

NW16 Disaster and Emergency Contacts

Montana

(Updated 4/9/2020)

Montana Disaster & Emergency Services (MT DES) is the lead agency coordinating comprehensive emergency management in Montana. Local Department of Emergency Services (DES) coordinators oversee the emergency management programs in each county.

For all resource requests including medical resources such as PPE, or support with transportation, food, shelter, or utilities contact DES coordinator:

- [Local DES coordinator list](#)
- **For medical resources:** complete the [COVID-19 Medical Resource Request](#) order form for each facility/organization needing assistance.
- **For all other resources:** contact your local health department or local DES coordinator for instructions.

Additional support or questions can be directed to:

- [Montana Department of Public Health and Human Services \(DPHSS\)](#): Phone: 406-444-5622
 - [County or Tribal Health Department](#)
