Thank you very much
for what you have
done for me -

The Augustinians at
the Hotel Dieu could
not have been reached
by me in any manner
so efficient.

Thank you very
much too for your
kind questions.

I am not likely,

I believe, to leave
London except for
a very far-off place.
Now, I am told, is
that journey likely
to be delayed for more
than two or three
months, unless I
will give up what
I cannot give up -

I should like very
much to see you, if
you are kind enough

I make time to come.
But, unfortunately,
my work keeps me
till 8 P.M. And I
fear that would be
impossible to you.

And, even then, I
should be obliged
to ask you to write
me a line to say
what day.

If I went any
where, it would be
to see what you do.

kindly offer to show
me. But it is fully
10 months since I
have been any where
- not even to see
my Rev^d Mother when
she was said to be
dying & sent for me.

I know what you
have been doing.
If you could mention
any hour when you
were least busy, I
would try to make
a day to see you, if
you are kind enough
till to wish it. *Thightyale*

My sister is going
to be married to
Harry Conroy in a
fortnight.

For many reasons, it
is important to me
that let the state of
my health be known.
I will ask you to be
quite silent upon it.
Yours
F. W.
