AUDIENCE: All Interested Parties

PURPOSE: To announce three (3) webinars being hosted by The Office of Developmental Programs’ Deputy Secretary Nancy Thaler to discuss *Everyday Lives: Values in Action*

DISCUSSION: In the same tradition as the first *Everyday Lives* publication issued in 1991, our most recent publication *Everyday Lives: Values In Action* affirms our dedication to making it possible for everyone to live a life of meaning and joy.

The foundation of *Everyday Lives: Values in Action* is two statements:

1. We value what is important to people with disabilities and their families, who are striving for an everyday life.

2. People with disabilities have a right to an everyday life: a life that is no different than that of all other citizens.

*Everyday Lives* guides ODP as it follows the Information Sharing and Advisory Committee’s (ISAC) recommendations, develops policy, and designs programs. Providers of services will use the recommendations of *Everyday Lives* to support individuals and their families to achieve an everyday life.
