PROVERBS 31 MINISTRIES

DONOR IMPACT REPORT

SUMMER 2019

See what God has done through our unity!

“Therefore encourage one another and build one another up, just as you are doing.”

1 Thessalonians 5:11

Dear,

We need one another! In today's world, it seems as if we are constantly made to feel alone or to keep what's ours to ourselves. With fists clenched, it's easy to hold tightly to our individual successes or gains and fail to see others around us as our greatest partners and allies. However, Jesus commands us to be for one another. He calls us to adopt a “we” mentality instead of a “me” motivation and for us to be rooted in community, building one another up through words and good deeds.

At Proverbs 31 Ministries, we very much recognize that we could not do what we do without you. Your encouragement and support has meant the world to us. Just as you constantly build us up and spur us on to live out the great assignment of eradicating biblical poverty, we long to encourage you and spur you on in your daily walk with Christ. You are truly helping us grow as you grow! It's the perfect partnership!

Thank you for being a true partner and treasured friend of Proverbs 31 Ministries. Your desire to walk alongside us means the world and continues to move us forward in reaching women all over the world with the Truth of God's Word. In this impact report, we want to show you the huge influence you are having on the individual lives of women just like you. We hope you are encouraged by the imprint you are forever making at Proverbs 31 Ministries, and we consider you a catalyst in the continued growth that we are experiencing every day.

Gratefully,

LIFE IMPACT COMMENT

“Proverbs 31 Ministries has and continues to be a very important part of my daily walk with Jesus. I would be lost now without my First 5 devotional in the morning. It has radically transformed my quiet time and helped me engage more deeply with God's Word and understand it like never before. The weekend teachings are always so rich, they are what I look forward to listening to first thing on Saturday mornings. I have shared these teachings (both daily and weekend) with friends, pastors, ministry leaders, etc. more than any other resource. And I appreciate Lysa's unselfish leadership - the plurality of teachers is so very good because we do not focus on the messenger but on the Message - The Word!”

We just hit 1.2 MILLION followers on Instagram and we are growing deeper in our online community through Instagram Direct Messages – including Carol from Nairbobi, Kenya who subscribes and listens to our podcast! Our posts on Facebook are consistently reaching 1 MILLION with God’s Truth! Here are a few testimonies from women who are experiencing God through our posts on social media:

“I’m struggling through a season for sure. Thank you for this post. God speaks to me through your ministry (and posts) quite often!” - **Joanne L.**

“Once again great wisdom and insight from Proverbs 31 Ministries that can be used not just for married couples but for individuals who have asked The Lord to mature and PREPARE them for marriage.” - **Beverly C.**

“Proverbs 31 Ministries don’t ever doubt that God is using your ministry in such amazing ways. I didn’t read yesterday’s devotion and this one until this morning. We lost our mom Wednesday of this week and these two could not have been more timely and appropriate this morning as our family faces visitation today and the funeral tomorrow. Thanks for what you do to keep us all grounded and focused on Christ through joy and sorrow.” - **Abra C.**

WHY I GIVE TO PROVERBS 31 MINISTRIES

“Both my husband and I find First 5 very helpful in understanding the Bible. I don't think we would have understood much from the difficult books in the Old Testament such as Numbers and Job if we just read it on our own.

My marriage has also been blessed by many of the daily *Encouragement for Today* email messages. I have forwarded them to friends and I know some have subsequently signed up to receive these devotions in their own inboxes.

Keep up the good work. We are very happy to support financially as we believe what you do is making a big impact in many lives all over the world.”
