

Uncovering the Life of Your Dreams

An Enlightening Story, by Bruce D Schneider, MCC

Bruce D Schneider is a pioneer in the fields of coaching, consciousness, and human potential. In this work of allegorical fiction, he draws on his personal experiences of awakening to tell a story that both entertains and enlightens. Easy to read, yet profound in meaning, this tale of universal truths that connect us all offers a much-needed and timely message to help you awaken to a more conscious world.

Scott Billings has a pretty good life, or so it appears. But something is missing for him. Like many others, he finds himself just going through the motions, sleepwalking through life, until an unexpected and unique encounter with a street beggar allows him to see the possibility of a new reality; a dream world that is more real than anything he's ever experienced. It is a world that holds the answers to his questions about life... and his destiny.

If you are one of the countless millions who has the feeling that something is missing from your life, *Uncovering the Life of Your Dreams* will take you on a journey of your own toward a more enlightened life filled with abundance, joy, and absolute freedom.

ABOUT THE AUTHOR

BRUCE D SCHNEIDER, Master Certified Coach, modern-day philosopher, and renowned speaker, is the founder of the Institute for Professional Excellence in Coaching (iPEC) and author of *Energy Leadership* and *Relax, You're Already Perfect*.

In 1978, after miraculously surviving a devastating car accident, Bruce embarked on a life-long journey to understand the purpose of his survival and the nature of reality. Through a process he calls "uncovery," he not only found his answers, but also created a powerful way for others to find theirs. Bruce's groundbreaking theory of consciousness levels led him to create the transformational Core Energy Coaching™ process as well as iPEC's proprietary Energy Leadership Index™ assessment.
