

My Golden Self Worksheet

*Supplementary Material For The Pharaoh Code, Introductory Lesson
by Azizi Amun*

In the Introductory Lesson of The Pharaoh Code, you learned a little bit about how the Laws of Nature apply just the same to YOU as they do to everything else in existence.

Just like the entire design for a majestic tree is contained within the tiny seed even when it's first planted, the entire design for YOUR BEST SELF already exists within you.

In order to draw it out and transform you into that person, the first step is to know exactly what YOUR BEST SELF looks like. In the language of Alchemy, it's your "Golden Self"—the end-point of your transformation!

Please print out this form, so you can fill it out with a pen or pencil. There is a "magic" to actually writing that typing doesn't quite match up to.

In the spaces below, fill in your answers in as much detail as possible. You're going to use this worksheet again later, so please make sure to do the best you can do in answering the following questions.
