SELN Shorts: The 30-Minute Series

You are invited to the Spring 2019 SELN Shorts series:

Case Managers: Guides on the Pathway to Employment

A full-time job in the community is not the only way to define employment success for individuals with intellectual and developmental disabilities.

Instead, success is a series of accomplishments. It is overcoming a challenge and challenges that follows. Guided conversations between case managers and individuals often reveal obstacles, and give them a place to brainstorm solutions and develop opportunities.

Join us for 6 sessions with 6 effective case managers from SELN member states. Case managers will share innovative approaches they used to help 6 individuals move forward along their employment pathway.

You must register for each session individually.

Time: 9am HT/ 12pm PT/ 1pm MT/ 2pm CT/3pm ET

All sessions are from 30 minutes long.
