

Sept 11. 1866

8 York Place,
Portman Square,
London. W.

My dear Child,

I do not think Mr
Bp of London will
consider the error of the
Diocese to affect the re-
script. It will ~~be~~ best
to send it to him: & it
would come better from

yourself than from me.
What the H. F. has given
is all he ever gives. Even
a Bishop has permission
only for his own Chapel
as a private Church: &
not as a moveable pro-
perty. Moreover it is
undoubted that, on
the same conditions if

you were ever to move you
might ask for the transfer
with permission.

I hope you are praying
for the King & Queen. This
is a moment of great anxiety.
The Emperor is said to
be very ill: & his doctors do
think so.

I should like to come

I see your wood in an:

turn but I have not
much chance this year

as I am going tomorrow

to the North for the con-

secration of the King

Harlem.

With my kind regards to
Mr. Paterson, he is very

Dear yours
