Trip Notes

PN	ppHorseName	TripGrade	TripComments1	TripComment2	Free Form Comment
1	NYQUIST	B-	NASAL_S	DUEL	not sure why he stayed off the rail into the first turn? dueled into very hot 1Q, but other speed out-finished him, might be tailing off?
2	SUNNY RIDGE	B-	FREE	SAVED	thought his third was a bit of a suck up off clean ground saving trip
3	AWESOME SLEW	C	NO_KEEP		just off solid pace/early duel
4	GUN RUNNER	B-	OTHER		was a bit wide, but could not go with top ones leaving the turn, wrapped up a little late or would have been closer to show, might need FAST track to do his best
5	AMERICAN FREEDOM	B+	BOS	GRIT	dueled practically every step of way,showed class and toughness in stretch when coming back on winner late, if this race doesn't set him back he might continue to improve
6	EXAGGERATOR	B+	MOVE	WIDE	taken right over to rail after the break, saved ground first turn, then made early MOVE while being floated very wide on 2nd turn but sustained nice rally not an easy move on a track like MTH
