

# ELA & Social Studies with iPads

## Course Syllabus

### COURSE DESCRIPTION

Whether you’ve received a set of Apple iPads to use in your classroom or you’re curious about the benefits of an iPad curriculum, there are many valuable resources to guide you. In this course, discover and explore how to transform your current teaching methodologies and classroom’s curriculum with one of education’s most popular technology tools.

In this course, you can review teacher-recommended apps for English language arts and social studies. Additionally, you will be able to watch lessons that model how to implement iPads in reading and writing activities and that demonstrate how social studies can become an interactive learning experience.
