

8, YORK PLACE. W. Dec. 20.

1867

My dear Mr. Talbot-

Don't fail to read
the copy B^m letter
in the Weekly Re.

view.

It throws on Papa.

gave the blame of

the Oxford affair, &
a change of secrecy.

The only secrecy was
the Bishop's scrutiny
part of the Rescript.

I fear he will give
trouble at last.

I write in haste.

Lord Devon is on his
way to Rome. Pray
show him all attention.

He is very good, &
very just to us all,
the Pontifical Board.
I should like to hear
of you. Always yours affly.
