the date the patient changed statuses	Use the earliest date you are sure of the patient's status.
I made the change in CROWNWeb but it is not reflected on my 2744	<ul style="list-style-type: none"> <li>Regenerate the survey after you made the change</li> <li>Verify the <b>Effective Date in CROWNWeb is in survey year or prior</b></li> </ul>
CROWNWeb status is blank but the patient has a status that will not affect the 2744	Update CROWNWeb
I am trying to update the effective date on the patient attributes page, but the date is grayed out	If you are changing the date only, but not the status, you must change it from the Patient Attributes <i>History</i> page.
I do not have the option to "Edit Patient" or "View Patient Attribute History"	Contact the Network. You may have lost the scope to make the change if the patient has left your facility.
2744 Error Messages	
Error-The effective date for a change to patient employment status must be after the most recent previous change to this patient attribute. Please use the Patient Attribute History page to view or edit the history of this attribute.	
<b>Action Needed:</b> You cannot add a prior date to the Patient Attributes page. You must make the change from the Patient Attributes <i>History</i> page	
Error-the total number of patients attending school (field 35) cannot be greater than the total number of patients receiving Vocational Rehabilitation services (field 33). The number of patients attending school is incorrect.	
<b>Action Needed:</b> This is a CROWNWeb bug. Add the comment: "I have thoroughly reviewed my records for fields 33 and 35 and the error is invalid."
