3. **Amendments.** Contract amendments shall be negotiated by OETC whenever necessary to address changes in the terms and conditions, costs, timetable, or increased or decreased scope of work. This Agreement shall be amended only by written instrument executed by the parties. An approved Contract amendment means one approved by the authorized signatories of the Contractor and OETC as required by law.
4. **Entire Agreement.** This agreement contains all the terms agreed to by the parties relating to its subject matter. It replaces all previous discussions, understandings, and agreements.
5. **Force Majeure.** If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Contract, then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.
