1 Upper Harley St
July 8 1854

Thank you for
remembering me -
You perhaps do not
know that I have
been for the last
twelvemonth the
Quartermaster of a small
Hospital - My home
matters continue
just the same -
Should you ever
have a spare five
minutes, in passing

My dear, I need not
say how glad I
should be to see you.
(Sunday & Friday
afternoons alone
excepted).

Yours truly
F. Nightingale
