

Section	Question	Answer
Section 5 –	I need some clarification on the spec. “Adjustable stand” ...is “tilt” the only requirement? Or does it mean “height adjustment, swivel, and pivot”?	Height, swivel and pivot is preferred and will garner the most points, per price point. Tilt only may be proposed, but will get less points at a given price point.
Section 6	Would VDI, Privacy Screen Filters and Data Projectors be permissible items to include?	Privacy screen filters, yes. VDI and Data Projectors are not contemplated in this RFP. OETC will conduct different RFPs for those solutions.
Section 5 –	Is “On-site Warranty” referring to our “VIP” type service? When a monitor goes down, we send one unit in right away to minimize down time for the customer while we are fixing the bad unit.	On-Site means sending someone on-site to repair. However other warranties may be proposed, but will garner less points at a specific price point.
Section 5 –	For cables, what is the cable that is required to be included with each monitor?	VGA or HDMI
