BCM has strict policies for wearing face masks, social distancing and decontamination of instruments and common work surfaces for the safety of its employees and visitors. Research subjects and visitors must wear a face mask in order to enter BCM facilities and undergo screening at security that includes measuring temperature. Subjects will be met at security by Principle investigator, or a member of that lab, and escorted to and from the facility. Upon entering CAMRI, subjects will be provided a once use disposable surgical mask and other appropriate PPE.

If a research subject tests positive for COVID19 after a visit to CAMRI they should self-report to BCM Occupational Health (OHP): phone 713.798.7880
