

**Core for Advanced MR Imaging (CAMRI) COVID-19 Visitor Policy
(effective June 29, 2020)**

- A. PURPOSE.** The purpose of this policy is to establish standards for visitors entering Baylor College of Medicine's CAMRI imaging facility, and is intended to help reduce the risk of disease transmission during a pandemic or local epidemic.
- B. SCOPE.** Compliance with this policy applies to all visitors and enforcement of this policy is mandatory for all employees and staff working in outpatient facility or clinic owned or operated by Baylor College of Medicine.
- C. RESPONSIBILITIES.** All visitors to CAMRI will adhere to these policies.
- D. POLICY.**
1. Research subjects who are able to attend appointments alone should do so.
 2. Each research subject will be limited to one essential visitor/caregiver to accompany them to their appointment and will wait in the CAMRI waiting area.
 3. PI will pre-screen each visitor prior to entry to CAMRI.
 4. All visitors are required to be approved by security prior to scheduled appointment.
- E. POLICY.**
1. Scheduling staff/user will inform the research subject of the current policy at the time of appointment scheduling/screening.
 2. CAMRI staff will review all screening forms and scheduling requests.
 3. The PI/user will educate the research subject that they will be screened at entry to Baylor College of Medicine and CAMRI and they will be asked to wear a mask.
