

Google Slides Course Syllabus

COURSE DESCRIPTION

Keep all your files at your fingertips: oversized documents, works in progress, the lessons you're collaborating on with your PLC, students' first drafts, parent communications, papers that need grading, memos from the principal, and those inspirational quotes you're collecting.

This section covers the basics of creating, editing, sharing, and presenting using Google Slides. Collaboration and tools for making presentations unique and artistic are also covered. Tips and ideas for using Slides in the classroom round out this section.
