

PHILIPPINE -EMIRATES PRIVATE SCHOOL
AL BAHIA, ABU DHABI UAE

September 6, 2019

Dear Parents,

Greetings!

The Philippine-Emirates Private School aims to provide quality education and safety of all the students. We continuously strive to further improve our services both for the students and the stakeholders.

In the last past weeks, the Philippine-Emirates Private School has always been transparent regarding its readiness for the opening of the Academic Year 2019-2020.

In the meeting of management with the ADEK officials last September 5, 2019, it highlighted the importance of ensuring the safety of learners especially that PEPS is now in its new location. Therefore, **Civil Defense Inspection is a MUST** before allowing the school to open according to ADEK officials. Hence, **the management has decided to postpone** its opening for two more weeks to comply with the requirements of ADEK and other government agencies. If ever opening approval will come out earlier than two weeks, announcement of details and any other important information will be made as soon as we possibly can.

We once again appeal for your support and understanding on this matter. Rest assured that we are doing our best to ensure the safety and well-being of your children.

We thank you for continuous support for the school's effort to better serve you.

Thank you very much. God bless us all!
