

Livington. Jan 7 26. 1845.

My dear Hamilton,

I must send you my  
kindest, & sincerest regards  
on your marriage. May  
all blessings be yours, &  
long continued to you. My  
friendship with you, &  
acquaintance with Arch.  
dean Lear, besides so  
many mutual intimacies

must warrant my send-

ing my kind regards

also to Mrs Hamilton.

I shall hope some day

to see you in the home

with which God has

blessed you. Was it

very long ones.

Believe me, my dear Hamilton

Yours truly & affectionately.

H. S. Manning.
