

44. Cadogan Place,

March 15 March 14. 1857.

My dear Hawkins,

My name stands, I believe among the incorporated members of the S. P. G. Society, and it would be a kindness if at the proper time & in the proper way you would oblige me

by requesting that some  
other name maybe sub-  
stituted in its place.

I write this as a private  
note to you desiring that  
this request may be as  
little as possible of a  
formal or public kind.

Believe me,

My dear Hawkins -  
Always affects yours  
N. E. Manning.
