

ODP Announcement

Launch of the ISAC hub

ODP Communication Number 037-18

The mission of the Office of Developmental Programs is to support Pennsylvanians with developmental disabilities to achieve greater independence, choice and opportunity in their lives.

AUDIENCE: All Interested Parties

PURPOSE: To announce that the Information Sharing and Advisory Committee (ISAC) hub is now live on MyODP.

DISCUSSION: ISAC serves as a body from our stakeholders to share information to and from the Office of Developmental Programs (ODP) and to advise the Deputy about issues important to our stakeholders. ISAC members are expected to come with information from the group they represent and to share information from ODP learned at ISAC with their group.

In order to enhance communication the Office of Developmental Programs has created the ISAC hub:

The ISAC hub is hosted on the MyODP Training and Resource Center which currently has over 34,000 registered users. To view **the ISAC hub** you may [create a MyODP account](#), or login as a guest.

After you have logged in with your account, or as a guest, you may [access the ISAC hub](#) and enter the page immediately, without use of an enrollment key. **the ISAC hub** may also be accessed by clicking on the Resources tab, and selecting **the ISAC hub** within the dropdown.

Content currently posted on **the ISAC hub** consists of this year's meeting calendar, agenda and topic items for the April 11th meeting, a folder for previous meeting materials, as well as the Everyday Lives booklet and recommendations. Agenda items and presentation materials will continue to be posted for future ISAC meetings so that they may be printed before the meeting. Please note that some items may be restricted to only ISAC members.
