

8, YORK PLACE. W.

July 20. 1868

My dear Child,

Many thanks for your
letter & for remembering me on
the 15. I am thankful to
have had a long life & only
wish I had made better use
of sixty years.

Let in the year I hope to
be at Cambridge Wells. Others
can come, & see you & Chapel

You must have been en-
joying your beautiful coun-
try in this wonderful Sum-
mer: which is like the
Summers of childhood, always
sunshine. There been very
oppressive in London
I send you a paper to show
what we are doing but not
to ask you help, which I
I neither wish nor would

accept. You will be glad to
know that I have actually
closed for the purchase.
I will provide for my
successors a site large
enough for a Cathedral &
Close, worthy of the Me-
tropolitan See of England.
And now if I can finish
the Seminary at Harrow.
Smiths, I ought to thank God

and say Mrs. Dimitroff.

With kind regards to
your husband, always

Love
Mrs. Dimitroff
