Dear Provider/School,

The Bureau of Autism Services is partnering with the Autism Services, Education, Resources and Training Collaborative (ASERT) to learn more about the needs of individuals with autism across Pennsylvania through the Pennsylvania Autism Needs Assessment survey.

How can you help?

- Encourage parents of children with autism and individuals over the age of 18 to complete the PA Autism Needs Assessment at www.paautism.org/needsassessment or complete the paper copy mailed to them.

Do you work with a family or individuals over 18 who would prefer a paper copy of the PA Autism Needs Assessment?

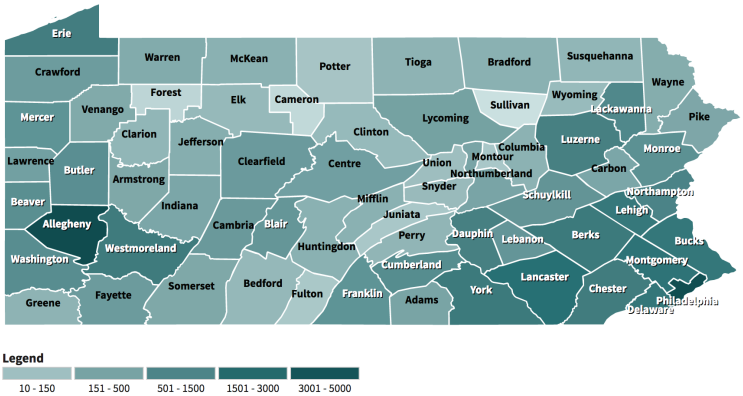
- You can call ASERT to request a paper copy for them, or give them the ASERT phone number (1-877-231-4244) or email (info@paautism.org).

Who gets the Autism Needs Assessment?

- Parents of a child with autism or an individual with autism over 18 can complete the survey.
- Anyone, regardless of if they have received a letter, can complete the survey on the website.

Where can I find more information?

- Frequently asked questions (FAQ) are on our website, www.PAautism.org/needsassessment
- Call the ASERT Resource Center at 1-877-231-4244
- Email info@paautism.org.



Completing the PA Autism Needs Assessment in no way impacts program enrollment or services.

ASERT can also connect you with helpful resources and tools, as well as news on training opportunities and events in your community. Please visit **www.paautism.org** to learn more about ASERT, sign up for our newsletter, and create an account to start pinning resources. To learn more about autism in your county visit the PA Autism Census Page.
