

### Rubric for Participation, Self-Assessment

Category	The statement that best describes my past few lab/class sessions is...	Points (circle just one #)
<b>Working in the lab</b>	<ul style="list-style-type: none"> <li>• My partner and I discussed <i>why</i> we were doing what we did, worked effectively together, and asked the teaching faculty questions when we wanted to learn more.</li> </ul>	9-10
	<ul style="list-style-type: none"> <li>• I mostly just went through the motions in lab, but I also basically know what's going on.</li> </ul>	7-8
	<ul style="list-style-type: none"> <li>• I didn't understand the protocols but didn't ask for help, and made a big, avoidable error.</li> </ul>	5-6
<b>Participating in formal lecture</b>	<ul style="list-style-type: none"> <li>• I answered at least one question posed by the lecturer, asked questions when I didn't understand something, and was attentive.</li> </ul>	9-10
	<ul style="list-style-type: none"> <li>• I mostly paid attention, but didn't actively participate in lecture.</li> </ul>	7-8
	<ul style="list-style-type: none"> <li>• I didn't attend or slept through lecture.</li> </ul>	5-6
<b>Participating in pre-lab lecture</b>	<ul style="list-style-type: none"> <li>• I answered at least two questions posed by the lab instructor, asked questions when I didn't understand something, and was attentive.</li> </ul>	9-10
	<ul style="list-style-type: none"> <li>• I mostly paid attention, but didn't actively participate in lecture.</li> </ul>	7-8
	<ul style="list-style-type: none"> <li>• I disrupted the lecture by being late.</li> </ul>	5-6
<b>Other (above and beyond)</b>	<ul style="list-style-type: none"> <li>• I investigated and shared some interesting research related to a topic we discussed.</li> <li>• I asked a sophisticated question that spurred an interesting follow-up, which was later shared with the class.</li> <li>• ...</li> </ul>	Up to 3 pts.
<b>Total</b>		___/30 pts.
