

The ESRD NCC has created an informative new video and posted it to the **ESRD NCC YouTube channel**. In this video, viewers will learn about the essential steps to take when preparing for a kidney transplant.

Check out the new video
“11 Things to Get Ready for a Kidney Transplant”
here: <https://youtu.be/gl6Ld3UDB2s>

The NCC also has a helpful, one-page flyer that summarizes the steps that is available in English and Spanish.
