Gravity
John Mayer

```
G                       C
Gravity is working against me
G                                C
And gravity wants to bring me down
        Am7
Oh I'll never know what makes this man
        D7
With all the love that his heart can stand
Gm/Bb            Ebmaj7       D7
Dream of ways to throw it all away

        G                       C
Oh, gravity is working against me
        G                               C
And gravity wants to bring me down
       Am7
Oh, twice as much ain't twice as good
        D7
And can't sustain like one half could
Gm/Bb                           Ebmaj7              D7
It's wanting more that's gonna send me to my knees

     Am7
Oh, twice as much ain't twice as good
        D7
And can't sustain like one half could
Gm/Bb                           Ebmaj7              D7
It's wanting more that's gonna send me to my knees
```

G C
Whoa, gravity, stay the hell away from me
G C
Whoa, gravity has taken better men than me. Now how can that be?
G
Just keep me where the light is
C
Just keep me where the light is
G
Just keep me where the light is
C
Come on keep me where the light is
C
Come on keep me where, keep me where the light is.
