

St Marys
Dayswater.

Aug. 8. 1857

My dearest Child.

You have done all you can.

Do not speak again unless she seems
to desire it.

For it might have the reverse
effect.

And she is I believe in good
faith in her opposition to the Church;
and in that state we may come
near to her with love if the I think.

I will say & ask Messrs
for your names. And our Council
& Corporation shall join.

My heart is with you, & with
your dear Mother. God grant she
may not suffer much, & I trust
that this illness will very soon
may yet be gone.

I have been often. I will come
at any moment to see you at this
Church.

Then up! You have done that

part of a good, loving, wealthy
self-denyng child for these eight
years past. What joy for you.

Tho' you do not believe it, & will
not hear it. Yet it is so: & our
Father knows it.

Ever hoping to visit you.

George your Obedt
