

THE RICHLAND HOUSING DEPARTMENT  
BULLETIN #12 - February 25, 1944

WOMEN NEEDED FOR RED CROSS WORK

Appeal is made to the women of Richland to assist the Red Cross in the preparation of surgical dressings. A quota of 20,000 per month has been set. These dressings go to all the battle fronts and it may be a relative or friend who will need them. No experience is necessary, as an instructor is on duty Mondays and Wednesdays from 10:00 A.M. until 4:00 P.M. at the Chapter House. There is also an urgent need for hospital garments, and volunteers are urged to call at the Chapter House to do their bit.

RED CROSS DRIVE

The annual Red Cross drive will commence March 6 and extend to the 18th. Canvassers will call on the residents for their financial assistance. To make this campaign a complete success every one is requested to contribute to this worthy cause.
