S' Bede All. Alexander Pink
Sept 10. 1885

Dear Mr. Barlow

Be so good as not to reprint
the last half of the Wigan
Report as what I said. It
is most incorrect & makes
me say what I never said
in my life.

Break off at "unsteady eye
or unsteady hand." If you
repeat anything.

Shake you one well.

Yours very truly,
H.P. Archibald
