Here and now make it loud
At the top of our lungs
There's a sound breaking out
Lord for all that You've done

And now we're turning our
Turning our hearts to You
And no we'll never stop
Never stop loving You

Chorus
This will be the best time of our lives
As we encounter Your love again
Here with You our hearts will come alive
As we declare Your praises
Woah oh oh oh oh oh oh oh
As we declare Your praises
Woah oh oh oh oh oh oh oh

Verse 2
From the start here we are
To collide with Your love
Every heart set apart
Just to be where You are

This is our place
This is our moment to lift Your name

Oh oh oh oh oh
Oh oh oh oh oh oh
